Never before has teaching the critical state-specific material that your paralegal students need to know been easier or more organized! A truly innovative resource, The New York Paralegal contains the information, documents, and resources essential to paralegal students who will be working in New York State, thus eliminating the need for instructors to gather this material piecemeal. Instead, this book does it all for you by compiling all of this information into a single, handy resource. Coverage includes an overview of the paralegal profession, ethics, the legal system, research, and even a comprehensive legal dictionary - all as they pertain to New York State laws and statutes. With all of this vital content provided in such a user-friendly format, students will find this an invaluable reference throughout their academic and professional careers. And instructors will find that they can spend less time preparing to teach and more time teaching. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.
