

## Exploding The Israel Deception By Steve Wohlberg

Mr. Wohlberg unveils the New Testament teaching of two Israel's—an Israel after the flesh (1 Cor. 10:18) and the Israel of God centered in Jesus Christ (Gal. 6:14-16)—then proves conclusively that Armageddon swirls around God's spiritual Israel, not the Middle East.

In West Bank cities and small villages alike, men and women, young and old—a group of unforgettable characters—share their lives with Ehrenreich and make their own case for resistance and resilience in the face of life under occupation. Ruled by the Israeli military, set upon and harassed constantly by Israeli settlers who admit unapologetically to wanting to drive them from the land, forced to negotiate an ever more elaborate and more suffocating series of fences, checkpoints and barriers that have sundered home from field, home from home, they are a population whose living conditions are unique, and indeed hard to imagine.

Grand Deceptions is a compact study of Zionism exploring: - Israeli intrigue behind the 9/11 attacks and the fraudulent "war on terror" - The Zionist roots of neoconservatism and their central role in fomenting Middle East wars - Zionist manipulation behind the World Wars in order to establish Israel - Their collusion with the Nazis to expedite Jewish emigration to Palestine - Their key role in the Bolshevik revolution and Stalin's murderous regime - The fabrication of Holocaust history to suit Zionist geopolitical imperatives - The Zionist impetus behind Cultural Marxism and the Frankfurt School - And more

NEW YORK TIMES BESTSELLER • The first definitive history of the Mossad, Shin Bet, and the IDF's targeted killing programs, hailed by The New York Times as "an exceptional work, a humane book about an incendiary subject." WINNER OF THE NATIONAL JEWISH BOOK AWARD IN HISTORY NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY JENNIFER SZALAI, THE NEW YORK TIMES NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Economist • The New York Times Book Review • BBC History Magazine • Mother Jones • Kirkus Reviews The Talmud says: "If someone comes to kill you, rise up and kill him first." This instinct to take every measure, even the most aggressive, to defend the Jewish people is hardwired into Israel's DNA. From the very beginning of its statehood in 1948, protecting the nation from harm has been the responsibility of its intelligence community and armed services, and there is one weapon in their vast arsenal that they have relied upon to thwart the most serious threats: Targeted assassinations have been used countless times, on enemies large and small, sometimes in response to attacks against the Israeli people and sometimes preemptively. In this page-turning, eye-opening book, journalist and military analyst Ronen Bergman—praised by David Remnick as "arguably [Israel's] best investigative reporter"—offers a riveting inside account of the targeted killing programs: their successes, their failures, and the moral and political price exacted on the men and women who approved and carried out the missions. Bergman has gained the exceedingly rare cooperation of many current and former members of the Israeli government, including Prime Ministers Shimon Peres, Ehud Barak, Ariel Sharon, and Benjamin Netanyahu, as well as high-level figures in the country's military and intelligence services: the IDF (Israel Defense Forces), the Mossad (the world's most feared intelligence agency), Caesarea (a "Mossad within the Mossad" that carries out attacks on the highest-value targets), and the Shin Bet (an internal security service that implemented the largest targeted assassination campaign ever, in order to stop what had once appeared to be unstoppable: suicide terrorism). Including never-before-reported, behind-the-curtain accounts of key operations, and based on hundreds of on-the-record interviews and thousands of files to which Bergman has gotten exclusive access over his decades of reporting, Rise and Kill First brings us deep into the heart of Israel's most secret activities. Bergman traces, from statehood to the present, the gripping events and thorny ethical questions underlying Israel's targeted killing campaign, which has shaped the Israeli nation, the Middle East, and the entire world. "A remarkable feat of fearless and responsible reporting . . . important, timely, and informative."—John le Carré

9/11 happened in 2001 but still the true perpetrators of this crime have not been held accountable. There is a lot of evidence which suggests that Israel, Mossad and their Jewish Zionist control of the American government and Media were behind the planning and carrying out of the atrocities of 9/11 as well as their connection to the 7/7 bombings in London and many other terrorist atrocities. No one in the American media, Newspapers, T.V networks dare go down the route of blaming Israel. Jewish Zionist's control the American Government and media, so it is obvious that they will not investigate an Israeli connection to 9/11. Lately they have been trying to blame Saudi Arabia for 9/11 but this is a deception so that nobody looks at Israel or America as the guilty party. Officially they hoodwinked the masses into believing a fairy story that 19 Muslim men with box cutters hijacked planes and caused mayhem on 9/11. Muslims just happen to be Israel's biggest enemy and more than once in the past Israel has tried to frame Muslims for terror atrocities that they have carried out and we will go through these Israel false flag events in this book. Many respected and distinguished university Professors, Architects and Structural Engineers have expressed significant criticism of the 9/11 Commission Report. A number even allege government complicity in the terrorist acts of 9/11. All of the highly educated Professors, Architects and Structural Engineers of AE9/11truth.org call into question the official 9/11 story, in fact they suggest it was a lie. "Many technical analyses cast doubt on the official explanation of the collapse of three World Trade Center buildings, including those presented by an impressive new group: Architects and Engineers for 9/11 Truth. More difficult than discovering the truth, however, is convincing most of the public to accept. Analyses by many experts reveal the collapse of the three WTC buildings was not caused by the two airplanes exploding into the twin towers. The general view is that the buildings were brought down by controlled demolition, - Joel S. Hirschhorn, MS (Metallurgical Engineering), PhD (Materials Engineering) - Professor of Metallurgical Engineering, University of Wisconsin. "Israeli intelligence service, Mossad, was involved in the attacks and that it warned Israelis to avoid the Twin Towers in the days before 9/11", - Andreas von Bulow--former German Defense Minister.

FROM A BESTSELLING AUTHOR! Who exactly was the historical Jesus Christ? Do you really know the Biblical Jesus and what the Bible says about him: both the human nature of Jesus and the divine nature of Christ? The miracles and wonders attributed to Christ? The role of Jesus as Savior and prophet? Although millions claim to know Jesus or to have found the Lord, exactly what do they know or what have they found? This book includes dozens of questions and answers from the Bible that may (or may not) challenge just how much you really know about Jesus of Nazareth, Jesus the Messiah, the King of Israel, Son of God, Savior, Christ. What does it all mean? Does Scripture explain any of these titles given to Jesus? As a firm believer myself, this is not an agnostic book! Rather, it's a chance to really explore what we all know (or claim to know) about the Jesus we believe in. It may make you think, it might startle or confuse you at times, it might even make you learn more than you ever knew before.

Every day, billions of photographs, news stories, songs, X-rays, TV shows, phone calls, and emails are being scattered around the world as sequences of zeroes and ones: bits. We can't escape this explosion of digital information and few of us want to—the

benefits are too seductive. The technology has enabled unprecedented innovation, collaboration, entertainment, and democratic participation. But the same engineering marvels are shattering centuries-old assumptions about privacy, identity, free expression, and personal control as more and more details of our lives are captured as digital data. Can you control who sees all that personal information about you? Can email be truly confidential, when nothing seems to be private? Shouldn't the Internet be censored the way radio and TV are? Is it really a federal crime to download music? When you use Google or Yahoo! to search for something, how do they decide which sites to show you? Do you still have free speech in the digital world? Do you have a voice in shaping government or corporate policies about any of this? *Blown to Bits* offers provocative answers to these questions and tells intriguing real-life stories. This book is a wake-up call to the human consequences of the digital explosion.

\*Man Booker International Prize finalist\* "Brave and ingenious." —The New York Times "Gripping, darkly humorous . . . profound." —Phil Klay, bestselling author and National Book Award winner for *Redeployment* "Extraordinary . . . A devastating but essential read." —Kevin Powers, bestselling author and National Book Award finalist for *The Yellow Birds* From the rubble-strewn streets of U.S.-occupied Baghdad, Hadi—a scavenger and an oddball fixture at a local café—collects human body parts and stitches them together to create a corpse. His goal, he claims, is for the government to recognize the parts as people and to give them proper burial. But when the corpse goes missing, a wave of eerie murders sweeps the city, and reports stream in of a horrendous-looking criminal who, though shot, cannot be killed. Hadi soon realizes he's created a monster, one that needs human flesh to survive—first from the guilty, and then from anyone in its path. A prizewinning novel by "Baghdad's new literary star" (The New York Times), *Frankenstein in Baghdad* captures with white-knuckle horror and black humor the surreal reality of contemporary Iraq.

*Full Color Interior*. Ethiopian-Israeli children reveal their inner lives, hopes and fears with pictures and drawings. Their mothers and fathers were all born in remote Ethiopian villages. Most mothers were married by thirteen and never attended school. Life stories are filled with sibling deaths, shepherding at eight or nine and the lengthy, dangerous trek across Ethiopia through surrounding lands to Israel. You will hear of their compelling lives and how both the parents and the children live in different worlds. Some mothers literally see the world differently than their children. These children display their creativity as they freely draw and tell their life stories.

Mysterious, revealing and prophetic, this historically relevant modern thriller explores religious authority while providing a wild ride of international intrigue and danger.

*Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More*. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. *Not Yet Married* is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

The Minor Prophets were the courageous and true spokesmen for God during the time of the great Assyrian, Babylonian, and Persian empires. Joel's prophecy appears to be the first of all the books of prophecy, and Malachi the last. They are called Minor Prophets because they are shorter in length than the Major Prophets. However, their writings are no less important. We will look at the prophets in their chronological order. Joel, Jonah, Amos, Hosea, and Micah prophesied during the Divided Kingdom. Nahum, Zephaniah, Habakkuk, and Obadiah were prophets in Judah before the Babylonian Exile. Haggai, Zechariah, and Malachi prophesied after the return to Jerusalem from the exile. Jonah of Israel and Nahum of Judah prophesied against the city of Nineveh in Assyria. "Before the time of Christ these twelve books were joined together to make one scroll known collectively as "The Twelve."

This manual will ensure that the management of massive fatalities forms part of disaster preparedness and response plans, and that it is a fundamental aspect of humanitarian assistance to survivors and rehabilitation and reconstruction programs. The manual provides the technical information that will support the correct approach to handling dead bodies. Contents: Preparedness for mass deaths; Medicolegal work in major disasters; Health considerations in cases of mass fatalities; Sociocultural aspects; Psychological aspects; Legal aspects; Cases studies; Final recommendations; Myths and realities of management of dead bodies in disasters; and Glossary. Illustrations.

Michael Chenault, award-winning investigative journalist with the New York Times, is roused in the middle of the night by NYPD detectives and accused of the bizarre murder of a complete stranger. After clearing himself, Chenault finds that Martin Koplanski, the retired history professor he'd been accused of murdering, was likely killed for a mysterious Mormon relic long thought to be just a myth. Twenty-four hours later, Chenault receives an email with a photo of the recently murdered wife of Presidential candidate, Brockston Ratchford. She too appears to have been ritually killed in the exact manner as Koplanski, right down to having the same cryptic character scrawled in blood across her forehead. With way more than just a hunch to now go on, Chenault heads out to Salt Lake City, the site of the Ratchford murder investigation, to find out what, if any, connection there is between the murders. With the help of a beautiful young reporter he meets along the way, Chenault comes to learn the dark family secrets of a rising political star, along with the rather strange but true history of the Mormon church. As he pieces the story together of what appears to be an ever-growing conspiracy, Chenault is pursued by The Brothers, two murderous zealots who will stop at nothing to retrieve the Mormon relic Chenault is also trying to find. What Chenault eventually discovers is that what he's uncovered may not only affect the outcome of the next Presidential election, but decide the fate of an entire religion—if he can manage to stay alive. In the tradition of Raymond Khoury, Brad Meltzer, Dan Brown and Steve Berry, *The Moroni Deception* is a cleverly conceived, twisting tale of political and religious intrigue by a new master of the conspiracy thriller.

A remarkable and challenging book - both in its contents and in its research methods. This historic-demographic document presents a revolutionary and daring idea: After two thousand years of exile, the two parts of the People of

Israel meet in the Promised Land, the part that was expelled but kept its religion and identity and the part that remained in the country but its religion and identity were converted. The two parts-brothers become bitter enemies. This thrilling thesis is presented in the book by Tsvi Misinai, a result of years of historic-demographic research supported by DNA findings. The study describes in detail the historical events that resulted with the situation where the majority of the Palestinian population living today in the country consists of descendants of forced converts to Islam that really belong to the People of Israel. That many ways were tried to reach understanding between Jews and Palestinians. The approach suggested here, if and when adopted, will help stop the bloodshed between the blood brothers-enemies.

Riots. Pandemic. Divisions. Confusion. Mayhem. Wars and rumors of wars. The world around us is changing quickly; we find ourselves wondering what will be next. What does it all mean? What does the Bible say about the unique time we're living in? As the world seems to be getting crazier by the moment, we are actually in a season of wonderful expectation for the Kingdom of God! In *Approaching Armageddon*, Steve Wohlberg takes a detailed look at the Word of God, shedding a very hopeful light on this hour in history and revealing what is to come. He explains how chaotic world events are now fulfilling Bible prophecy, that God is fully in charge, and that there is a very real, fantastic future for those who choose to be part of God's Kingdom. Jesus told us there would be signs pointing to His return and Scripture gives us some specific details about how these things will unfold. *Approaching Armageddon* offers readers: A hopeful perspective on current events – not a report of “doom and gloom” Solid confidence that ancient biblical predictions are both trustworthy and accurate. Biblical truths about earth's last battle, where it will occur, who's involved, and who will win. A reminder that the hope of humanity is the return of Jesus Christ, as plainly predicted in Scripture. Encouragement to press into the personal and infinite love of Jesus Christ, which gives you hope for a glorious, eternal future with Him. Turn off the daily news and hear a good report! Let Steve Wohlberg impart biblical prophecy and embrace the hope of the Lord for all who follow Him!

*Possess the Land: The Believer's Guide to Home Buying* parallels the journey that the Children of Israel took with the journey of home buying. This step by step guide will teach you how to apply biblical principles to conquer the giants that have inhabited your promised land, increase your credit scores, decrease debt, and grow your savings account so that you can walk in the authority of God and receive the property that He has promised you.

“A brilliant, fast-moving narrative history of the leaders who have defined the modern American presidency.”—Bob Woodward In *Republic of Spin*—a vibrant history covering more than one hundred years of politics—presidential historian David Greenberg recounts the rise of the White House spin machine, from Teddy Roosevelt to Barack Obama. His sweeping, startling narrative takes us behind the scenes to see how the tools and techniques of image making and message craft work. We meet Woodrow Wilson convening the first White House press conference, Franklin Roosevelt huddling with his private pollsters, Ronald Reagan's aides crafting his nightly news sound bites, and George W. Bush staging his “Mission Accomplished” photo-op. We meet, too, the backstage visionaries who pioneered new ways of gauging public opinion and mastering the media—figures like George Cortelyou, TR's brilliantly efficient press manager; 1920s ad whiz Bruce Barton; Robert Montgomery, Dwight Eisenhower's canny TV coach; and of course the key spinmeisters of our own times, from Roger Ailes to David Axelrod. Greenberg also examines the profound debates Americans have waged over the effect of spin on our politics. Does spin help our leaders manipulate the citizenry? Or does it allow them to engage us more fully in the democratic project? Exploring the ideas of the century's most incisive political critics, from Walter Lippmann and H. L. Mencken to Hannah Arendt and Stephen Colbert, *Republic of Spin* illuminates both the power of spin and its limitations—its capacity not only to mislead but also to lead.

Technology systems play a key role within a larger, integrated strategy to target groups' efforts and protect the public from the threat of terrorist violence. This study draws on relevant data from the history of a variety of terrorist conflicts to understand terrorists' counter-technology efforts. Fully exploring adversaries' counter-technology behaviors can help make the best choices to protect from the nation from the threat of terrorism.

For everyone who has dreamed of leaving home and planting new roots, or is returning after a lengthy absence, this is the book that inspires, encourages, and reminds you that home is wherever you are.

*Destiny's Call* brings to life scenes, stories and characters from the Book of Genesis. In captivating fictional short stories, *Destiny's Call* gives a glimpse of the struggles of the Patriarchs and Matriarchs, the birth and conflicts of the Tribes of Israel, and a deeper exploration of some of the colorful characters depicted in the Bible. *Destiny's Call* relies heavily on biblical and archeological sources. The book includes questions for discussion, detailed hand-drawn maps of the ancient world, recreated genealogical records and timeline, an index of biblical references, and a glossary of biblical terms. Ben-Tzion Spitz is the author of the Torah Shorts blog (at ben-tzion.com), where he has published dozens of biblical fiction stories and biblical analysis based on ancient, medieval and contemporary sources. Spitz has been exploring and researching biblical stories and archeological findings for over two decades. He is also the creator and lecturer of the Biblical Fiction series in Jerusalem, Israel.

The first time the Mossad came calling, they wanted Victor Ostrovsky for their assassination unit, the kidon. He turned them down. The next time, he agreed to enter the grueling three-year training program to become a katsa, or intelligence case officer, for the legendary Israeli spy organization. *By Way of Deception* is the explosive chronicle of his experiences in the Mossad, and of two decades of their frightening and often ruthless covert activities around the world. Penetrating far deeper than the bestselling *Every Spy a Prince*, it is an insider's account of Mossad tactics and exploits. In chilling detail, Ostrovsky asserts that the Mossad refused to share critical knowledge of a planned suicide mission in Beirut, leading to the death of hundreds of U.S. Marines and French troops. He tells how they tracked Yasser Arafat by recruiting his driver and bodyguard; how they withheld information on the whereabouts of American hostages, paving the way for the Iran-Contra scandal; and how their intervention into secret UN negotiations led to the sudden resignation of

ambassador Andrew Young and the downfall of his career. *By Way of Deception* describes the shocking scope and depth of the Mossad's influence, disclosing how Jewish communities in the U.S., Europe, and South America are armed and trained by the organization in secret "self-defense" units, and how Mossad agents facilitate the drug trade in order to pay the enormous costs of its far-flung, clandestine operation. And it portrays a network that has grown dangerously out of control, as internal squabbles have led to the escape of terrorists and the pursuit of "policies" completely at odds with the interests of the state of Israel. This document is possibly the most important and controversial book of its kind since *Spycatcher*.

How we understand God's future purposes for the world must shape, to a significant degree, how Christians live life in the present. The decades since the publication of Hal Lindsey's, *The Late Great Planet Earth*, have seen a great deal of "end-times" speculation. Signs of the end-time apocalypse occurring soon have been heralded across our radios, televisions, the internet, and through written forms of media, urging people to either be ready for the rapture or be left behind to endure the horrific suffering of the tribulation as God's end-time program unfolds. Is this really what the Bible teaches about the purposes of the God of whom our Bible declares "so loved the world" that he gave his only son in order that all things be reconciled. *The Last Days of Dispensationalism* carefully examines this popular understanding known to us as dispensationalism and urges us to think again and to see within the Bible's grand salvation narrative and in the person of Jesus Christ a better message of redemptive hope for the future and a greater sense of meaning and purpose for the present.

Winner of the National Jewish Book Award of 1979, this classic novel of love and war is now available in ebook format for the first time! Violence shattered her golden world, and Leah's journey began... It swept her from the burning villages of old Russia to the tenements of New York, from the glittering showrooms of Paris to the settlements of war-torn Israel. It brought her marriage to a man who yearned for her sweet, denied love - and passion for a man who yearned only for danger. It gave her a son born of shame, and a daughter born to destiny. It tested her love in the shadow of the Depression and the hell of the Nazi fury... And then Leah's journey brought her home.

Will Christians vanish in a rapture? Will seven years of apocalyptic terror overtake those left behind? Will one future Mr. Diabolical—the antichrist—rise to control the world? Will he enter a rebuilt Jewish temple, claiming to be God? Will Earth's nations attack Israel at Armageddon? Best-selling books like *Left Behind* and popular apocalyptic movies predict such things. Are they correct? No area of Christianity has been subject to more misguided interpretation than end time prophecy. Millions of Christians sense we are nearing Jesus Christ's return. Yet when it comes to what the majority thinks will happen during Earth's last days, and what the Bible actually says will occur, the difference is seismic. With clarity and biblical accuracy, *End Time Delusions* exposes massive errors now flooding through media and in much of today's sensational prophecy writing. This book closely examines tightly meshed yet speculative theories about the rapture, seven-year tribulation, antichrist, and the modern Jewish state. This book is no novelty. Buttressed with solid teachings from many of Christianity's most illustrious scholars, it lets the Bible speak for itself about the past, present, and future.

The popular *Left Behind* series depicting the rapture of the Church and the rise of Antichrist has captured the imaginations of millions. This gripping, but fictional, story dramatizes a widely accepted view of Revelation's mysterious prophecies, and how earth's last days might be fulfilled. But could these bestsellers about missing people also be missing important Bible truths? *Truth Left Behind*, by Steve Wohlberg, has a clear purpose: to take a closer look at what the Bible really says about the Rapture, the Tribulation, The Antichrist and his deadly mark (Revelation 14:9, 14). What's true about The Rapture? What's false? According to the author, when it comes to understanding God's truth, we cannot afford to be "left behind"!

For centuries, most Christians believed that because the New Testament was *The Hebraic Roots of the Christian Faith* written in Greek, the study of its Greek roots should take priority over the study of the Hebrew Scriptures. Today, that conception is changing. Christian scholars are now beginning to examine the Hebraic origins of Scripture with renewed interest. In *Faith of the Ages*, author Richard Rhoades explores the Hebraic origins of the first century faith and the when, where, how, and why early Christian leaders rejected that interpretation. *Faith of the Ages* also investigates the origins of the Christian Church and looks at the anti-Semitism of the Greek and Latin Church fathers, the Roman Emperor Constantine, Roman Catholic Church authorities, and the leaders of the Reformation, who all played a major role in moving Christianity away from its Hebraic roots. Rhoades examines passages of Scripture that Catholic and Protestant translators have changed by adding to and subtracting from certain words found in the ancient Greek manuscripts. Thoroughly researched, *Faith of the Ages* answers questions about the first century community of believers, the roots of Christian faith, and its rich Hebrew heritage in Jesus and provides impetus for believers to reexamine their Christian faith.

*Eye to the Infinite: A Jewish Meditation Guidebook* (revised and expanded): An introduction to Jewish meditation, with visualisations, meditations & techniques adapted from the Talmud, Kabbalah & Classics of Jewish theology. Over 300 pages packed with techniques, meditations, esoteric secrets, complete with diagrams and tables and fully annotated. Over 700 footnotes. Have you ever wondered about a Jewish system of meditation? How is it practised? How different is it from other disciplines? Can your life be improved through Jewish meditation? These questions and more are addressed in this unique guide. *EYE TO THE INFINITE* is a hands-on Jewish spiritual guidebook with introductions to the metaphysical worlds, techniques, visualisations, authentic meditations, and step-by-step instructions, enabling you to derive immediate benefit wherever you are in your spiritual journey. "A great step-by-step walkthrough of key concepts, with an easy to understand, non-technical approach. An excellent work on Jewish meditation and focusing on God for everyone! Beautiful work." Reb Akiva, editor of *Mystical Paths* "Rabbi Rubin's work not only continues in the trailblazing path of Rabbi Aryeh Kaplan's ZT"L work, but actually and practically builds upon it." Dr. Elliot Cohen, Director of the Ohr Menorah Centre for Jewish Meditation. "It is rare to find a book that explores Jewish meditation in depth, explains it with flair and nuance and provides practical ways to engage in Jewish meditation. *Eye to the Infinite* is just such a book." Rabbi Johnny Solomon, Jewish Education Consultant, BSc (Hons)

CMH Publication 70-30. Edited by Frank N. Schubert and Theresa L. Kraus. Discusses the United States Army's role in the Persian Gulf War from August 1990 to February 1991. Shows the various strands that came together to produce the army of the 1990s and how that army in turn performed under fire and in the glare of world attention. Retains a sense of immediacy in its approach.

Contains maps which were carefully researched and compiled as original documents in their own right. Includes an index. This is a print on demand edition of a hard to find publication. Examines terrorists; involvement in a variety of crimes ranging from motor vehicle violations, immigration fraud, and mfg. illegal firearms to counterfeiting, armed bank robbery, and smuggling weapons of mass destruction. There are 3 parts: (1) Compares the criminality of internat. jihad groups with domestic right-wing groups. (2) Six case studies of crimes includes trial transcripts, official reports, previous scholarship, and interviews with law enforce. officials and former terrorists are used to explore skills that made crimes possible; or events and lack of skill that the prevented crimes. Includes brief bio. of the terrorists along with descriptions of their org., strategies, and plots. (3) Analysis of the themes in closing arguments of the transcripts in Part 2. Illus.

The clock is relentlessly ticking! Our world teeters on a knife-edge between a peaceful and prosperous future for all, and a dark winter of death and destruction that threatens to smother the light of civilization. Within 30 years, in the 2030 decade, six powerful 'drivers' will converge with unprecedented force in a statistical spike that could tear humanity apart and plunge the world into a new Dark Age. Depleted fuel supplies, massive population growth, poverty, global climate change, famine, growing water shortages and international lawlessness are on a crash course with potentially catastrophic consequences. In the face of both doomsaying and denial over the state of our world, Colin Mason cuts through the rhetoric and reams of conflicting data to muster the evidence to illustrate a broad picture of the world as it is, and our possible futures. Ultimately his message is clear; we must act decisively, collectively and immediately to alter the trajectory of humanity away from catastrophe. Offering over 100 priorities for immediate action, The 2030 Spike serves as a guidebook for humanity through the treacherous minefields and wastelands ahead to a bright, peaceful and prosperous future in which all humans have the opportunity to thrive and build a better civilization. This book is powerful and essential reading for all people concerned with the future of humanity and planet earth.

Our world is in crisis mode, but God is still on the throne in this powerful and prophetic book from New York Times bestselling author and pastor John Hagee. Bible prophecy clearly reveals that immediately prior to the rapture of the Church, four powerful kings will race onto the stage of world history. Pastor Hagee reveals who they are, where they come from, and what they signify. Learn why Hagee believes that we are in the beginning stages of World War III, and how this will eventually take us to the Battle of Armageddon. Pastor Hagee vividly describes the key players that signify the King is coming!

Dana Summers, a Washington, D.C. based correspondent, locks horns with the top general, David Sean Terrell, and the military over the United States involvement in the Gulf War. She travels to Saudi Arabia to investigate for herself, and speak to the soldiers on the ground - determined to find out the truth. Her life is threatened by a sinister plot, the generals daughter is kidnapped, and terrorists attempt retaliation in a U.S. city, while a lost love is rekindled in her heart.

How three key figures in Moscow, Beijing, and Tehran built ruthless irregular warfare campaigns that are eroding American power. In Three Dangerous Men, defense expert Seth Jones argues that the US is woefully unprepared for the future of global competition. While America has focused on building fighter jets, missiles, and conventional warfighting capabilities, its three principal rivals—Russia, Iran, and China—have increasingly adopted irregular warfare: cyber attacks, the use of proxy forces, propaganda, espionage, and disinformation to undermine American power. Jones profiles three pioneers of irregular warfare in Moscow, Beijing, and Tehran who adapted American techniques and made huge gains without waging traditional warfare: Russian Chief of Staff Valery Gerasimov; the deceased Iranian Major General Qassem Soleimani; and vice chairman of China's Central Military Commission Zhang Youxia. Each has spent his career studying American power and devised techniques to avoid a conventional or nuclear war with the US. Gerasimov helped oversee a resurgence of Russian irregular warfare, which included attempts to undermine the 2016 and 2020 US presidential elections and the SolarWinds cyber attack. Soleimani was so effective in expanding Iranian power in the Middle East that Washington targeted him for assassination. Zhang Youxia presents the most alarming challenge because China has more power and potential at its disposal. Drawing on interviews with dozens of US military, diplomatic, and intelligence officials, as well as hundreds of documents translated from Russian, Farsi, and Mandarin, Jones shows how America's rivals have bloodied its reputation and seized territory worldwide. Instead of standing up to autocratic regimes, Jones demonstrates that the United States has largely abandoned the kind of information, special operations, intelligence, and economic and diplomatic action that helped win the Cold War. In a powerful conclusion, Jones details the key steps the United States must take to alter how it thinks about—and engages in—competition before it is too late.

"Steve Wohlberg has glimpsed the horizon and issued an urgent warning." — Tal Brooke, President of Spiritual Counterfeits Project, Author of One World and Avatar of Night Hour of the Witch Gazing down to Earth's last days with heavenly vision, the Bible's last book predicts, "Through sorcery all nations were deceived" (Revelation 18:23). This is no fictitious pronouncement, but the ominous truth about the end-times. Kids, teenagers, and adults around the world have become fascinated with mysterious energies flowing through witches. In rapidly increasing numbers, young and old are visiting popular witchcraft web sites, buying spell books, joining covens, mixing potions, and practicing magic. The best selling series of children's books ever written is Harry Potter, a tale about a young sorcerer. Most parents view Harry Potter as harmless entertainment, yet others are certain dark spiritual forces lurk beneath those magic-made-fun pages. Hour of the Witch offers penetrating insights into this apocalyptic phenomenon as it explores the controversial worlds of Wicca Witchcraft, Harry Potter, and the Bible.
