The first critical analysis of the Titanic as modern myth, this book focuses on the second of the two Titanics . The first was the physical Titanic , the rusting remains of which can still be found twelve thousand feet below the north Atlantic. The second is the mythical Titanic which emerged just as its tangible predecessor slipped from view on 15 April 1912. It is the second of the two Titanics which remains the more interesting and which continues to carry cultural resonances today. The Myth of the Titanic begins with the launching of the 'unsinkable ship' and ends with the outbreak of the 'war to end all wars'. It provides an insight into the particular culture of late-Edwardian Britain and beyond this draws far greater conclusions about the complex relationship between myth, history, popular culture and society as a whole.

This popular collection of 280 musical pieces from both the African American and

Gospel traditions has been compiled under the supervision of the Office of Black Ministries of the Episcopal Church. It includes service music and several psalm settings in addition to the Negro spirituals, Gospel songs, and hymns.

Documents the 1952 Coast Guard mission to save the crews of two oil tankers that were torn in half by the force of one of New England's worst nor'easters.

Traditional Gospel Hymn for Easy Piano A SilverTonalities Arrangement! Easy Note Style Sheet Music Letter Names of Notes embedded in each Notehead!

His Roman-Catholic faith has been an enduring part of the life and personality of William Buckley, Jr. Now, for the first time since his ground breaking God and the Man at Yale he has written a book about faith--his own. Nearer, My God, An Autobiography of Faith is William Buckley's superbly written story of his life seen through his abiding love for the Catholic Church, a love instilled in him from childhood. He reminisces about his school days in England, his family, the affect the Lunn/Knox dialogue had on him, and examines many aspects of Catholicism and its theology, doctrine and liturgy and on the way discourses about Lourdes, the vernacular mass, the Church and the State, the Crucifixion, the priesthood, contraception as well as the many people who have assisted him on his life's journey. A remarkable, revealing book about one man and his faith.

"Hymn singing reflects a congregation's spiritual vitality and their response to God's grace.

“They kept it up to the very end. Only the engulfing ocean had power to drown them into silence. The band was playing ‘Nearer, My God, to Thee.’ I could hear it distinctly. The end was very close.” —CHARLOTTE COLLYER, TITANIC SURVIVOR The movies, the documentaries, the museum exhibits. They often tell the same story about the “unsinkable” Titanic, her wealthy passengers, the families torn apart, and the unthinkable end. But never before has “that glorious band”—the group of eight musicians who played on as the Titanic slipped deeper and deeper into the Atlantic Ocean—been explored in such depth. Steve Turner’s extensive research reveals a fascinating story including dishonest agents, a clairvoyant, social climbers, and a

fraudulent violin maker. Read what brought the band members together and how their music served as the haunting soundtrack for one of modern history's most tragic maritime disasters. BOOK REVIEWS The Band that Played On by Steve Turner is, surprisingly, the first book since the great ship went down to examine the lives of the eight musicians who were employed by the Titanic. What these men did?standing calmly on deck playing throughout the disaster?achieved global recognition. But their individual stories, until now, have been largely unknown. What Turner has uncovered is a narrow but unique slice of history?one more chapter of compelling Titanic lore. Turner, a music journalist, pursued living relatives of the band members and squeezed all that he could out of "inherited photographs, documents, and anecdotes" enabling him to sketch brief but poignant portraits of eight young (or at least youngish) men, all born in an optimistic era and all members of the rising middle class. To their parents, their girlfriends, and surely to themselves as well, the future must have seemed bright right up until the early morning hours of April 15, 1912... There is much that we do not know about the final hours of these men. Why did they make the decision to play on the deck that night? What was in their hearts and minds? ... Even the Titanic survivors who witnessed their final performance quibbled over some details. Did the band march or did they kneel? Was their last number "Autumn" or was it "Nearer, My God, to Thee"? Did they stop playing during the final moments and pack their instruments away or were they still playing as the ship went down? All agreed, however, that all eight band

members behaved with remarkable calm and courage. Within hours of the ship's sinking, their story was circulating and they had already become heroes... For Turner, however, the undisputed hero of the book is Wallace Hartley, a fine musician with religious conviction and a powerful sense of duty who seems most likely to have been the force behind those final hours of heroism. In the last pages of the book, Turner reveals a surprising Hartley discovery? a turn of events which makes a fine ending for his worthy book, even as it leaves us hopeful that the Titanic may yet have a few mysteries she is willing to give up. —Marjorie Kehe, Book Editor, Christian Science Monitor

In this New York Times bestseller, the author of *A Night to Remember* and *The Miracle of Dunkirk* revisits the Titanic disaster. Walter Lord's *A Night to Remember* was a landmark work that recounted the harrowing events of April 14, 1912, when the British ocean liner RMS Titanic went down in the North Atlantic Ocean, a book that inspired a classic movie of the same name. In *The Night Lives On*, Lord takes the exploration further, revealing information about the ship's last hours that emerged in the decades that followed, and separating myths from facts. Was the ship really christened before setting sail on its maiden voyage? What song did the band play as water spilled over the bow? How did the ship's wireless operators fail so badly, and why did the nearby Californian, just

ten miles away when the Titanic struck the iceberg, not come to the rescue? Lord answers these questions and more, in a gripping investigation of the night when approximately 1,500 victims were lost to the sea.

This book is written with love based on a true story. Becky Kelley took her nephew to see Santa and he asked, "Where's the line to see Jesus?" It is our hope that this book brings a great message into your hearts and homes about the true meaning of Christmas. May you all be blessed by the innocence of children and enjoy the view of the world through their eyes. About the Author Judith L. Sawyer is a Catholic, born and raised, and has a psychology degree specializing in Marriage and Family. Her inspiration comes first from her cousin Adolf Alexander Noser, S.V.D. who was an Arch Bishop in Papua New Guinea who lived his whole life serving God, wrote a few books himself and when she was 7 he blessed her. Currently he is going through the beatification stage of being canonized a saint. His book Living with God in My Heart will soon be republished. Judith's inspiration also comes from her children. She is a mother of three and was searching for a book to teach them how to pray and who God was. Not being able to find one resulted in the writing of her first book This Is How I Pray. She writes, "My children are significant to me because when I was 27 I had a brain tumor with a rare disease and was told it was improbable that I would ever have

children. So for them I am grateful to God. I believe that God uses everyone for His purpose and I wanted to share that with children when they are young so they understand the gravity of their lives from a higher perspective. I love God for my life and am ever so grateful to be able to share my experiences to help in my own little way to make the world a better place for our children." Becky Kelley was born and raised in St. Louis, Missouri. She first sang on stage at the ripe age of 2 and never looked back. Singing and dancing her way through high school, she ended up going to college in Nashville, Tennessee at David Lipscomb University. It was there, she started to get a taste of the Nashville music scene, singing and performing with some of Nashville's best. After college, Becky decided to go back home, get married, and settle into a family life. Apparently life had other things in store, as she eventually found herself being pulled back into music, recording in the studio and welcoming an exciting new chapter into her life all while embracing her current life at home. While life has gotten busier, it has also become richer. Becky loves using her gifts both in the professional world and also singing her baby girl to sleep at night, praying God is leading her every step of the way.

Inspirational Stories Behind Your Favorite Hymns This classic book, written a century ago by the country's leading hymnologist, offers a collection of uplifting

stories that will revitalize your worship. Originally published in 1903, the book was the first of its kind - a popular book that gave readers a unique look at the history behind the most popular hymns of the era. Did you know: Charles Wesley wrote the doxology to the hymn "Jesus Christ Is Risen Today" The hymn "Oh Little Town of Bethlehem" was written by a Sunday school teacher during last-minute preparations for a Christmas Eve service. "Onward Christian Soldiers" became popular shortly after the end of the Civil War. Discover fascinating facts and inspiring stories behind hymns and the men and women who wrote them. This book is also a valuable source of illustrations for pastors and music ministers. Nearer My God to Thee examines the full story of the army chaplains who accompanied the airborne forces to all theatres of war between 1942-1945. The chaplains landed with their troops, by parachute and on gliders, mainly behind enemy lines, and shared the dangers and challenges of operations from North Africa, through Sicily, Italy, D-Day and Arnhem to the crossing of the Rhine. In the front line of allied action, the chaplains ministered to their men spiritually and materially, performing acts of courage, aiding medical staff, taking services in difficult circumstance and burying the dead. The book examines the role of the chaplains and their differing experiences. At least two died defending the wounded at dressing stations, several took over leadership of the men in the

chaos of battle. At Arnhem chaplains became prisoners of war as they stayed to look after wounded when the allied troops retreated over the Rhine. Chaplains were present with the SAS in North Africa and in France. The book uses hitherto unpublished material including first-hand accounts and letters to tell the dramatic stories of individuals and the multi-faceted work of the airborne chaplains as a whole. Their story is an important part of the narrative of airborne forces in the Second World War.

(Piano Solo Personality). 29 timeless hymns as played by acclaimed pianist Paul Cardall, arranged for piano solo. Includes: All Creatures of Our God and King * Come, Follow Me * Father in Heaven * God Be with You Till We Meet Again * He Is Risen * I Need Thee Every Hour * Jesus, the Very Thought of Thee * Nearer, My God, to Thee * Oh, How Lovely Was the Morning * and more.

For those friends and acquaintances, who have expressed a wish to read the complete story of my life, from my childhood to the present time, I have undertaken the writing of this book. By including even some incidents that, in themselves, may seem trivial, I have tried to make this account a full and accurate autobiography. In modesty, however, I have also desired to render my story as simple as possible, in fact, to give a vivid picture of my work, my opinions and my aspirations, not only as a teacher but also as a writer of sacred

songs; and if I have spoken with a frankness that may seem akin to egotism, I hope that I may be pardoned; for I am fully aware of the immense debt I owe to those numberless friends, only a few of whom I have been able to mention, and especially to that dear Friend of us all, who is our light and life.

"Nearer, My God, to Thee." Nearer My God to Thee Nearer, My God Image (Ukulele). Two dozen timeless hymns arranged especially for ukulele: Abide with Me * Be Thou My Vision * Come, Thou Fount of Every Blessing * For the Beauty of the Earth * Joyful, Joyful, We Adore Thee * A Mighty Fortress Is Our God * Nearer, My God, to Thee * Savior, like a Shepherd Lead Us * What a Friend We Have in Jesus * and more!
