Change is constant. It happens regardless of how careful you are in your actions. The same goes in ecosystems. There are events that trigger short-term and/or long-term changes. "Money he couldn't live without." "Prestige, he used to his advantage."

Manipulation through kindness, and sex from gullible women is what Robert Clark used to escape the street life of drugs, in the slums of Bed-Stuy, Brooklyn, New York.

When night comes, look at the sky. If you see a falling star, dont wonder why, just make a wish. Trust me, it will come true, because I did and found Jesus Christ. There are more types of pressure than there is grass growing on the plains of the Highveld. Do not give up when you still have something to give. I know that through Christ I am strong enough to make all my dreams come true. I know love, therefore I give love. I recognise that my love has great value and must be reciprocated. If my unconditional love is taken for granted, it doesnt disappear. I am quite capable of articulating my needs. I know that with God the world is my playground, but without God I will just be played with. I understand that my life experiences are merely lessons meant to bring me closer to self-knowledge and unconditional self-love. I know that I will at times have to inspire others to reach the potential God gave them. I know my past, understand my present and face my future. I am not afraid of tomorrow for I have seen yesterday and I love today. Jim Rohn says that happiness is not something you postpone for the future; it is

unsayable, doing the undoable, challenging us to keep our eyes open to disintegration and pain. At the core of each tale is an erotic intensity, realized in urgent prose and unforgettable stories.
