to know God. When one thinks of a Soul Mate or Twin Flame, they might equate it to a passionate romantic relationship where you're making love on a white sandy palm tree lined beach in paradise for the rest of your lives. This beautiful mythological notion has caused great turmoil in others who long for this person that fits the description of a lothario character in a romance novel. It is also an unrealistic and misguided interpretation of the Soul Mate or Twin Flame dynamic. Twin Flame Soul Connections discusses and lists some of the various myths and truths surrounding the Twin Flames, and how to identify if you've come into contact with your Twin Flame, or if you know someone who has. The ultimate goal is not to find ones Twin Flame, but to awaken ones heart to love, and to work on becoming complete and whole as an individual soul through spiritual self-mastery, life lessons, growth, and raising your consciousness. Your soul's life was born out of love and will die right back into that love.
