On May 26, 1999, the U.S. Commission on Civil Rights conducted a hearing in New York City to examine current police practices & their impact on civil rights in the community at large. The Commission had a strong interest in studying the methods used by the city to balance crime fighting with the exercise of appropriate restraint, particularly following the highly publicized tragedies involving Abner Louima & Amadou Diallo. This report is intended to offer insights into some of the tensions that exist between the New York Police Dept. & the

communities that it serves. Chapters: recruitment, selection, & training; police-community relations; & civilian complaints. "...Score #1 on the Test! Just Like I Did!" This book is subtitled "A Comprehensive Review of the New York States First-Line Correctional Supervisors Test" which is the title of the civil service test for the promotion of Sergeant in most NYS County Correctional Facilities. This book contains an outline of the above entitled exam - and is a comprehensive review of New York State's Minimum Standards. If you are looking for an outline for the above entitled exam and a review of New York State's Minimum Standards - Then this book is for you. Welcome to the Ultimate Correctional Sergeants Exam Guide a comprehensive review for the exam entitled "New York State's First-Line Correctional Supervisors Test." You have bought the most advanced book ever published for this promotional exam. The purpose of this book is to provide the reader with an outline of the above entitled exam as well as a powerful and comprehensive system for learning the New York State Commission of Corrections Minimum Standards. Combining the information from the test guide provided by the New York State Department of Civil Service, this guide will prove invaluable for anyone studying for the above entitled exam. This book has been carefully designed to reinforce your understanding of the laws behind the New York State Commission of Corrections Minimum Standards so that you are better equipped to take the promotional exam. This book will also help you to perform your job to the best of your ability. Let's face it - whether you like it or not, the New York State Commission of Corrections Minimum Standards are the laws of the State of New York. If you do not know these rules and guidelines, you may be in violation of the law- potentially causing yourself unnecessary liability. As a corrections professional, you owe it to yourself to know these rules inside and out. The reason that I sat

down and compiled this information is because while I was studying the New York State Commission of Corrections Minimum Standards, I had a hard time reading through the boring page after page of legal terminology. So as a study guide for myself, I decided to break down the information into smaller pieces so that I could better understand the information. The end result is this study guide! Besides being a terrific study guide for the above entitled promotional exam, this book is also an excellent guide for any person seeking a better understanding of the complex laws that govern most county correctional facilities in New York State. I hope that this book will give you the edge that you need in order to score those few extra points that could make a difference for you in your career. My motto is "Score Higher-Get Hired!" Best of luck, Eric L. Morin -Corrections Officer - Rensselaer County, NY "Score #1 on the Test! - I did- You Can Too!"

Housing in New York provides accurate, current, and easily understood information on New York's supply and location of housing, including data on rents and housing conditions; and on housing needs, including information on the incomes, socioeconomic characteristics, and housing expense burdens of the city's nearly two million renters. Wherever possible, the author compares current and past housing and market conditions to help gauge whether things are improving or getting worse. The study begins with a review of the major findings from the 1984 Housing and Vacancy Survey. The author summarizes recent changes in the size and composition of the city's population and housing stock. Emphasis is on changes in the control status of rental housing and the growth in cooperative ownership since 1981 and on changes in the racial and ethnic mix of New Yorkers. Stegman offers a thorough analysis of rental vacancies in New York, including the physical condition of the city's occupied rental stock. He deals in considerable detail with rent levels and with how rents have changed since 1981 for various types of households. He also examines how well owners and renters have fared in their battle to stay ahead of the rising cost of living. In the final chapter Stegman analyzes changes in new construction activity and other sources of housing supply, including the return to the occupied stock of units that had been declared losses at the time of the 1981 Housing and Vacancy Survey. He concludes with an analysis of the size, composition, location, and occupancy characteristics of the city's in rem housing inventory. This

startling fact: Most students didn't struggle with the subject, they struggled with the language. It was never about brains or ability. His students simply didn't have the knowledge of the specific language needed to succeed. Through experimentation and research, he discovered that for any subject there was a list of essential words, that, when mastered, unlocked a student's ability to progress in the subject. Lewis called this set of vocabulary the "Insider's Words". When he applied these "Insider's Words" the results were incredible. His students began to learn with ease. He was on his way to developing the landmark series of workbooks and applications to teach this "Insider's Language" to students around the world.
