Recent books about heaven and hell have aroused the interest of committed Christians and curious seekers alike. But the wide range of viewpoints has also created confusion and left many people wondering what they are to believe. This user-friendly guide presents the most popular views on heaven, hell, purgatory, judgment, and related topics, followed by brief, easy-to-follow analysis. Readers will be equipped to make their own well-informed decisions about questions like these: What happens when we die? Where did the idea of purgatory come from? Will our bodies be resurrected someday? If so, does cremation offend God? Will unbelievers be judged by God and punished in hell forever? Or will they be annihilated? What about those who never heard the gospel message? This summary of the latest Evangelical teaching and traditional mainstream scholarship provides readers with tools to assess each position in the light of Scripture.

Edward M. Smiling tackles topics such as living, dying, human souls, and angels. He distinguishes between earthly and heavenly bodies and discusses those who have been brought to Heaven alive. What is the difference among the First, Second, and Third Heavens, and what will the New Jerusalem look like? These things and more will be explored in great detail. Each chapter is approached in simple terms through a relatable voice. Scientific facts and scripture blend together beautifully, describing the complexities of our universe and the Heaven that hangs above it all. Smiling knows that it isn't wrong to have questions about such matters, because seeking out the answers deepens your faith. Strengthen your relationship with God and secure your spot in Heaven with this insightful book.

Paula Gooder considers the ways in which the Bible sees heaven and earth connecting, and explores all the major strands of belief about life after death, including the role of paradise, and what happens between death and resurrection. She shows how the biblical writers see heaven and earth as closely connected, so that what happens in heaven affects events on earth and vice versa.

The author draws on his own near-death experience to describe the reality of heaven and to explain how it is possible, by relying on God's love, to transform life challenges into blessings.

In heaven we shall know everlasting rest and the full measure of our inheritance. Though no eye has seen what God has prepared for us, from Revelation 21-22 we can understand a little of what heaven will feel like. We shall know a new freedom, economy, purity, peace, and so much more. Those will be the simple experiences. The greater experiences will be in everlasting love, most especially in an everlasting marriage and an enduring intimate community. Likewise, we shall know a growing and everlasting security within our grand heritage within God's promises and in the work of Christ. Yet the greatest experience of all is also the hardest to understand, because it is the farthest removed from our earthly experience. The greatest experience of all will be that—for the rest of our everlasting loving lives—we will share in the very life and glory of our dynamic and loving God, our loving Father and Abba. The greatest experience in heaven will be the very life and light that we share with God Himself, so very personal and loving to the uttermost.

What will heaven be like? Randy Alcorn presents a thoroughly biblical answer, based on years of careful study, presented in an engaging, reader-friendly style. His conclusions will surprise readers and stretch their thinking about this important subject. Heaven will inspire readers to long for heaven while they're living on earth.

Between these covers, in the form of poems and prayers, is condensed the insight and spirituality of a life lived fully in South Africa, a country first in struggle and then in transition. They are wide-ranging in their style and subject matter—from free-verse to traditional forms, from heartfelt prayers to light-hearted poems, from poems on nature to poems that ask deep spiritual questions, from poems and prayers written when all is light and full of joy, to those that take one into the depths of loss and grief. In short, they will take you between heaven and earth. They are interspersed with whimsical drawings that enhance the experience.

**INTERNATIONAL BEST SELLER HEAVEN IS SO REAL! WITH OVER 1 MILLION COPIES SOLD** Do you believe heaven really exists? Choo Thomas retells a stunning, personal story of how she saw the living Christ, visited Hell, and walked in Heaven. "On January 19, 1996, I woke up at 3:00 in the morning. My body was shaking...I turned my head on the pillow to look in the direction of the sound, and there, all aglow, was a figure dressed in white garments. **IT WAS THE LORD...**" How could this be happening to me? I wondered...as I began to tremble...and to weep tears of love and joy. "My daughter...I am your Lord, and I want to talk to you. I am going to visit you many times before this work is done." "The impact of His voice, His words, His message hit me with a supernatural force..." Not once not twice but ten times that month, the Lord Jesus appeared by her bedside and spoke to her. Then the journey began.... **SHARE** Choo's humble narrative, as each heavenly visit prepares her for the next. **SENSE** the growing wonder of Jesus presence. **FEEL** the weight of His tender words. **JOURNEY** through heaven led by the Savior learning His holy thoughts. **HEAR** the heart-tearing, supernatural words spoken from the throne. **DRINK** in the Spirit of God. **WONDER** at the beauty of this revelation of heaven.

There is no greater controversial person in the world than Jesus the Christ. For over two thousand years, speculation has been lurking in the background about religious control of belief by the church and church dogma in general. Where many people stop in Sunday school, author Dean Eyerly moves beyond in his historical research about this man named Jesus and his historical search for his true beliefs and teaching. Along the way, historical writings were discovered that provided more detail surrounding his life, death, and resurrection. Having been inspired to study after being presented with conflicting historical information, Eyerly began to study outside of traditional data surrounding Jesus in 2003 in order to find a firmer grasp on what history says about Jesus. To no surprise, The answers he found were not always in line with what the Bible says, and Eyerly argues that what we are commonly taught in church isn't the full story. There are several documents and

writings discovered that go against modern constructs and tradition as we Christians know of the faith today. Dean has studied through the many documents that go against modern constructs and tradition and shows readers what they say about Jesus, his followers, and possibly why these documents were rejected and pushed into the dark. See how these stark differences in belief are considered so dangerous by the church and not by Jesus. Between Heaven and Hell is a compilation of research shaped into a timeline that begins before the birth of Christ and moves into the Common Era. Dean draws from many non-canonical references and Gnostic literature in presenting a broader perspective on the many differing thoughts and views concerning the person of Jesus. Is there good evidence that Jesus was who we think he was? Was he really born of a virgin? Who really wrote the Bible? These questions must start from somewhere. Discover what you might find in this thought provoking presentation of 'un-safe' information that lies Between Heaven and Hell. Dean Eyerly conducts biblical research as a hobby and enjoys sharing with others what he finds. Eyerly firmly believes, As do all of mankind, that Jesus is extra-ordinary, And The Being that all earthly people should emulate. Eyerly currently resides in Holland, Ohio.

Have you experienced the loss of a child? Tommy Mann felt the heartrending grief of losing three children to miscarriages. Beginning his ministry as a pastor, he struggled to be strong for his wife and understand for himself why they had to endure so much loss. In the midst of the pain, God brought peace and eventual joy through the birth of a daughter. Asleep in Heaven's Nursery includes the personal story of losing a child and offers comfort for grieving parents, addressing questions such as the following: \*When is a baby considered a life? \*Is my baby really in heaven? \*What will my baby look like in heaven? \*Is there an age of accountability? \*Is God punishing me? \*Is adoption really a good alternative to abortion? \*Can I be forgiven for my abortion? Each issue is thoroughly addressed and given concrete scriptural and logical support. As one who has found hope picturing his lost children Asleep in Heaven's Nursery, Tommy Mann brings a powerful message of renewal and consolation.

Martin Warner sets out to explore the enterprise of being a Christian. As a guide for this exploration Warner boldly uses the prayers said by the celebrant of the Eucharist while putting on the priestly vestments. These prayers focus attention on aspects of life that are common to us all: hands, mind, fashion, commitment and celebration. What we discover here is an extended meditation on faith in Jesus Christ. It is an account that directs our attention unflinchingly to the reality of life without losing sight of heaven as our destiny.

A 9/11 survivor tells of her escape from the Twin Towers and her transformation from a career-focused life to a God-focused life; now in paperback.

Be Transformed by a Glimpse of Paradise · What will heaven be like? What will we do? Who will we see? · How can I become more excited about heaven as my true home? · Is it possible that knowing more about heaven will result in greater joy and purpose in my daily life? It's not easy separating fact from fiction when it comes to heaven, nor is it always easy to see how the afterlife can affect our lives today. After a car accident caused his nineteen-year-old son to unexpectedly enter heaven, Pastor Steve Berger chose to reject despair and commit himself to carefully studying his son's new, eternal home. He had no idea how much there was to learn, and his life hasn't been the same since. This biblical and deeply personal study of heaven will give you hope for the future. But more than that, it will show you what it means to live today in light of the reality of heaven. If your view of heaven isn't life-changing, it needs to be adjusted. Let Pastor Berger's exploration of eternity fill you with overflowing hope, courage, and purpose. "Sometimes we feel stuck--stuck between the hope of heaven and the pain of this world. In Between Heaven and Earth, my friend Steve Berger shows us how to not only live in that tension, but how--and why--we should embrace it."--Dave Ramsey, New York Times bestselling author and nationally syndicated radio show host "I grew up hearing people say, 'Some Christians are so heavenly minded they are of no earthly good.' Nowadays it seems like the church has become so earthly minded we're of no heavenly good. In Between Heaven and Earth, my friend Pastor Steve Berger shows us the absolute necessity of having a heavenly mind-set (Colossians 3:1-2) in order to make a real difference in people's lives while we remain on earth. Embrace the truths of this book--learn how to have your heart in heaven and your hand in the harvest. It's one decision you'll never regret!"--Jeremy Camp "When my friend Steve Berger talks about heaven, I sit up and listen. I've walked with Steve as he's faced the trials of this life, and I've observed how he has emerged with a deeper faith and love for the Father and the people around him. What he has taught me makes me long for heaven. It also makes me want to spend my time on earth making a difference . . . and finishing well."--Michael W. Smith "A beloved pastor and teacher, Steve Berger taught for years on the reality of heaven even as we serve Christ on earth, never knowing that one tragic event would bring both realities irrevocably into sharp focus in a moment. . . . Some of God's greatest mysteries are wrapped up in tragedy, but the tear-stained wisdom mined in that darkness is a gift to us all. In this marvelous book, heaven will become a greater reality even as we are invited to live our lives on earth with greater passion."--Sheila Walsh, author of The Storm Inside "Steve has a rich, compelling perspective on Glory that will give you fresh grace to lean into the perfect love of Jesus today. Therefore, I encourage readers not to stop at just one--instead buy a whole case of these puppies and pass them out to all your friends and family!"--Lisa Harper, author, Bible teacher and Women of Faith speaker "In stark contrast to the Bible--and the whole of Christian history--today's believers think little about heaven and much about the comforts, challenges, and distractions of this life. In this much-needed corrective, Pastor Steve Berger challenges and equips us to be more heavenly minded, so we can, in fact, be more earthly good."--Michael Hyatt, New York Times bestselling author

In this award-winning, lighthearted drama, Archangel Michael, the celestial defender of humanity, finds his job on the line. The High Council in Heaven is about to strip him of his wings because things on Earth are going to hell. Michael is about to lose his position to Semyaza, the evil Lord of Darkness and leader of the fallen angels. Nicole, an innocent, yet bumbling untrained angel volunteers to be a flight attendant to help Michael in his final campaign. She quickly learns what makes Michael's airline unique is a seat assignment system specifically designed to allow passengers the opportunity to balance their heavy karmic and emotional baggage with their assigned seatmate--not only from this lifetime, but from past and future lives as well. With the right person sitting on the right flight in the right seat, the traveling public is unaware that they are being served by angels and being given the opportunity to learn their soul's most important lessons before they reach their destination. Caught in the vicious clash of the Dark against the Light, Nicole loses her own battle when she succumbs to the worldly temptations offered by Semyaza. In this harrowing race against time, Michael is now forced to choose between saving humanity or saving Nicole, the young, vulnerable angel who he secretly desires. With Semyaza's plans running on time and on course, who does Michael choose? And who saves him from his own pending demise? Find out in Flying Between Heaven and Earth! Congratulations to Gina E. "A collection of writings on the subject of heaven from some of the greatest religious thinkers of the Christian faith"--Provided by publisher. DJ is David McLean's eldest grandson, so it stands to reason that he be the one to scatter his beloved grandfather's ashes. At least that's how DJ sees it. He's always been the best at everything—sports, school, looking after his fatherless family—so climbing Kilimanjaro is just another thing he'll accomplish almost effortlessly. Or so he thinks, until he arrives in Tanzania and everything starts to go wrong. He's detained at immigration, he gets robbed, his climbing group includes an old lady and he gets stuck with the first ever female porter. Forced to go polepole (slowly), DJ finds out the hard way that youth, fitness level and drive have nothing to do with success on the mountain—or in life. DJ's adventures start in Jungle Land, part of The Seven Prequels and continue in Sleeper, part of The Seven Sequels.

This book is for anyone concerned with the meaning of our journey through Life. It is the story of a young man's encounters with a Teacher of Truth – the ever present, ever hidden Way that supports Humanity. It is a testimony of the hopes, doubts, fears, thirst for knowledge and growth of a contemporary "Seeker", played out against the backdrop of a provincial Italian town: A young boy's sadness at his father's early death prompts the first, unformed questions and yearnings to understand the mystery of life A young man's faltering steps to encounter "spirituality" through Eastern disciplines A series of "coincidences" giving rise to extra-ordinary encounters with a Teacher of Truth, hidden, yet visible, "in" but not "of" the world It is a journey towards self-discovery and the Light that is in all of us, buried by our personalities and forgotten through our distractions and indifference. It is a journey towards the true Heart that, although almost forgotten, has never stopped calling. This book is testimony to the Teaching and to the Seeker's experiences as a disciple and friend of an extraordinary Teacher, Alfredo, who represents and upholds the profound Work of the Way.

This compilation of short stories, exposing the police subculture, dream interpretation and symbolism, will take the reader on a journey into the psychological underpinnings of the human mind. The primordial battle between good and evil continues on a day-to-day basis in the lives of those who are exposed to the various scenarios presented by the author. Sometimes what one imagines is not always what is reality. We all are, at various moments in our lives, on the edge of the abyss, wondering if there is a way out.

Between Heaven and Earth explores the relationships men, women, and children have formed with the Virgin Mary and the saints in twentieth-century American Catholic history, and reflects, more broadly, on how people live in the company of sacred figures and how these relationships shape the ties between people on earth. In this boldly argued and beautifully written book, Robert Orsi also considers how scholars of religion occupy the ground in between belief and analysis, faith and scholarship. Orsi infuses his analysis with an autobiographical voice steeped in his own Italian-American Catholic background--from the devotion of his uncle Sal, who had cerebral palsy, to a "crippled saint," Margaret of Castello; to the bond of his Tuscan grandmother with Saint Gemma Galgani. Religion exists not as a medium of making meanings, Orsi maintains, but as a network of relationships between heaven and earth involving people of all ages as well as the many sacred figures they hold dear. Orsi argues that modern academic theorizing about religion has long sanctioned dubious distinctions between "good" or "real" religious expression on the one hand and "bad" or "bogus" religion on the other, which marginalize these everyday relationships with sacred figures. This book is a brilliant critical inquiry into the lives that people make, for better or worse, between heaven and earth, and into the ways scholars of religion could better study of these worlds.

The New York Times bestselling authors of Lessons from the Light offer a new and provocative understanding of heaven and how messages from the afterlife can assist you in the here and now. We live in a world of near-universal acceptance that once our lives on the earth come to an end we continue to a greater world. Whether that destination is called "Heaven," "Nirvana," or simply "The Other Side," tradition teaches us that there is, in most cases, a fairy-tale ending to life, a place where joy and harmony reigns supreme. Yet, as this book attests there is still more to heaven and earth than is dreamt of in our philosophies. George Anderson is considered by many to be the greatest medium living today. After more than 50 years of hearing from souls who have transitioned to the world hereafter, he is constantly reminded by those who have passed that our preconceived notions of this life--and the next--aren't always accurate. The nine stories in this book illuminate times when unusual circumstances such as sudden death, unresolved emotions, abusive relationships, and painful family dynamics, make it necessary for the dead and the living to find new doors to healing. In session with Anderson, survivors and those who have passed meet again in encounters that are profound, bittersweet, highly-emotional and sometimes, downright, funny. What we learn is that there are little-known spiritual treasures--and lessons to be learned--about heaven and earth that can restore, revitalize, and make new what was once broken. Life Between Heaven and Earth is an inspiring, thought-provoking, path-changing work, one that affirms that no matter how complicated a circumstance is, resolution, peace and acceptance can be found in deep and remarkable ways.

As he is driving home from a minister's conference, Baptist minister Don Piper collides with a semi-truck that crosses into his lane. He is pronounced dead at the scene. For the next 90 minutes, Piper experiences heaven where he is greeted by those who had influenced him spiritually. He hears beautiful music and feels true peace. Back on earth, a passing minister who had also been at the conference is led to pray for Don even though he knows the man is dead. Piper miraculously comes back to life and the bliss of heaven is replaced by a long and painful recovery. For years Piper kept his heavenly experience to himself. Finally, however, friends and family convinced him to share his remarkable story.

Between Heaven & Hell: Genesis By: Brandon M. Davis In this fantasy sci-fi story, a group of men and women known as the Guardians have been charged with protecting humanity as heaven and hell clash on earth. Being assigned with this dangerous and stressful task, we see how these warriors deal with the horrid nature of their job all while balancing their life with their teammates and managing the trauma that shapes them. Shockingly, this time it's not just demons that threaten mankind but angels lead by the arch Michael. How can the Guardians protect humanity from the denizens of Hell and the sword of God himself?
