

Maximize Your Potential Grow Your Expertise Take Bold Risks Build An Incredible Career The 99u Book Series 2

Fuel success and grow your team at every level of leadership. True leadership isn't a matter of having a certain job or title. In fact, being chosen for a position is only the first of the five levels every effective leader achieves. To become more than "the boss" people follow only because they are required to, you have to master the ability to invest in people and inspire them. To grow further in your role, you must achieve results and build a team that produces. You need to help people to develop their skills to become leaders in their own right. And if you have the skill and dedication, you can reach the pinnacle of leadership-where experience will allow you to extend your influence beyond your immediate reach and time for the benefit of others. The 5 Levels of Leadership are: 1. Position - People follow because they have to. 2. Permission - People follow because they want to. 3. Production - People follow because of what you have done for the organization. 4. People Development - People follow because of what you have done for them personally. 5. Pinnacle - People follow because of who you are and what you represent. Through humor, in-depth insight, and examples, internationally recognized leadership expert John C. Maxwell describes each of these stages of leadership. He shows you how to master each level and rise up to the next to become a more influential, respected, and successful leader.

This book is your chance to learn the specific Rich Habits you must have in order to succeed as well as the Poor Habits that you must avoid at all costs. Read it to unlock the secrets to success and failure, based on Tom Corley's five years' study of the daily activities of 233 rich people and 128 poor people as the authors expose the immense difference between the habits of the rich and the poor. Learn the proven strategies of Michael Yardney, Australia's leading authority on the psychology of success and wealth creation and American co-author, Tom Corley, who's internationally acclaimed research on the daily habits of the rich and poor has changed the lives of hundreds of thousands of ordinary people around the world. This book has been written for people who...- Are living from month to month but want to get out of the rat race and become rich- Are financially comfortable, but aspire for more- Want to create lifetime wealth- Want to teach their children how to become rich and leave a legacy

Seth Buechley tackles the plaguing question of why ambitious people struggle to find satisfaction and reveals what they can do about it. His exceptional perspective, which began in a commune in the woods and led him to financial success through several multi-million dollar businesses, shines through his candid and direct insights into the advantages and disadvantages of ambition. A seasoned entrepreneur and leader of high-growth companies, Buechley illustrates the fundamental nature of gratitude in making the shift to lasting leadership impact.

Dr. Joseph Murphy's classic book *The Power of Your Subconscious Mind* was first published in 1963 and became an immediate bestseller; it was acclaimed as one of the best self-help guides ever written. Following the success of this work, Dr. Murphy lectured to thousands of people around the world, and millions tuned in to his daily radio program. In his lectures, he pointed out how real people have radically improved their lives by applying specific aspects of his concepts. Now, these lectures have been combined, edited, and updated in six original books that bring Dr. Murphy's teachings into the 21st century and provide readers with his proven tools on how to program their subconscious minds so that they can radically improve their lives. In this book, you will learn:

- Dr. Murphy's four-step master key to wealth
- How to achieve abundance and continuing prosperity
- Your true inner potential to achieve wealth and success
- The power of your subconscious mind to help you create new paths to prosperity

By following this plan, a salesman quintupled his income, a minister funded the rebuilding of a church for a previously impoverished congregation, and many other success stories took place that will inspire and amaze you!

Proven techniques for building self-confidence, making personal connections, and developing a professional presence that's powerful, authentic, and effective. Increase your poise, presence, and influence for more dynamic leadership Are you showing up as the best version of yourself? Are you aware of how others experience you? By cultivating executive poise and presence, we not only improve how others see us but enhance our capacity to lead a life of our choosing. While leadership styles may vary, all great leaders are able to connect with others while staying true to themselves. By remaining true to the best aspects of your personality, you too, will be able to lead effectively in every situation. *Leading from Your Best Self* delivers a roadmap for developing the poise, presence, and influence needed to succeed at work and in life. As a theater professional, Rob Salafia cultivated a mindset of excellence and learned how to truly connect with his audiences by tapping into and developing his own intrinsic gifts as a performer. He realized that these skills could be put to great use in the business world where it is just as important to build authentic connections with key stakeholders—in this case, employees, bosses, and customers. Now, he shares his insights with you, making this book the next best thing to having your own personal executive coach. Through specific techniques, activities, and personal stories, Salafia illustrates how to tap into your own inner resources and experiences, show up with greater self-confidence, and make the shift to more inclusive modes of leading. He shares exercises and narratives from real-life clients who have struggled and succeeded to break past their self-imposed limitations. *Leading from Your Best Self* shows you how to:

- Be present and open
- Discover your Signature Stance
- Maintain poise under the most stressful of situations
- Create a solid foundation of self-confidence and your own genuine leadership style
- Develop a System for Learning, a Platform for Failure, and a Mindset of Excellence
- Connect authentically with others and build lasting relationships based on trust
- Use storytelling and metaphor to make your messages meaningful and memorable
- Understand the sources of influence and power within organizations
- Create a culture of learning within your own team and organization

Everyone has the capacity to be extraordinary by appreciating and nurturing their best qualities and gifts. This book will help you uncover yours and reach your true potential as a leader and communicator.

Offers insights on ways to meet the challenges of the workplace by building a daily routine and finding focus amid chaos.

NOTE: *Maximize Your Potential: Unleashing the Leader Within* is the white-collar, or non-specific, version of *Blue-Collar Leadership: Leading from the Front Lines* and the content is nearly identical. It's primarily for those team members who do not have anyone reporting to them. Finally, there is a book specifically created for the often overlooked and underdeveloped entry-level team members. My passion is to help leaders and organizations invest in their team or to help you invest in yourself. I wish someone would have given me this book nearly 30 years ago when I started my career. It would have changed my life then. It can change your life now. Separate yourself from the crowd quickly by learning how to master the traits High Impact leaders value most. You will learn how to get noticed by the right people and how to get promoted for the right reasons. You will learn how to become recognized as a leader worth following, and you don't need formal authority (position) because you will develop something much better: moral authority (influence). I've made this book easy to read for non-readers. There are 30 chapters with 3 pages each. If you read a chapter per day (3 pages; 8-10 minutes), you will easily complete the book in one month even if you're a non-reader. I've written this book specifically for the often overlooked and underdeveloped entry-level team members who have so much untapped potential. It will help them better understand: - how to make an impact from where they are - how to be recognized for their abilities - how to position themselves well for promotions - how to increase their influence with their leaders and their teammates - how to be a better team player - how & why they should accept more responsibility - how to intentionally become more valuable to the company - how to become more valuable and successful as an individual - how to lead themselves well in order to create a better future. This book will actually be great for anyone at any level in any industry, but the greatest value will be to those in any position who have received little or no leadership development. Of course, higher level leaders also need to know and understand what's in this book to multiply the potential of those on their team.

Because the book is based on principles, they apply to all people at all levels regardless of position or title.

AWARDS: Independent Publisher Book Award 2015 (Silver) and National Mature Media Award 2015 (Bronze) Step-by-step tips for revitalizing your career Yes, it is possible to have a job you love, and it doesn't require starting from scratch. Love Your Job is a guide to making work fulfilling and fun — again, or even for the first time. Why count down the hours of the day or the days to retirement when you could reinvigorate your workday, transforming the daily doldrums into a daily dose of enjoyable activity? Kerry Hannon, The New York Times columnist and AARP's Jobs Expert, focuses on the little things that can make a big difference in how we feel about work. Love Your Job is all about the routines, habits, and thought patterns that, over the years, may have turned a dream job into a drudge or, worse, a nightmare. Changing these habits and attitudes is simple, and this book shows you how to identify the little things that make work enjoyable and engaging. Using these simple techniques, you can adopt the attitude that will keep you happy and that might just lead to bigger and better things, no matter what stage of your career you are in. In this book, you will learn to: Develop new habits that bring more purpose into every single workday Rekindle your hope and motivation by celebrating small successes Recognize negative patterns that keep you from enjoying your job Craft an entrepreneurial attitude that will get you noticed and enrich your work life We all deserve to experience happiness and satisfaction every day, at every stage of our careers. Kerry Hannon explains that you don't have to make a huge career transition to love work again. But if you reinvent the way you see work, who knows where your new outlook will lead? Wake up to the countless possibilities that await you with Love Your Job.

What is the secret of talent? How do we unlock it? This groundbreaking work provides readers with tools they can use to maximize potential in themselves and others. Whether you're coaching soccer or teaching a child to play the piano, writing a novel or trying to improve your golf swing, this revolutionary book shows you how to grow talent by tapping into a newly discovered brain mechanism. Drawing on cutting-edge neurology and firsthand research gathered on journeys to nine of the world's talent hotbeds—from the baseball fields of the Caribbean to a classical-music academy in upstate New York—Coyle identifies the three key elements that will allow you to develop your gifts and optimize your performance in sports, art, music, math, or just about anything.

- **Deep Practice** Everyone knows that practice is a key to success. What everyone doesn't know is that specific kinds of practice can increase skill up to ten times faster than conventional practice.
- **Ignition** We all need a little motivation to get started. But what separates truly high achievers from the rest of the pack? A higher level of commitment—call it passion—born out of our deepest unconscious desires and triggered by certain primal cues. Understanding how these signals work can help you ignite passion and catalyze skill development.
- **Master Coaching** What are the secrets of the world's most effective teachers, trainers, and coaches? Discover the four virtues that enable these “talent whisperers” to fuel passion, inspire deep practice, and bring out the best in their students. These three elements work together within your brain to form myelin, a microscopic neural substance that adds vast amounts of speed and accuracy to your movements and thoughts. Scientists have discovered that myelin might just be the holy grail: the foundation of all forms of greatness, from Michelangelo's to Michael Jordan's. The good news about myelin is that it isn't fixed at birth; to the contrary, it grows, and like anything that grows, it can be cultivated and nourished. Combining revelatory analysis with illuminating examples of regular people who have achieved greatness, this book will not only change the way you think about talent, but equip you to reach your own highest potential. It's the common habit shared by many successful people throughout history. It's responsible for unlocking limitless creativity and influence. It's known to reduce stress, improve decision-making skills, and make you a better leader. What is it? Reading. And it's the single best thing you can do to improve yourself professionally. Reading more and better books creates opportunities for you to learn new skills, rise above your competition, and build a successful career. In Read to Lead you'll learn - why you need to read like your career depends on it - the five science-backed reasons reading will help you build your career - how to absorb a book into your bloodstream - a technique that can double (or triple!) your reading speed - tips on creating a lifetime reading habit - and more If you want to lead a more satisfied life, have more intelligent conversations, and broaden your mind, you need to read to lead!

Are there tried and true principles that are always certain to help a person grow? John Maxwell says the answer is yes. He has been passionate about personal development for over fifty years, and for the first time, he teaches everything he has gleaned about what it takes to reach our potential. In the way that only he can communicate, John teaches . . . The Law of the Mirror: You Must See Value in Yourself to Add Value to Yourself The Law of Awareness: You Must Know Yourself to Grow Yourself The Law of Modeling: It's Hard to Improve When You Have No One But Yourself to Follow The Law of the Rubber Band: Growth Stops When You Lose the Tension Between Where You are and Where You Could Be The Law of Contribution: Developing Yourself Enables You to Develop Others This third book in John Maxwell's Laws series (following the 2-million seller The 21 Irrefutable Laws of Leadership and The 17 Indisputable Laws of Teamwork) will help you become a lifelong learner whose potential keeps increasing and never gets "used up."

How the world's leading innovators push their ideas to fruition again and again Edison famously said that genius is 1 percent inspiration, 99 percent perspiration. Ideas for new businesses, solutions to the world's problems, and artistic breakthroughs are common, but great execution is rare. According to Scott Branson, the capacity to make ideas happen can be developed by anyone willing to develop their organizational habits and leadership capability. That's why he founded Behance, a company that helps creative people and teams across industries develop these skills. Branson has spent six years studying the habits of creative people and teams that are especially productive—the ones who make their ideas happen time and time again. After interviewing hundreds of successful creatives, he has compiled their most powerful—and often counterintuitive—practices, such as:

- **Generate ideas in moderation and kill ideas liberally**
- **Prioritize through nagging**
- **Encourage fighting within your team**

While many of us obsess about discovering great new ideas, Branson shows why it's better to develop the capacity to make ideas happen—a capacity that endures over time.

In this profound introduction to conscious entrepreneurship, author and coach Laura C. Cannon teaches you how to harness your unique gifts and the power of your own consciousness to maximize your satisfaction - and deepen your enjoyment - of your business and your life. Grounded in research from the fields of modern psychology, eastern philosophy, and personal development, this book explains six core principles necessary for radical, transformational change - personally and professionally. By teaching you to use your business as the vehicle for your personal growth, The Conscious Entrepreneur delivers timeless wisdom and practical exercises to help you think, act, and live the path to your highest potential - without adding to your already-packed schedule. Forget work-life balance, get ready to shift into work-life integration for more happiness, stronger relationships, and a higher return on your investment in every sense of the word. "To succeed in business, entrepreneurs first need to develop themselves. The Conscious Entrepreneur shares concrete insights that will help you transform your life and achieve true greatness, both personally and professionally." - Dorie Clark, author of Reinventing You and Stand Out "Laura C. Cannon expertly serves up the 'secret sauce' that sets the world's greatest entrepreneurs apart, and shows you how to pour it on yourself with six foundational concepts of higher-level thinking and learning." - Christine Hassler, best-selling author of Expectation Hangover "In this succinct guide, Laura C. Cannon shows you how to find and use your purpose, and helps entrepreneurs realize their potential, transform their businesses and create more happiness in the world." - Jenn Lim, CEO & Co-Founder of Delivering Happiness, Consultant at Zappos.com "Wow, I felt like Laura C. Cannon was talking directly to me about success and finding my own true place. It's not new-age dreaming, it's practical advice we can all use." - Alan Berg, Certified Speaking Professional and Business Guru "Owning a business enterprise is hard, takes skill, and requires heart. Laura C. Cannon fluently translates those thoughts into actionable items with candid insights and excellent questions that every entrepreneur - no matter what level - should address." - Linnyette Richardson-Hall, Wedding Planner and Industry Expert Featured on Style Network's Whose Wedding Is It Anyway?

MAXIMIZE YOUR POTENTIAL THROUGH THE POWER OF YOUR SUBCONSCIOUS MIND TO OVERCOME FEAR AND WORRY Dr. Joseph Murphy's classic book The Power of Your Subconscious

Mind was first published in 1963 and became an immediate best seller; it was acclaimed as one of the best self-help guides ever written. Following the success of this work, Dr. Murphy lectured to thousands of people around the world, and millions tuned in to his daily radio program. In his lectures, he pointed out how real people have radically improved their lives by applying specific aspects of his concepts. Now, these lectures have been combined, edited, and updated in six books that bring Dr. Murphy's teachings into the 21st century and provide readers with his proven tools on how to program their subconscious minds so that they can radically improve their lives. In this book, you will learn: • Why we all worry mostly about things that will never happen • That worry robs us of vitality, enthusiasm, and energy; and often causes ulcers, high blood pressure, and other debilitating diseases • How to replace fear and worry with harmony, peace, and love • Which prayers and meditations will cleanse the mind of irrational concerns and implant uplifting ideas into the subconscious

Many of us are striving to reach our full potential at work and beyond – to achieve our goals, rise to challenges and connect well with others. But how can we actively develop our performance, while also taking care of our well-being and life satisfaction? The Performance Curve is a bold new holistic guide that effectively tackles this challenge, providing practical insights into how you can develop and sustain a productive and fulfilling life. Crucially, this book explores not only how you can improve individual performance, but also how to build relationships and environments that bring out the best in others. By interweaving the individual and the collective, this unique approach produces the most effective and sustainable results across the board. The Performance Curve is a powerful combination of neuroscience, psychological research and practical guidance. These concepts are then brought to life through the stories of remarkable individuals from different sectors, including business, the arts, academia and non-for-profits. Laura Watkins and Vanessa Dietzel draw upon their vast experience and research as consultants and leadership coaches to deliver a ground-breaking guide to enhancing your performance in your life and career.

Provides a guide for executives seeking to coach and motivate their employees, explaining how to encourage and develop the talents of their staff to increase productivity, profitability, loyalty, and customer focus.

In *Maximize Your Potential* (2013), you'll learn how to succeed by making the most of the talents and skills you already possess. Written for those who have often felt that they're not talented enough or lack the skills to succeed, *Maximize Your Potential* teaches that your success isn't determined by having a particular skill set, it's about making the most of the talents you have. Through the combination of actionable advice and examples from some of the world's most productive people, Jocelyn K. Gleib's guide will show you the secret for unlocking your potential. YOU haven't yet SUNG your best song! No matter your current circumstances, your best song is still out in front of you! Dare to Believe But first, what happened to your life? Your real life! The one you were created to live. Remember that life? The life you used to dream about. Remember those dreams? You probably still dream about it today! Take a moment to think back and reflect on the things you were going to do. And the person you longed to be. The promise of a healthy, wealthy, joyful life, full to overflowing with wonderful things. What if you could still: Put your life back on track to where you should be? Maximize your potential? Discover and fulfil your purpose? Live beyond limitation? Enjoy everyday life? Well, the good news is, you can! In *Your Best Life Ever*, Pastor Pedro Okoro challenges you to believe that you can achieve whatever you set your mind to, because impossible is nothing. Through personal experience, compelling stories and authoritative quotes, he provides 7 well-founded, practical, bite-sized nuggets which will inspire you to ENJOY everyday life and LIVE your best life, today...right NOW! The updated edition of the bestselling book that has changed millions of lives with its insights into the growth mindset "Through clever research studies and engaging writing, Dweck illuminates how our beliefs about our capabilities exert tremendous influence on how we learn and which paths we take in life."—Bill Gates, *GatesNotes* After decades of research, world-renowned Stanford University psychologist Carol S. Dweck, Ph.D., discovered a simple but groundbreaking idea: the power of mindset. In this brilliant book, she shows how success in school, work, sports, the arts, and almost every area of human endeavor can be dramatically influenced by how we think about our talents and abilities. People with a fixed mindset—those who believe that abilities are fixed—are less likely to flourish than those with a growth mindset—those who believe that abilities can be developed. Mindset reveals how great parents, teachers, managers, and athletes can put this idea to use to foster outstanding accomplishment. In this edition, Dweck offers new insights into her now famous and broadly embraced concept. She introduces a phenomenon she calls false growth mindset and guides people toward adopting a deeper, truer growth mindset. She also expands the mindset concept beyond the individual, applying it to the cultures of groups and organizations. With the right mindset, you can motivate those you lead, teach, and love—to transform their lives and your own.

Discover the Keys to Unlock Your Potential! Learning how to maximize your potential gives you the confidence to release the God-given gifts and talents trapped within you. You can make a difference in your world now! "Now it is God who has made us...and has given us the Spirit as a deposit, guaranteeing what is to come" (2 Corinthians 5:5). It must be worked and fed to produce fruit. Unlock your potential today! Parts of this book were previously published as *Maximize Your Potential*.

Offers insights and advice from twenty-one entrepreneurs and experts on building a creative business.

In her new book, prominent professional developer Yvette Jackson focuses on students' strengths, rather than their weaknesses, to reinvigorate educators to inspire learning and high intellectual performance. Through the lens of educational psychology and historical reforms, Jackson responds to the faltering motivation and confidence of educators in terms of its effects on closing the achievement gap. The author seeks to rekindle the belief in the vast capacity of underachieving urban students, and offers strategies to help educators inspire intellectual performance. Jackson proposes that a paradigm shift towards a focus on strengths will reinvigorate educators passion for teaching and belief in their ability to raise the intellectual achievement of their students. Jackson addresses how educators can systematically support the development of motivation, reflective and cognitive skills, and high performance when standards and assessments are predisposed to non-conceptual methods. Furthermore, she examines challenges and offers strategies for dealing with cultural disconnects, the influence of new technologies, and language preferences of students.

Maximize Your Potential Through the Power of Your Subconscious Mind To Develop Self-Confidence and Self-Esteem Dr. Joseph Murphy's classic book *The Power of Your Subconscious Mind* was first published in 1963 and became an immediate bestseller; it was acclaimed as one of the best self-help guides ever written. Following the success of this work, Dr. Murphy lectured to thousands of people around the world, and millions tuned in to his daily radio program. In his lectures, he pointed out how real people have radically improved their lives by applying specific aspects of his concepts. Now, these lectures have been combined, edited, and updated in six books that bring Dr. Murphy's teachings into the 21st century and provide readers with his proven tools on how to program their subconscious minds so that they can radically improve their lives. In this book, Dr. Murphy explains: How to use the power of your subconscious mind to overcome negativity and low self-esteem. You are the master of your life and the ruler of your mind, so if you're feeling tense or depressed and worry that no one appreciates you and people look down on you, it's your fault. . You alone - not others - are responsible for your reactions, thoughts, feelings, and emotions. . You don't have to let anyone have power over you. Following the guidance provided in these pages, you'll discover how to love yourself and open your soul to freedom from domination; peace of mind; and a joyful, rewarding life.

A detailed system that will help you achieve your professional and personal goals *Moving the Needle* provides both the "kick in the pants" and the game plan many of us need to break out of the rut and get moving to achieve our goals. CEOs, vice presidents, professionals, military personnel, and even college students frequently express frustration at the entrenched status quo, in which initiating progress feels like moving mountains. This book lights a path toward continual improvement, helping readers first find a direction, then make the key transitions that jumpstart forward progress. This highly practical guide outlines a change process that can be applied to professional or personal goals, giving readers a concrete plan for making big things happen. Rather than blindly shooting for the moon, readers will formulate a solid, systematic, actionable plan that can only result in progress. In today's tenuous business climate, employers and employees alike can be glued to the ground, unsure of the path they should take, or whether they have the freedom to move forward. *Moving the Needle* helps readers clarify their current position, identify their optimum position, and formulate a workable strategy for getting from here to there. Find what "moving forward" means for your career and life Shake off the doldrums of routine and establish a culture of innovation Improve performance on a consistent basis, at every level Break the inertia and get moving in the right direction Stagnation is diametrically opposed to progress. Moving forward requires a vision, a plan, and the impetus to get things done. Those who sense that big things can happen need to get clear, get free, and start *Moving the Needle*.

A Teenager's Guide to Maximizing Your Life

Use this helpful book to learn about the leadership tools to fuel success, grow your team, and become the visionary you were meant to be. True leadership isn't a matter of having a certain job or title. In fact, being chosen for a position is only the first of the five levels every effective leader achieves. To become more than "the boss" people follow only because they are required to, you have to master the ability to invest in people and inspire them. To grow further in your role, you must achieve results and build a team that produces. You need to help people to develop their skills to become leaders in their own right. And if you have the skill and dedication, you can reach the pinnacle of leadership—where experience will allow you to extend your influence beyond your immediate reach and time for the benefit of others. The 5 Levels of Leadership are: 1. Position—People follow because they have to. 2. Permission—People follow because they want to. 3. Production—People follow because of what you have done for the organization. 4. People Development—People follow because of what you have done for them personally. 5. Pinnacle—People follow because of who you are and what you represent. Through humor, in-depth insight, and examples, internationally recognized leadership expert John C. Maxwell describes each of these stages of leadership. He shows you how to master each level and rise up to the next to become a more influential, respected, and successful leader.

Learn how to maximize your potential in minimal time with this compact how-to book derived from *No Limits* by #1 New York Times bestselling author John Maxwell. Many of us hold ourselves back because we firmly believe our abilities are finite. But what if our supposed limitations are just an illusion? In *THE POWER OF YOUR POTENTIAL* John Maxwell identifies and examines the seventeen key capacities each of us possesses. Some we are born with, such as how we think or how we naturally relate to other people. The rest are choices, often unconscious, including our attitude or personal disciplines. All are expandable. Maxwell gives clear and actionable advice on what we can do to improve in each of these areas. From learning to manage your emotions and increase your energy, to conquering procrastination and becoming more comfortable with taking risks, you will surpass your own expectations to become a better you than you ever thought possible.

Maximize Your Potential Grow Your Expertise, Take Bold Risks, and Build an Incredible Career Amazon Pub

#1 New York Times bestselling author John C. Maxwell's latest book will enhance the lives of leaders, professionals, and anyone who wants to achieve success and personal growth. We often treat the word capacity as if it were a natural law of limitation. Unfortunately, most of us are much more comfortable defining what we perceive as off limits rather than what's really possible. Could it be that many of us have failed to expand our potential because we have allowed what we perceive as capacity to define us? What if our limits are not really our limits? In his newest book, John Maxwell identifies 17 core capacities. Some of these are abilities we all already possess, such as energy, creativity and leadership. Others are aspects of our lives controlled by our choices, like our attitudes, character, and intentionality. Maxwell examines each of these capacities, and provides clear and actionable advice on how you can increase your potential in each. He will guide you on how to identify, grow, and apply your critical capacities. Once you've blown the "cap" off your capacities, you'll find yourself more successful--and fulfilled--in your daily life.

Being 'whole' is a very simple way of living and thinking. You will feel better, be more attractive, open doors to more opportunities, and attain the self-confidence to unleash your inner lion! What sets this apart from other self-development books is its simple, unique approach to becoming your best, 'whole' self! It offers insights and simple exercises that

"Become Whole" offers methods to attain a high-performance level of confidence and living that lies between being timid and being overly aggressive. You can let go of negative beliefs from the past, optimize your present, and develop the best future for yourself, as you take complete charge of your life!

Presents twenty-one essays from leading innovative minds that offer advice on crafting a successful career by building valuable relationships, taking risks, and cultivating creativity.

I have been asked by hundreds of my friends: Courtney Lodge, what secrets have you used to achieve so much as such a young age? How did you become: Deputy Superintendent of Police by age 26; Branch Manager at JNBS by age 30; CEO of GSB Credit Union by age 35; CEO of the Caribbean Confederation of Credit Unions (CCCU) with responsibility for over 342 credit unions in 18 countries by age 36; Author at 37; business owner (Strategic Corporate Interventions, SCI, Ltd) at 37, worked for the German BKA/FBI, met numerous presidents/prime ministers and other government officials, visited over 40 countries, and so much more...? This book, Personal Mastery shows how you can do this and much more. It is not limited only to professional growth, but all areas of your life. The 7 Dimensions (7Ds) of Personal Mastery are explained and you are then empowered to use tools and templates to get started in creating your very own Personal Mastery Strategic Life Plans. Based on the level of your diligence and beliefs, you will see immediate improvements in the way you think and operate, and in the results you get in your life. If you only knew how much money has flowed into my life before age 40, you too would want to jump on this Personal Mastery train before the month ends. More importantly, however, if you knew the growth I have experienced in my intellectual, emotional, physical, spiritual and relational development, you would embrace Personal Mastery before today ends. You can maximize your potential...NOW! Buy this book NOW! Use it to enhance your personal development. Tell others about it. Tweet and chat about it online. Help others to develop their powers of Personal Mastery too. The world will be a better place. www.7dpersonalmastery.com #7dpersonalmastery @7dpersonalmastery Courtney "G.O." Lodge, Author, Transformational Speaker, Business Transformation Consultant

"Has the potential to transform how all companies are run...Nothing could be more valuable!"—Mark Drewell, CEO, Globally Responsible Leadership Initiative (GRLI) From two of the world's most successful business leaders comes Common-Sense Business—an accessible, actionable guide to better leadership, increased profits, and a more sustainable economic model predicated on prudence and socially conscious business. Common sense and prudence have long been among the guiding tenets of society, but in today's economy they have been completely abandoned in the interest of blindly maximizing profits. Common-Sense Business shows that this current economic model is both detrimental and unsustainable, and that we must transform the global economy along the lines of common sense toward the common good. Ted Malloch, a thought leader and policy influencer in global economic strategy, and Whitney MacMillan, the former chairman and CEO of the world's largest private corporation, draw on recent research, history's greatest minds, and their own successes to explain that ethically driven business is both a moral and financial necessity. Inspired by Thomas Paine's Common Sense, this work explains to readers in all walks of life that ethically driven business will lead to better long-term profits, larger customer bases and more positive customer relations, and a holistically improved business. This book is a must-read for business owners, entrepreneurs, students, and businessmen and women in all sectors of the economy.

The Wheatgrass Book is written by Ann Wigmore - the woman who introduced wheatgrass juice to America 30 years ago. Ann's book contains a wealth of information on wheatgrass - from its nutrient properties to ways of easily growing it for the home juicer. Chapters include: green power from wheatgrass, how wheatgrass chlorophyll works, super nutrition from wheatgrass, how to grow and juice wheatgrass and the many uses of wheatgrass. This is a must for the person serious about incorporating wheatgrass into his or her health regimen.

Have you ever found yourself wondering, am I creative enough?, or where do I go from here? You are not alone. As you'll read, Elle didn't think she was creative enough, Gabby didn't recognize her creativity, and Luke McElroy hit wall after wall in his own journey of pursuing his God-given calling. Full of useful insights and strategies, Creative Potential explores the process of finding your creative potential. Part memoir and part manual, Luke McElroy will take you on a journey from the beginning of the SALT Conference to the in-depth look at four biblical principles of unleashing your creative potential. Here's a great review from Executive Creative Pastor of Freedom House Church, Stephen Brewster: Every creative person that I know has struggled with the thought, am I enough? Through this book, Luke helps you understand the calling, the commitment to excellence, the need for collaboration, and what happens when your God-given creativity becomes contagious. I wish someone would have unpacked this for me when I was a young creative just getting started, it would have saved me years of fear, doubt, and anxiety. If you have any aspirations to grow your creativity please read this book! Everyone was designed by God with a calling over their life. Yes, that includes you too! And in this personal and powerful new book from Luke McElroy, he shares the never-before-told story of his own journey of finding his calling, and the lessons God taught him in the process. But this is more than just his story. As you read Creative Potential, you'll see that it is also your story, and alongside that story are the four key principles that will help you find and step into your own creative potential within that God-given calling. Join Luke as he helps readers all across the world identify and maximize all the potential that God has given you to fulfill His purposes for your life.

Understanding Your Potential is a motivating, provocative look at the awesome potential trapped within you, waiting to be realized. This book will cause you to be uncomfortable with your present state of accomplishment and dissatisfied with resting on your past success. It will turn your failure into motivation and mediocrity into excellence.

NATIONAL BESTSELLER NAMED ONE OF THE MOST INSPIRING BOOKS OF 2018 BY INC. NAMED ONE OF THE BEST STARTUP BOOKS OF ALL TIME BY BOOKAUTHORITY The Messy Middle is the indispensable guide to navigating the volatility of new ventures and leading bold creative projects by Scott Belsky, bestselling author, entrepreneur, Chief Product Officer at Adobe, and product advisor to many of today's top start-ups. Creating something from nothing is an unpredictable journey. The first mile births a new idea into existence, and the final mile is all about letting go. We love talking about starts and finishes, even though the middle stretch is the most important and often the most ignored and misunderstood. Broken into three sections with 100+ lessons, this no-nonsense book will help you: • Endure the roller coaster of successes and failures by strengthening your resolve, embracing the long-game, and short-circuiting your reward system to get to the finish line. • Optimize what's working so you can improve the way you hire, better manage your team, and meet your customers' needs. • Finish strong and avoid the pitfalls many entrepreneurs make, so you can overcome resistance, exit gracefully, and continue onto your next creative endeavor with ease. With insightful interviews from today's leading entrepreneurs, artists, writers, and executives, as well as Belsky's own experience working with

companies like Airbnb, Pinterest, Uber, and sweetgreen, The Messy Middle will outfit you to find your way through the hardest parts of any bold project or new venture.

Have others ever told you to “stop being so sensitive?” Have you ever looked at other people and wondered how they manage to get through the day without noticing the suffering going on all around them? Do you feel so emotionally delicate in comparison to your peers that you have tried to block out what is going on around you? You may have even resorted to coping mechanisms such as overeating, overworking, or smoking as a means of managing your emotions. Maybe you have tried to “grow a thicker skin,” or attempted to cover up your feelings with humor? Perhaps you have always felt different to others since childhood, but could never quite put your finger on why. If this description resonates with you, congratulations! You may well be an Empath. Unfortunately, an Empath who lacks insight into their own nature is likely to be miserable. Most of us are familiar with the concept of empathy. Aside from sociopaths, who are largely incapable of appreciating what another individual may be feeling, humans are generally able to understand what others are going through in most situations. Empaths, however, constitute the small group of people who not only understand the emotions of others, but literally feel them too. In short, an Empath takes this common human ability of relating to other peoples’ emotions to extremes. If you have no idea why you are so readily affected by the emotions of others and the events around you, you might become psychologically unstable. You will be unsure as to where your true feelings end, and those of other people begin. Hypersensitivity can be a burden if not properly managed, which is why it’s so important that all Empaths learn to harness the special gift they have been given. That’s where this book comes in. Millions of other people around the world share your gifts and lead happy, fulfilling lives. Make no mistake – the world needs us. It’s time to learn how to put your rare gift to use, maximize your human potential, and thrive in life! If you think you (or anyone around you) might be an Empath or the Highly Sensitive Person – this book is written for you. What you will learn from this book: -What it really means to be an Empath and the science behind the “Empath” and “the Highly Sensitive Person” classification. Find out how our brains work and why some people are way more sensitive than others. -What are the upsides of being an Empath – find your strengths and thrive while making the most of your potential and providing value to this world (it NEEDS Empaths!) by making it a better place. -What are the usual problems that sensitive people struggle with – overcome them by lessening the impact that other people’s emotions and actions have on you, while still being truthful to your true nature, and learn how to take care of your mental health. -The great importance of becoming an emotionally intelligent person – learn what EQ is and how you can actively develop it to become much more peaceful, effective, and a happy person. Discover the strategies that will help you stay balanced and be much more immune to the everyday struggles. -The workplace and career choices – realize what you should be aware of and find how to make sure you don’t stumble into the most common problems that sensitive people often fall prey to. -How to effectively handle conflicts, negative people, and toxic relationships – since sensitive people are more much more immune to difficult relations and often become an easy target for those who tend to take advantage of others – it’s time to put this to an end with this book. -How to deal with Empaths and Highly Sensitive People as a non-Empath and what to focus on if you think that your kid might fall under this classification. -How to connect with other Empaths, what is the importance of gender in this context, and how to stay in harmony with your environment – you will learn all of this and more from this book!

In E5 LEADER, business and personal development mentors, Mark Pierce and Paul Koopman, share a unique method designed to teach and motivate you to live in a state of equilibrium and achieve total prosperity in all five pillars of life: spiritually, emotionally, mentally, physically and financially.
