Do you want a holiday that bypasses too familiar haunts and gives you a greater depth of experience? Do you want a holiday that is enriching for you - and for the locals at your destination? If you do, and believe that your trip should give local communities a fair deal (so often denied them) as well as being fun, then this book is for you. This fully revised second edition of The Ethical Travel Guide is the essential resource for responsible global travel, providing a wealth of new ideas for your next holiday. The extensive directory has been updated and expanded, listing hundreds of places to visit and stay in countries all over the world. From sustainable farming in Ecuador to luxury culinary breaks in Crete, there is something for every taste and budget. A thorough introduction gives a background to the many ethical and practical issues involved, including a new section on travel and climate change. Combining thoughtful guidance with comprehensive listings, this is the essential guide for anyone interested in ethical, fair and sustainable tourism.

South Africa holds many opportunities for the tourist, and this guide highlights the prime destinations the country has to offer. In particular it covers those that appeal to the international visitor, from the Cape wine routes, to the Cango Caves, the major coastal resorts and the bushveld. The information is organized according to region, and basic details about transport and tour operators are included at the end of each section.

During what has become officially known as the genocide against the Tutsi, as many as one million Rwandan people were brutally massacred between April and July 1994. This book presents a critical study of fictional responses by authors inside and outside Rwanda to the 1994 genocide. Focusing on a large and original corpus of creative writing by African authors, including writers from Rwanda, *Rwanda Genocide Stories: Fiction After 1994* examines the positionality of authors and their texts in relation to the genocide. How do issues of 'ethnicity', nationality, geographical location and family history affect the ways in which creative writers respond to what happened in 1994? And how do such factors lead to authors and their texts being positioned by others? The book is organized around the principal subject positions created by the genocide, categories that have particular connotations and have become fraught with political tension and ambiguity in the context of post-genocide Rwanda. Through analysis of the figures of tourists, witnesses, survivors, victims and perpetrators, the book identifies the ways in which readers of genocide stories are compelled to reevaluate their knowledge of Rwanda and take an active role in commemorative processes: as self-critical tourists, ethical witnesses, judges or culpable bystanders, we are encouraged to acknowledge and assume our own responsibility for what happened in 1994. *Insight Guides: all you need to inspire every step of your journey.* From deciding when to go, to choosing what to see when you arrive, this is all you need to plan your trip and experience the best of Guatemala, Belize and the Yucatán, with in-depth insider information on must-see, top attractions like the Mayan sites of Chichén Itzá and Tikal, as well as the best of the Riviera Maya. · *Insight Guide Guatemala, Belize and the Yucatán* is ideal for travellers seeking immersive cultural experiences, from exploring the variety of Maya sites, to discovering Mexico's charming colonial city of Mérida. · In-depth on history and culture: enjoy special features on the Maya civilisation, the colourful Guatemalan costume and the stunning birdlife in all three countries, all written by local experts · Includes innovative, unique extras to keep you up-to-date when you're on the move - this guide comes with a free eBook, and an app that highlights top attractions and regional information and is regularly updated with new hotel, bar, restaurant, shop and local event listings · Invaluable maps, travel tips and practical information ensure effortless planning, and encourage venturing off the beaten track · Inspirational colour photography throughout - *Insight Guides* is a pioneer of full-colour guide books · Inventive design makes for an engaging, easy reading experience About *Insight Guides: Insight Guides* is a pioneer of full-colour guide books, with almost 50 years' experience of publishing high-quality, visual travel guides with user-friendly, modern design. Hamish Brown, who occupies a special place as a Scottish writer and traveller, turns his wealth of experience into captivating narratives of fascinating people and places; sometimes serious, at times laugh aloud in this new volume. *Chasing the Dreams* is a companion to *Walking the Song*, with the same kaleidoscopic range and variety, telling of treks in Scotland, the Alps, Atlas and Himalaya, of ventures by canoe and sailing, ski-ing and cycling.

This title provides comprehensive information on the geography, history, wildlife, governmental structure, economy, cultural diversity, peoples, religion, and culture of Madagascar. All books of the critically-acclaimed *Cultures of the World®* series ensure an immersive experience by offering vibrant photographs with descriptive nonfiction narratives, and interactive activities such as creating an authentic traditional dish from an easy-to-follow recipe. Copious maps and detailed timelines present the past and present of the country, while exploration of the art and architecture help your readers to understand why diversity is the spice of Life.

*RBS Visitors Guide India Rajasthan* offers Interesting insight about Rajasthan & people, culture, cuisine, music, songs, dances, religious sites, beaches, hill resorts, and wildlife sanctuaries.....
