The four volumes of Film Study include a fresh approach to each of the basic categories in the original edition. Volume one examines the film as film; volume two focuses on the thematic approach to film; volume three draws on the history of film; and volume four contains extensive appendices listing film distributors, sources, and historical information as well as an index of authors, titles, and film personalities. Filled with action-packed police drama, COURAGEOUS is the fourth release from the moviemaking ministry of Sherwood Baptist Church in Albany, Georgia. Releasing in 2011, it joins previous best sellers like Fireproof and Facing the Giants to touch hearts and impact lives through heartfelt stories of faith and hope. Churches used Fireproof to change marriages; COURAGEOUS provides the opportunity to strengthen families and fathers. The story of four law officers who discover leading a family takes even more bravery than fighting crime, COURAGEOUS captures the heart of the father, calling him to Christ as he seeks to be a better dad. As churches and individuals have done with other Sherwood pictures, this movie provides a great opportunity to reach out socially and spiritually to friends, neighbors, and co-workers by inviting them to attend a COURAGEOUS screening, a related Sunday morning sermon, men's ministry event, or small-group Bible study. Toward that goal, the Courageous Church Campaign Kit comes complete with a step-by-step planning guide, supportive sermon outlines, a 4-week small-group study (with member book and supporting film clip DVD), evangelism outreach materials, a DVD-ROM with promotional trailers and worship helps, an advance copy of Sherwood pastor Michael Catt's Courageous Living book, plus branded products featuring official COURAGEOUS art to create an exciting campaign suitable for your church or ministry needs.

Using movie themes and group interaction, this four-week study will challenge your group members to evaluate their connection with Christ, strengthening and revitalizing their own stories along the way. This 8-session study will take individuals and small groups deeper into biblical truths for a godly family, exploring topics such as redeeming your history, walking with integrity, winning and blessing the hearts of your children, and more.

Jesus said, Follow me. So where did everyone go? The call to follow is clear. The path, however, particularly in the Western world, is not often traveled. While the call to discipleship is far from easy, it is not complex. Despite its clarity, both survey results and observation show that we are simply not becoming more like Jesus. What is your plan to follow Jesus? Programmed approaches to discipleship of various kinds tend to fall short. A certain program might work well for some, but that same program seems to be nearly impossible for others. In Follow Me, Brian Kannel challenges you to move beyond the programs. Rather than detailing a specific structure, he outlines seven broad values, and those values form a constantly moving process of growth in faith. Follow Me tells the story of one local church seeking to get serious about discipleship, and calls each of us to do the same thing. Will you follow Him? Brian Kannel is the Lead Pastor of York Alliance Church, a growing cell church in south central Pennsylvania. He is also the author of numerous study guides, including Discipleship According to Jesus and Up in Smoke: A Study of Ecclesiastes. Brian and his wife Amanda live in York, PA with their four children. "

In Reforming Hollywood, William Romanowski tells the long and complex story of the relationship between Protestants of all stripes--from Episcopalians to evangelicals--and the American film industry. Drawing on personal interviews and previously unexamined primary sources, he chronicles Protestant efforts to exert influence on the industry and use movies to promote the moral health of the nation. At the same time, Romanowski shows, mainline Protestants were surprisingly averse to censorship, which they saw as intruding upon individual conscience and antithetical to American democracy--of which they saw themselves as the guardians.

When James Broadwater went to work in Mississippi's state government in 2004, he soon found that what he thought was a good place to be employed turned out to be a network of "good ol' boys" who were committed to the status quo of corruption, waste, fraud, abuse, harassment, and persecution, which went all the way to the Governor's Mansion. For six and a half years he

risked his job by filing complaints up the chain of command within the agency and charges with a dozen state and federal agencies. The church is heading into a "perfect storm" of cultural forces. Will you sink beneath the waves, or ride the winds of the Spirit? An array of cultural forces is coming together to present the church with unprecedented challenge and unequalled opportunity. Such "category 5" realities as postmodernism, postChristendom attacks on belief in God, and the threat of global warming have coalesced to make a "perfect storm" that will leave people uncertain of their place in the world, and all they have previously believed in. Like the disciples when Jesus calmed the storm, the church can cower and cry out for relief. Or, when everything is spinning and whirling in the wind, the church can go out to meet the storm, embrace the gale, . . . and pass out kites. From the Circuit Rider review: "Like other books Sweet has written and compiled, The Church of the Perfect Storm is thought-provoking and compelling. The material flows in such a way that allows readers to grasp the gravity of the situation. However, as with most futuristic material, there is also a sense in which readers may want to know: 'Okay, now what? Where do we need to steer this ship? Are mainline and evangelical churches so off-course as to fail to weather the rising tides that are here and soon coming?' Readers of this volume may enjoy the description of a post-Christendom world, but they may also want to know more about the prescription for the days ahead. (Click here to read the entire review.)

This book situates their work in the history of religion and film in America and shows how they bring to fruition early 20th century Protestant expectations for the use of film in the life of the church and their hopes for a vibrant Christian film industry. Also covered are the handful of churches, inspired by Sherwood, that have taken up their own cameras to create a growing church film movement. This book offers another examination of the relationship between conservative evangelical Protestant Christianity and the wider popular culture.
