Because time, money, and resources are never enough to allocate, people as small as individuals, families, companies, and governments have to make frequent choices- choose to watch TV first, and then do homework; choose to save pocket money to buy books instead of snacks; Should the government choose to print money to save the economy or increase public construction to create jobs? The government will also use incentives, such as raising fines, to influence people's choices. Economics is to help us make better choices, make our lives, and make the world a better and fair world.

Owing to the verbose, flowery and flavourless textbook which is most commonly used, I decided to take a stand; no more shalt the anxious student suffer under the might of monotonous dross! Cease, I say, for it is these very notes which shalt liberate ye poor souls, fashioning many an A\* with sublime and blissful speed. Remember these notes, and, 'tis true, dear comrade, that thou shalt become like I, King of Kings, and destroy the dragon undert' mountain itself. Thus I beg of ye to make swift purchase of these notes, which were crafted by my own hand, which slaved for many a day to make them as succinct as possible. 'Tis true, my hands are calloused and a fever approaches (such was my determination to overcome mighty forces), and may be said that I, like Prometheus himself, gave the gift of fire itself to those who were previously ignorant. Rejoice, comrade! Help is at hand.
