Teaching Young Adult Literature: Developing Students As World Citizens (by Thomas W. Bean, Judith Dunkerly-Bean, and Helen Harper) is a middle and secondary school methods text that introduces pre-service teachers in teacher credential programs and in-service teachers pursuing a Masters degree in Education to the field of young adult literature for use in contemporary contexts. The text introduces teachers to current research on adolescent life and literacy; the new and expanding genres of young adult literature; teaching approaches and practical strategies for using young adult literature in English and Language Arts secondary classrooms and in Content Area Subjects (e.g. History); and ongoing social, political and pedagogical issues of English and Language Arts classrooms in relation to contemporary young adult literature.

This book is a compendium of strategies; it is not a description of a single approach, nor is it intended to be eclectic. The inclusion of a strategy should not be perceived as our endorsement of that strategy. There are some strategies that we view as problematic; there are others about which we disagree.

Presenting a proven, step-by-step approach to improving reading comprehension, this powerful book provides classroom-ready tools and applications for a wide variety of ages and subjects.

This book invites readers to consider ways in which their language and literacy teaching practices can better value and build upon the brilliance of every child. In doing so, it highlights the ways in which teachers and students build on diversities as strengths to create more inclusive and responsive classrooms. After inviting readers to consider and better understand the diverse language and literacy practices of diverse children, it offers invitations for teachers to make these practices foundational in their own classrooms and to consider meaningful possibilities for learning authentically with young children in primary grades. It features chapters that focus on oral language, reading, and writing development, all while recognizing that these are not separate. In each of these chapters, readers are invited to consider diverse possibilities, perspectives, and points of view in practice within primary grades classrooms. Throughout, it offers ways to foster classroom learning communities where racially, culturally, and linguistically diverse children are supported and valued.
