

## A State Of Blood The Inside Story Of Idi Amin

“Gripping and meticulously documented.”—Don Schanche Jr., Washington Post Forsyth County, Georgia, at the turn of the twentieth century, was home to a large African American community that included ministers and teachers, farmers and field hands, tradesmen, servants, and children. But then in September of 1912, three young black laborers were accused of raping and murdering a white girl. One man was dragged from a jail cell and lynched on the town square, two teenagers were hung after a one-day trial, and soon bands of white “night riders” launched a coordinated campaign of arson and terror, driving all 1,098 black citizens out of the county. The charred ruins of homes and churches disappeared into the weeds, until the people and places of black Forsyth were forgotten. National Book Award finalist Patrick Phillips tells Forsyth’s tragic story in vivid detail and traces its long history of racial violence all the way back to antebellum Georgia. Recalling his own childhood in the 1970s and ’80s, Phillips sheds light on the communal crimes of his hometown and the violent means by which locals kept Forsyth “all white” well into the 1990s. In precise, vivid prose, *Blood at the Root* delivers a “vital investigation of Forsyth’s history, and of the process by which racial injustice is perpetuated in America” (Congressman John Lewis).

About the Book : In September 1996 a fourteen-year-old Fatima Bhutto hid in a windowless dressing room shielding her baby brother while shots rang out in the streets outside the family home in Karachi. This was the evening that her father, Murtaza, was murdered along with six of his associates. In December 2007 Benazir Bhutto, Fatima's aunt, and the woman she had publicly accused of ordering her father's murder, was assassinated in Rawalpindi. It was the latest in a long line of tragedies for one of the world's best known political dynasties. *Songs of Blood and Sword* tells the story of the Bhuttos, a family of rich feudal landlords who became powerbrokers in the newly created state of Pakistan; the epic tale of four generations of a family and the political violence that would destroy them. It is the history of a family and nation riven by murder, corruption, conspiracy and division, written by one who has lived it, in the heart of the storm. The history of this extraordinary family mirrors the tumultuous events of Pakistan itself, and the quest to find the truth behind her father's murder has led Fatima to the heart of her country's volatile political establishment. Finally *Songs of Blood and Sword* is about a daughter's love for her father and her search to uncover, and to understand, the truth of his life and death. About the Author : - Fatima Bhutto was born in Afghanistan in 1982. She studied at Columbia University and the School of Oriental and African Studies at the University of London. She currently writes columns for *The Daily Beast*, *New Statesman* and other publications. She lives in Karachi, Pakistan.

Everything you need to know to look after yourself to bring about and maintain perfect health, prosperity, wealth, happiness, quality of life and longevity. It reveals that we are, without realising, not doing enough or the right things to protect our health and prosperity which is equally extremely damaging to nature, wildlife, oceans, sea-life, fresh springs, waterways and air, and us. The Book by Linde utilises new and ancient knowledge from around the world, over the millennia identifying what changes we need to make to enhance every aspect of our lives with simple solutions for almost every situation. It is your most powerful contribution to protecting, nurturing and saving our planet. In summary, 'THE BOOK' Consists of Six Chapters which incorporates a summary within each one: Lifestyle; Food & Nutrition; Medical Care; Mind; Water; and Now Live the final chapter which you can cast your eye over first as it is a synopsis of the complete works. It is highly recommend to read from cover to cover but, it is packed with valuable information to just use as a Reference Manual on a day to day basis. Teaches you how to look after your body and mind to ultimately prevent illness, but also to help regain and maintain perfect health; Provides countless number of practical, realistic & simple tips to easily adopt into your day to day lifestyle improving quality of life, saving time & money and gaining longevity; Fuses together specialised areas in health & mind, lifestyle & environment under one cover; Identifies our day to day toxic exposures that we are unaware of and provides successful resolutions; Gives you complete fundamental knowledge and awareness, to use your courage to take responsibility for your life enhancing your health, prosperity and happiness; Provides you with ancient knowledge and practices to new, from science including quantum physics, to philosophy, psychology, and important detail on nutrition, exercise, energies and medicine; Is very current, answering all the conflicting hype about diets, the next super food or the bad effects of conventional drugs or sugar that are in the media weekly, even daily; For more information please visit [www.thebookbook.co.uk](http://www.thebookbook.co.uk)

From #1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her Blood and Ash series... Is Love Stronger Than Vengeance? A Betrayal... Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that's one order she's more than happy to obey. He may have taken her, but he will never have her. A Choice.... Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolvern are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.

A long-awaited return to the American Republic looms as a real possibility, but can liberty truly be achieved under the leadership of tyrannical slaver, Demetruis LaFayette? Jonathan Keechi is a loyal citizen of the State living in Oregon Zone and attending University in Corvallis along with his close-knit circle of friends. Jonathan possesses an untamed, independent fire inside that sets him apart from his fellow citizens, however, sometimes dangerously so. Certainly, there could be no doubt that the massive cement Barrier that hems in the inhabitants of the State is placed there for their own protection. Or is it? The mystery awaiting Jonathan on the other side of the Barrier will forever change his understanding of freedom. Follow Jonathan as he leads his friends on a high adrenaline adventure, fleeing the safety and security of the totalitarian State only to find himself in the middle of

LaFayette's plot to resurrect the American Republic of the Founding Fathers. As his journey takes on epic historical proportions, Jonathan is startled to find that freedom has opened long-closed, forbidden doors, causing he and his friends to question everything they once believed in a dangerous new land of liberty.

Think Game of Thrones meets Buffy the Vampire Slayer with a drizzle of E.L. James - Telegraph Perfect for fans of Jessica Jones and True Blood, this is a blockbuster modern fantasy set in a divided world where one woman must uncover the truth to seek her revenge. Half-Fae, half-human Bryce Quinlan loves her life. Every night is a party and Bryce is going to savour all the pleasures Lunathion – also known as Crescent City – has to offer. But then a brutal murder shakes the very foundations of the city, and brings Bryce's world crashing down. Two years later, Bryce still haunts the city's most notorious nightclubs – but seeking only oblivion now. Then the murderer attacks again. And when an infamous Fallen angel, Hunt Athalar, is assigned to watch her every footstep, Bryce knows she can't forget any longer. As Bryce and Hunt fight to unravel the mystery, and their own dark pasts, the threads they tug ripple through the underbelly of the city, across warring continents, and down to the deepest levels of Hel, where things that have been sleeping for millennia are beginning to stir ... With unforgettable characters and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom – and the power of love.

The first serious full-length biography of modern Africa's most famous dictator "Sharply written, forensically researched. . . . A meticulous re-examination of Amin's life, producing a narrative packed with original evidence, and one that strives at all times to be scrupulously well balanced."--Paul Kenyon, *The Sunday Times*, London Idi Amin began his career in the British army in colonial Uganda, and worked his way up the ranks before seizing power in a British-backed coup in 1971. He built a violent and unstable dictatorship, ruthlessly eliminating perceived enemies and expelling Uganda's Asian population as the country plunged into social and economic chaos. In this powerful and provocative new account, Mark Leopold places Amin's military background and close relationship with the British state at the heart of the story. He traces the interwoven development of Amin's career and his popular image as an almost supernaturally evil monster, demonstrating the impossibility of fully distinguishing the truth from the many myths surrounding the dictator. Using an innovative biographical approach, Leopold reveals how Amin was, from birth, deeply rooted in the history of British colonial rule, how his rise was a legacy of imperialism, and how his monstrous image was created. The previously untold story of the violence in Congress that helped spark the Civil War In *The Field of Blood*, Joanne B. Freeman recovers the long-lost story of physical violence on the floor of the U.S. Congress. Drawing on an extraordinary range of sources, she shows that the Capitol was rife with conflict in the decades before the Civil War. Legislative sessions were often punctuated by mortal threats, canings, flipped desks, and all-out slugfests. When debate broke down, congressmen drew pistols and waved Bowie knives. One representative even killed another in a duel. Many were beaten and bullied in an attempt to intimidate them into compliance, particularly on the issue of slavery. These fights didn't happen in a vacuum. Freeman's dramatic accounts of brawls and thrashings tell a larger story of how fisticuffs and journalism, and the powerful emotions they elicited, raised tensions between North and South and led toward war. In the process, she brings the antebellum Congress to life, revealing its rough realities—the feel, sense, and sound of it—as well as its nation-shaping import. Funny, tragic, and rivetingly told, *The Field of Blood* offers a front-row view of congressional mayhem and sheds new light on the careers of John Quincy Adams, Henry Clay, and other luminaries, as well as introducing a host of lesser-known but no less fascinating men. The result is a fresh understanding of the workings of American democracy and the bonds of Union on the eve of their greatest peril.

For readers of such crusading works of nonfiction as Katherine Boo's *Beyond the Beautiful Forevers* and Tracy Kidder's *Mountains Beyond Mountains* comes a powerful and captivating examination of two entwined global crises: environmental destruction and human trafficking—and an inspiring, bold plan for how we can solve them. A leading expert on modern-day slavery, Kevin Bales has traveled to some of the world's most dangerous places documenting and battling human trafficking. In the course of his reporting, Bales began to notice a pattern emerging: Where slavery existed, so did massive, unchecked environmental destruction. But why? Bales set off to find the answer in a fascinating and moving journey that took him into the lives of modern-day slaves and along a supply chain that leads directly to the cellphones in our pockets. What he discovered is that even as it destroys individuals, families, and communities, new forms of slavery that proliferate in the world's lawless zones also pose a grave threat to the environment. Simply put, modern-day slavery is destroying the planet. The product of seven years of travel and research, *Blood and Earth* brings us dramatic stories from the world's most beautiful and tragic places, the environmental and human-rights hotspots where this crisis is concentrated. But it also tells the stories of some of the most common products we all consume—from computers to shrimp to jewelry—whose origins are found in these same places. *Blood and Earth* calls on us to recognize the grievous harm we have done to one another, put an end to it, and recommit to repairing the world. This is a clear-eyed and inspiring book that suggests how we can begin the work of healing humanity and the planet we share. Praise for *Blood and Earth* "A heart-wrenching narrative . . . Weaving together interviews, history, and statistics, the author shines a light on how the poverty, chaos, wars, and government corruption create the perfect storm where slavery flourishes and environmental destruction follows. . . . A clear-eyed account of man's inhumanity to man and Earth. Read it to get informed, and then take action."—Kirkus Reviews (starred review) "[An] exposé of the global economy's 'deadly dance' between slavery and environmental disaster . . . Based on extensive travels through eastern Congo's mineral mines, Bangladeshi fisheries, Ghanaian gold mines, and Brazilian forests, Bales reveals the appalling truth in graphic detail. . . . Readers will be deeply disturbed to learn how the links connecting slavery, environmental issues, and modern convenience are forged."—Publishers Weekly "This well-researched and vivid book studies the connection between slavery and environmental destruction, and what it will take to end both."—Shelf Awareness (starred review) "This is a remarkable book, demonstrating once more the deep links between the ongoing degradation of the planet and the ongoing degradation of its most vulnerable people. It's a bracing reminder that a mentality that allows throwaway people also allows a throwaway earth."—Bill McKibben, author of *Eaarth: Making a Life on a Tough New Planet*

Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. *A Maiden*... Chosen from birth to usher in a new era, Poppy's life has never been her

own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel.

Reviews for *From Blood and Ash*:  
"Dreamy, twisty, steamy escapism. Take me back!" -New York Times bestseller Wendy Higgins "Jennifer Armentrout has the power to control my emotions with every word she writes. From swooning to crying to racing through the pages to find out what happens next, I couldn't stop reading about Hawke and Poppy, and you won't be able to either." - Brigid Kemmerer, New York Times Bestselling Author of *A Curse So Dark and Lonely* "Action, adventure, sexiness, and angst! *From Blood and Ash* has it all and double that. So many feels and so many moments it made me cheer for the character. Read. This. Book! You'll be obsessed!" - Tijan NYT bestselling author "From Blood and Ash is a phenomenal fantasy novel that is filled to the brim with danger, mystery and heart melting romance. I loved every single second of it and I couldn't get enough of this new fantastical world. A heart stopping start to what is clearly going to be a stunning series, perfect for both those who love fantasy and those who are new to the genre. A must read." Kayleigh, K-Books "If you think you are ready for *From Blood and Ash*, think again. Jennifer L. Armentrout has woven a new fantasy universe that will leave you reeling. Filled with action, heart wrenching twists and the most delicious romance, this unputdownable novel comes with a warning: keep a fan close by, because the temperatures are about to rise." Elena, The Bibliotheque Blo "In this exciting new novel by Jennifer L. Armentrout, she introduces a fantastical world filled with immense detail, and characters who are poignant and fierce, Jennifer truly has out done herself!" – BookBesties "From Blood and Ash is a fantastic fantasy that will hook you immediately from the very first page! I loved every single moment and all of the characters are ones you will fall in love with! Jennifer L. Armentrout has done it again with her amazing writing skills and lots of detail! Get this book immediately!!!" - Amanda @Stuck In YA Books "Jennifer has stepped into the fantasy genre with this absolutely amazing novel. With characters you will love and more than a few twists and turns, get ready for one amazing adventure." -Perpetual Fangirl "This magnificent book has so many pieces in it: fantasy, mystery, forbidden romance, supernatural, lies, deceit, betrayal, love, friendship, family. And so, so, so many secrets your head will be spinning. Jennifer L. Armentrout has created another masterpiece that I will be rushing to buy, and will be telling everyone to read it ASAP!" ~Jeraca @My Nose in YA Books "From Blood to Ash is the first high fantasy book from Jennifer L Armentrout, but hopefully not the last. Like all her other works, her ability to create worlds, create swoon worthy men, and feisty strong female characters is amazing. Fantasy, mystery, romance, betrayal, love, and steamy scenes, this book has it all." - Lisa @ The Blonde Book Lover "From Blood & Ash is everything we love about JLA's fantasy writing...pumped up on steroids. There's epic world building and plot twists, a strong female lead, a swoon worthy book hottie, a steamy forbidden love story, and side characters that can't help but steal your heart. My mind was blown by the end of this book." - Kris S. (frantic4romantic) "Step into an exciting new fantasy world by Jennifer L. Armentrout, *From Blood And Ash* takes you on a fantastic ride with twists and turns galore. Characters you will love to laugh and cry with. A phenomenal start to an exciting new series." - Lori Dunn an avid reader "From Blood and Ash was everything I wanted in a high fantasy novel. The myths, the legends, the epic romance, and an adventure that will keep you on your toes beginning to end. I couldn't put the book down. Truly a brilliant start to what I believe will be yet another amazing series by Jennifer L. Armentrout." –Sabrina, Books Are My Life "Jennifer L. Armentrout takes her first step into the high fantasy genre with *From Blood and Ash*. A story of forbidden love, lies, secrets, and betrayal - it will leave you wanting more after the very last page." - Love Just Is Books "From Blood and Ash is like reading my favorite book for first time." - Raquel Herrera "With *From Blood and Ash*, Jennifer Armentrout successfully takes on the genre of high fantasy, proving, once again, that she is a master of her craft. Filled with epic adventure, forbidden romance, deceit, lies, and betrayal, *FB&A* draws you in from page one and refuses to let go!" - Erica, The Rest Just Falls Away "Jennifer L. Armentrout comes trough once again with *From Blood and Ash* as it kept me enthralled throughout the full book. You won't be able to put down this epic story once you start." - Julalicious Book Paradise "From Blood and Ash strikes the perfect balance between fantasy and romance elements leaving the world feeling live in and full while allowing the relationship between the main characters feeling real and authentic." - Nads Book Nook, Nadine Bergeron "Be prepared to spend your whole day reading *From Blood and Ash*. Once you start reading this high fantasy novel, you won't want to put it down." - Love Book Triangle "From Blood and Ash is absolutely breath taking. JLA does what she does best by creating a fantastical world filled with romance, lies, betrayal, adventure and all things we love and expect from JLA characters that melt our hearts and steal our hearts and souls. I cannot wait for the next one!" - Pia Colon "From Blood and Ash, Jennifer L. Armentrout brought to life a high fantasy that is enthralling. Another masterful addition to my collection. Get ready to stay on your toes from start to end." - Amy Oh, Reader by the Mountains "From Blood and Ash is the first high fantasy novel by Jennifer L Armentrout and she absolutely nails it. This is fantasy for skeptics and unbelievers because it makes you want to be a fantasy fan! This page turner makes you want to devour it in one night and at the same time savor every detail. Heart stopping and inspiring and grips you from page one." – Tracy Kirby "An intriguing puzzle of a world, a ruthless hero, a determine heroin, and a plot that will keep you up late, this book is one of

the best I've read this year." – Valerie from Stuck In Books "From Blood and Ash, a thrilling high fantasy that packs a punch, each page will leave you wanting more!" - Tracey, Books & Other Pursuits

Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

"This outstanding volume links the analysis of community and social organization with macro-level processes and history. Examines how gender, ethnicity, and local concepts of power relate to national identity, economy, and power. A fascinating discussion of Mexican society and the revolutionary change occurring along Mexico's northern border"--*Handbook of Latin American Studies*, v. 57.

The untold story of how Russia refined the art and science of targeted assassination abroad -- while Western spies watched in horror as their governments failed to guard against the threat. They thought they had found a safe haven in the green hills of England. They were wrong. One by one, the Russian oligarchs, dissidents, and gangsters who fled to Britain after Vladimir Putin came to power dropped dead in strange or suspicious circumstances. One by one, their British lawyers and fixers met similarly grisly ends. Yet, one by one, the British authorities shut down every investigation -- and carried on courting the Kremlin. The spies in the riverside headquarters of MI6 looked on with horror as the scope of the Kremlin's global killing campaign became all too clear. And, across the Atlantic, American intelligence officials watched with mounting alarm as the bodies piled up, concerned that the tide of death could spread to the United States. Those fears intensified when a one-time Kremlin henchman was found bludgeoned to death in a Washington, D.C. penthouse. But it wasn't until Putin's assassins unleashed a deadly chemical weapon on the streets of Britain, endangering hundreds of members of the public in a failed attempt to slay the double agent Sergei Skripal, that Western governments were finally forced to admit that the killing had spun out of control. Unflinchingly documenting the growing web of death on British and American soil, Heidi Blake bravely exposes the Kremlin's assassination campaign as part of Putin's ruthless pursuit of global dominance -- and reveals why Western governments have failed to stop the bloodshed. The unforgettable story that emerges whisks us from London's high-end night clubs to Miami's million-dollar hideouts ultimately renders a bone-chilling portrait of money, betrayal, and murder, written with the pace and propulsive power of a thriller. Based on a vast trove of unpublished documents, bags of discarded police evidence, and interviews with hundreds of insiders, this heart-stopping international investigation uncovers one of the most important -- and terrifying -- geopolitical stories of our time.

"Historian Heather Ann Thompson offers the first definitive telling of the Attica prison uprising, the state's violent response, and the victims' decades-long quest for justice--in time for the forty-fifth anniversary of the events"--  
Eighteen years ago, two princes vanished. Now a riddle hidden on a mysterious map could chart a course towards the truth and the missing royals in this historical fantasy that's perfect for fans of Rachel Hartman and Tamora Pierce.  
Eighteen years ago two princes of the island kingdom of St. John del Mar were kidnapped and murdered, a deadly plot by the rival kingdom of Mondrago. Everyone knows the story, but for Elias, Mercedes, and Ulises, the aftermath of that tragic day is deeply personal. Elias grew up without his father, who was killed trying to protect the princes. Mercedes is half-Mondragan, leaving her to grow up in the shadow of del Mar's hate. And Ulises, as the youngest and only remaining prince, inherited the throne meant for his older brothers. Now, the three friends just want to move on with their lives. But when two maps surface—each with the same hidden riddle—troubling questions arise. What really happened to the young princes? And why do the maps look like they were drawn by Elias's father, whose body was never found? To discover what really happened that fateful day, Elias, Mercedes, and Ulises must follow the clues hidden in the maps, uncovering long-held secrets and unimaginable betrayals along the way. But the truth is dangerous, and not everyone wants it to come out. *Isle of Blood and Stone* is a sweeping fantasy full of intrigue and schemes, romance and friendship, and fearless explorers searching for the truth.

It takes more than guts to win a war...In a Legion gone lax, Colonel Bill Booly, with his mixed-blood and by-the-book attitude, is a misfit. So when he steps on some important toes, his punishment is assignment to the worst post in the galaxy: Earth. But Booly and his troops will turn out to be Earth's best line of defense, when a Legion-led military coup topples the government. It's Legionnaire against Legionnaire in a struggle that will be won by strength, by courage, and...  
The New York Times bestselling author and International Thriller Writers "Best Novel" finalist Lisa Unger returns to the dark psychological suspense that made *Beautiful Lies* a bestseller around the world. Lana Granger lives a life of lies. She has told so many lies about where she comes from and who she is that the truth is like a cloudy nightmare she can't quite recall. About to graduate from college and with her trust fund almost tapped out, she takes a job babysitting a troubled boy named Luke. Expelled from schools all over the country, the manipulative young Luke is accustomed to controlling the people in his life. But, in Lana, he may have met his match. Or has Lana met hers? When Lana's closest friend, Beck, mysteriously disappears, Lana resumes her lying ways—to friends, to the police, to herself. The police have a lot of questions for Lana when the story about her whereabouts the night Beck disappeared doesn't jibe with eyewitness accounts. Lana will do anything to hide the truth, but it might not be

enough to keep her ominous secrets buried: someone else knows about Lana's lies. And he's dying to tell. Lisa Unger's writing has been hailed as "sensational" (Publishers Weekly) and "sophisticated" (New York Daily News), with "gripping narrative and evocative, muscular prose" (Associated Press). Masterfully suspenseful, finely crafted, and written with a no-holds-barred raw power, *In the Blood* is Unger at her best.

Through flashbacks, recollections, and short narratives, this story powerfully communicates an individual's experience of exile from an emotional and psychological perspective while at the same time linking the individual experience to the collective one."--BOOK JACKET.

A chilling investigation of America's only alleged case of blood libel, and what it reveals about antisemitism in the United States and Europe. On Saturday, September 22, 1928, Barbara Griffiths, age four, strayed into the woods surrounding the upstate village of Massena, New York. Hundreds of people looked everywhere for the child but could not find her. At one point, someone suggested that Barbara had been kidnapped and killed by Jews, and as the search continued, policemen and townspeople alike gave credence to the quickly spreading rumors. The allegation of ritual murder, known to Jews as "blood libel," took hold. To believe in the accusation seems bizarre at first glance—blood libel was essentially unknown in the United States. But a great many of Massena's inhabitants, both Christians and Jews, had emigrated recently from Central and Eastern Europe, where it was all too common. Historian Edward Berenson, himself a native of Massena, sheds light on the cross-cultural forces that ignited America's only known instance of blood libel, and traces its roots in Old World prejudice, homegrown antisemitism, and the resurgence of the Ku Klux Klan in the 1920s. Residues of all three have persisted until the present day. More than just the disturbing story of one town's embrace of an insidious anti-Jewish myth, *The Accusation* is a shocking and perceptive exploration of American and European responses to antisemitism.

From the renowned and best-selling author of *A History of God*, a sweeping exploration of religion and the history of human violence. For the first time, religious self-identification is on the decline in America. Some analysts have cited as cause a post-9/11 perception: that faith in general is a source of aggression, intolerance, and divisiveness—something bad for society. But how accurate is that view? With deep learning and sympathetic understanding, Karen Armstrong sets out to discover the truth about religion and violence in each of the world's great traditions, taking us on an astonishing journey from prehistoric times to the present. While many historians have looked at violence in connection with particular religious manifestations (jihad in Islam or Christianity's Crusades), Armstrong looks at each faith—not only Christianity and Islam, but also Buddhism, Hinduism, Confucianism, Daoism, and Judaism—in its totality over time. As she describes, each arose in an agrarian society with plenty powerful landowners brutalizing peasants while also warring among themselves over land, then the only real source of wealth. In this world, religion was not the discrete and personal matter it would become for us but rather something that permeated all aspects of society. And so it was that agrarian aggression, and the warrior ethos it begot, became bound up with observances of the sacred. In each tradition, however, a counterbalance to the warrior code also developed. Around sages, prophets, and mystics there grew up communities protesting the injustice and bloodshed endemic to agrarian society, the violence to which religion had become heir. And so by the time the great confessional faiths came of age, all understood themselves as ultimately devoted to peace, equality, and reconciliation, whatever the acts of violence perpetrated in their name. Industrialization and modernity have ushered in an epoch of spectacular and unexampled violence, although, as Armstrong explains, relatively little of it can be ascribed directly to religion. Nevertheless, she shows us how and in what measure religions, in their relative maturity, came to absorb modern belligerence—and what hope there might be for peace among believers of different creeds in our time. At a moment of rising geopolitical chaos, the imperative of mutual understanding between nations and faith communities has never been more urgent, the dangers of action based on misunderstanding never greater. Informed by Armstrong's sweeping erudition and personal commitment to the promotion of compassion, *Fields of Blood* makes vividly clear that religion is not the problem. Traces the life of the brutal Ugandan dictator, from his rise to power, through his tyrannical reign as president, to how he was eventually ousted.

Set in the magical world of *Renthia*, *The Queen of Blood* is Sarah Beth Durst's ambitious entry into adult epic fantasy. With the danger of Peter Brett's *The Warded Man*, heart of Naomi Novik's *Uprooted*, and lyricism of Patrick Rothfuss' *The Name of the Wind*, this is the first chapter in a series destined to be a classic. Everything has a spirit: the willow tree with leaves that kiss the pond, the stream that feeds the river, the wind that exhales fresh snow . . . But the spirits that reside within this land want to rid it of all humans. One woman stands between these malevolent spirits and the end of humankind: the queen. She alone has the magical power to prevent the spirits from destroying every man, woman, and child. But queens are still just human, and no matter how strong or good, the threat of danger always looms. With the position so precarious, young women are chosen to train as heirs. Daleina, a seemingly quiet academy student, is under no illusions as to her claim to the throne, but simply wants to right the wrongs that have befallen the land. Ven, a disgraced champion, has spent his exile secretly fighting against the growing number of spirit attacks. Joining forces, these daring partners embark on a treacherous quest to find the source of the spirits' restlessness—a journey that will test their courage and trust, and force them to stand against both enemies and friends to save their land . . . before it's bathed in blood.

Gracanica. Kosovo, 1689: Elena, an Albanian peasant girl, has sacrificed her own future to keep her family from starving, but one horrific night they are taken from her, murdered by monsters out of her nightmares. She seeks refuge at the nearby monastery, where she meets Stjepan, a Serbian monk familiar with creatures that stalk the night. Elena longs to return to her farm, but piecing her life back together may be impossible. Stjepan draws her into a dark conspiracy involving an ancient brotherhood, and as war looms, a stranger named Lek appears, threatening to overturn everything she thought she knew about her family and herself. Sarajevo, Bosnia and Herzegovina, 1999: Since surviving the showdown between the vampire Yasamin and the terrorist group Sleyman's Blade, Adam Mire has lived in hiding, posing as an unassuming Czech librarian. His life is upended again, however, when a new threat arises—one intent on using Dracula's legacy to unleash another wave of violence across the already war-ravaged nation. Meanwhile, Clara MacIntosh, the love Adam left behind, has come to Eastern Europe to find him. While tracking him down, she becomes entangled in a string of grisly murders—deaths Adam is investigating as well. As they both follow clues literally written in blood, time runs short to unmask the killer before history comes full-circle and chaos engulfs the region again.

The "riveting" true story of the fiery summer of 1970, which would forever transform the town of Oxford, North Carolina—a classic portrait of the fight for civil rights in the tradition of *To Kill a Mockingbird* \*Chicago Tribune On May 11, 1970, Henry Marrow, a

twenty-three-year-old black veteran, walked into a crossroads store owned by Robert Teel and came out running. Teel and two of his sons chased and beat Marrow, then killed him in public as he pleaded for his life. Like many small Southern towns, Oxford had barely been touched by the civil rights movement. But in the wake of the killing, young African Americans took to the streets. While lawyers battled in the courthouse, the Klan raged in the shadows and black Vietnam veterans torched the town's tobacco warehouses. Tyson's father, the pastor of Oxford's all-white Methodist church, urged the town to come to terms with its bloody racial history. In the end, however, the Tyson family was forced to move away. Tim Tyson's gripping narrative brings gritty blues truth and soaring gospel vision to a shocking episode of our history. FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE AWARD "If you want to read only one book to understand the uniquely American struggle for racial equality and the swirls of emotion around it, this is it."—Milwaukee Journal Sentinel "Blood Done Sign My Name is a most important book and one of the most powerful meditations on race in America that I have ever read."—Cleveland Plain Dealer "Pulses with vital paradox . . . It's a detached dissertation, a damning dark-night-of-the-white-soul, and a ripping yarn, all united by Tyson's powerful voice, a brainy, booming Bubba profundo."—Entertainment Weekly "Engaging and frequently stunning."—San Diego Union-Tribune

For fans of Gillian Flynn, Scott Smith, and Daniel Woodrell comes a gripping, suspenseful novel about two mysterious disappearances a generation apart. INTERNATIONAL THRILLER WRITERS AWARD WINNER AND BARRY AWARD NOMINEE FOR BEST FIRST NOVEL • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BOOKPAGE The town of Henbane sits deep in the Ozark Mountains. Folks there still whisper about Lucy Dane's mother, a bewitching stranger who appeared long enough to marry Carl Dane and then vanished when Lucy was just a child. Now on the brink of adulthood, Lucy experiences another loss when her friend Cheri disappears and is then found murdered, her body placed on display for all to see. Lucy's family has deep roots in the Ozarks, part of a community that is fiercely protective of its own. Yet despite her close ties to the land, and despite her family's influence, Lucy—darkly beautiful as her mother was—is always thought of by those around her as her mother's daughter. When Cheri disappears, Lucy is haunted by the two lost girls—the mother she never knew and the friend she couldn't save—and sets out with the help of a local boy, Daniel, to uncover the mystery behind Cheri's death. What Lucy discovers is a secret that pervades the secluded Missouri hills, and beyond that horrific revelation is a more personal one concerning what happened to her mother more than a decade earlier. *The Weight of Blood* is an urgent look at the dark side of a bucolic landscape beyond the arm of the law, where a person can easily disappear without a trace. Laura McHugh proves herself a masterly storyteller who has created a harsh and tangled terrain as alive and unforgettable as the characters who inhabit it. Her mesmerizing debut is a compelling exploration of the meaning of family: the sacrifices we make, the secrets we keep, and the lengths to which we will go to protect the ones we love. Praise for *The Weight of Blood* "[An] expertly crafted thriller."—Entertainment Weekly, "The Must List" "Haunting . . . [a] riveting debut."—Los Angeles Times "Laura McHugh's atmospheric debut . . . conjures a menacingly beautiful Ozark setting and a nest of poisonous family secrets reminiscent of Daniel Woodrell's *Winter's Bone*."—Vogue "Fantastic . . . a mile-a-minute thriller."—The Dallas Morning News

A brilliantly conceived and vividly drawn story—Washington, D.C. on the eve of Abraham Lincoln's historic second inaugural address as the lens through which to understand all the complexities of the Civil War By March 4, 1865, the Civil War had slaughtered more than 700,000 Americans and left intractable wounds on the nation. After a morning of rain-drenched fury, tens of thousands crowded Washington's Capitol grounds that day to see Abraham Lincoln take the oath for a second term. As the sun emerged, Lincoln rose to give perhaps the greatest inaugural address in American history, stunning the nation by arguing, in a brief 701 words, that both sides had been wrong, and that the war's unimaginable horrors—every drop of blood spilled—might well have been God's just verdict on the national sin of slavery. Edward Achorn reveals the nation's capital on that momentous day—with its mud, sewage, and saloons, its prostitutes, spies, reporters, social-climbing spouses and power-hungry politicians—as a microcosm of all the opposing forces that had driven the country apart. A host of characters, unknown and famous, had converged on Washington—from grievously wounded Union colonel Selden Connor in a Washington hospital and the embarrassingly drunk new vice president, Andrew Johnson, to poet-journalist Walt Whitman; from soldiers' advocate Clara Barton and African American leader and Lincoln critic-turned-admirer Frederick Douglass (who called the speech "a sacred effort") to conflicted actor John Wilkes Booth—all swirling around the complex figure of Lincoln. In indelible scenes, Achorn vividly captures the frenzy in the nation's capital at this crucial moment in America's history and the tension-filled hope and despair afflicting the country as a whole, soon to be heightened by Lincoln's assassination. His story offers new understanding of our great national crisis, and echoes down the decades to resonate in our own time.

London. A snowy December, 1888. Sherlock Holmes, 34, is languishing and back on cocaine after a disastrous Ripper investigation. Watson can neither comfort nor rouse his friend – until a strangely encoded letter arrives from Paris.

Zelie Adebola remembers when the soil of Or sha hummed with magic. Burners ignited flames, Tidlers beckoned waves, and Zelie's Reaper mother summoned forth souls. But everything changed the night magic disappeared. Under the orders of a ruthless king, maji were killed, leaving Zelie without a mother and her people without hope.

"She was our conscience. Our seer. Our truth-teller. She was a magician with language, who understood the power of words." - Oprah Winfrey A vital non-fiction collection from one of the most celebrated and revered American writers. Spanning four decades, these essays, speeches and meditations interrogate the world around us. They are concerned with race, gender and globalisation. The sweep of American history and the current state of politics. The duty of the press and the role of the artist. Throughout *Mouth Full of Blood* our search for truth, moral integrity and expertise is met by Toni Morrison with controlled anger, elegance and literary excellence. The collection is structured in three parts and these are heart-stoppingly introduced by a prayer for the dead of 9/11, a meditation on Martin Luther King and a eulogy for James

Baldwin. Morrison's Nobel lecture, on the power of language, is accompanied by lectures to Amnesty International and the Newspaper Association of America. She speaks to graduating students and visitors to both the Louvre and America's Black Holocaust Museum. She revisits *The Bluest Eye*, *Sula* and *Beloved*; reassessing the novels that have become touchstones for generations of readers. *Mouth Full of Blood* is a powerful, erudite and essential gathering of ideas that speaks to us all. It celebrates Morrison's extraordinary contribution to the literary world.

The author presents his perspectives and personal experiences on mentalism and how it can be used to tap into the mind's hidden powers.

An eye-opening exploration of blood, the life-giving substance with the power of taboo, the value of diamonds and the promise of breakthrough science. Blood carries life, yet the sight of it makes people faint. It is a waste product and a commodity pricier than oil. It can save lives and transmit deadly infections. Each one of us has roughly nine pints of it, yet many don't even know their own blood type. And for all its ubiquitousness, the few tablespoons of blood discharged by 800 million women are still regarded as taboo: menstruation is perhaps the single most demonized biological event. Rose George, author of *The Big Necessity*, is renowned for her intrepid work on topics that are invisible but vitally important. In *Nine Pints*, she takes us from ancient practices of bloodletting to the breakthrough of the "liquid biopsy," which promises to diagnose cancer and other diseases with a simple blood test. She introduces Janet Vaughan, who set up the world's first system of mass blood donation during the Blitz, and Arunachalam Muruganatham, known as "Menstrual Man" for his work on sanitary pads for developing countries. She probes the lucrative business of plasma transfusions, in which the US is known as the "OPEC of plasma." And she looks to the future, as researchers seek to bring synthetic blood to a hospital near you. Spanning science and politics, stories and global epidemics, *Nine Pints* reveals our life's blood in an entirely new light. *Nine Pints* was named one of Bill Gates recommended summer reading titles for 2019.

A half-elf seeks a cure in the mysterious Shadowlands. But there is a greater threat within the shadows, an ancient magic of demons called The Blood. Kealin Half-Elf has only been like this for a few weeks. He feels a hunger he never had before... Before this, he had mastered the power of his ancient Dwemhar heritage and fought an ascended being... but he too was mortally injured. In an act of desperation, vampirism was used to preserve his life and now he must hurry to reverse the effect before he is forever trapped in a state of maniacal blood lust. But the Shadowlands are not a place for a pale elf... and even more so one that has the ancient Dwemhar blood. Even worse, his traveling companions have their own secrets including the shadow elf Evurn, a mysterious wizard Kealin has only just met. In the darkness of what is to come, Kealin will have few choices if he is to save himself and those he cares about. But the one choice he might need to make, will mean losing everything else he fights to hold on to. If you're a fan of epic fantasy, explosive sorcery and sword play, with an elixir of political intrigue and religious zealotry, you're in for a treat. In this new novel by USA TODAY BESTSELLING author J.T. Williams, you get a story set in a world of over twenty-five novels and counting. But don't worry, this book is a perfect starting place if you're new! Are you ready? Scroll up and buy it now!

The Age of Kings is dead . . . and I have killed it. It's a bloody business overthrowing a king... Field Marshal Tamas' coup against his king sent corrupt aristocrats to the guillotine and brought bread to the starving. But it also provoked war with the Nine Nations, internal attacks by royalist fanatics, and the greedy to scramble for money and power by Tamas's supposed allies: the Church, workers unions, and mercenary forces. It's up to a few... Stretched to his limit, Tamas is relying heavily on his few remaining powder mages, including the embittered Taniel, a brilliant marksman who also happens to be his estranged son, and Adamat, a retired police inspector whose loyalty is being tested by blackmail. But when gods are involved... Now, as attacks batter them from within and without, the credulous are whispering about omens of death and destruction. Just old peasant legends about the gods waking to walk the earth. No modern educated man believes that sort of thing. But they should... In a rich, distinctive world that mixes magic with technology, who could stand against mages that control gunpowder and bullets? *PROMISE OF BLOOD* is the start of a new epic fantasy series from Brian McClellan. Winner of the David Gemmell Morningstar Award for Best Debut Fantasy.

Taking a downtown office to plot his comeback in tumultuous 1970s San Francisco, a disgraced professor eavesdrops on a woman's therapy sessions and becomes enraptured by her struggles with identity and ongoing search for her war-torn Jewish-German birth family. By the award-winning author of *The Bug*. 50,000 first printing.

*Bow Before Your Queen Or Bleed Before Her...* From #1 New York Times bestselling author Jennifer L. Armentrout comes book three in her *Blood and Ash* series. She's been the victim and the survivor... Poppy never dreamed she would find the love she's found with Prince Casteel. She wants to revel in her happiness but first they must free his brother and find hers. It's a dangerous mission and one with far-reaching consequences neither dreamed of. Because Poppy is the Chosen, the Blessed. The true ruler of Atlantia. She carries the blood of the King of Gods within her. By right the crown and the kingdom are hers. The enemy and the warrior... Poppy has only ever wanted to control her own life, not the lives of others, but now she must choose to either forsake her birthright or seize the gilded crown and become the Queen of Flesh and Fire. But as the kingdoms' dark sins and blood-drenched secrets finally unravel, a long-forgotten power rises to pose a genuine threat. And they will stop at nothing to ensure that the crown never sits upon Poppy's head. A lover and heartmate... But the greatest threat to them and to Atlantia is what awaits in the far west, where the Queen of Blood and Ash has her own plans, ones she has waited hundreds of years to carry out. Poppy and Casteel must consider the impossible—travel to the Lands of the Gods and wake the King himself. And as shocking secrets and the harshest betrayals come to light, and enemies emerge to threaten everything Poppy and Casteel have fought for, they will discover just how far they are willing to go for their people—and each other. And now she will become Queen...
