I'm a scavenger. So what? With society's collapse on Earth, I do what I have to for survival. Especially after I'm kidnapped by space pirates. Because, hey, it's better than probes in uncomfortable places. Now let's just hope they don't find out I'm lying.

Bahzell Bahnakson, one of the Hradani, a race that is despised for their rages, thirst for blood, and generally uncivilized behavior, runs afoul of the War God and ends up in trouble involving sorcery, demons, and a great deal more. Reprint.

From Morgan Rice, #1 Bestselling author of THE VAMPIRE JOURNALS, comes the first book in a new trilogy of dystopian fiction. New York. 2120. American has been decimated, wiped out from the second Civil War. In this post-apocalyptic world, survivors are far and few between. And most of those who do survive are members of the violent gangs, predators who live in the big cities. They patrol the countryside looking for slaves, for fresh victims to bring back into the city for their favorite death sport: Arena One. The death stadium where opponents are made to fight to the death, in the most barbaric of ways. There is only one rule to the arena: no one survives. Ever. Deep in the wilderness, high up in the Catskill Mountains, 17 year old Brooke Moore manages to survive, hiding out with her younger sister, Bree. They are careful to avoid the gangs of slaverunners who patrol the countryside. But one day, Brooke is not as careful as she can be, and Bree is captured. The slaverunners take her away, heading to the city, and to what will be a certain death. Brooke, a Marine's daughter, was raised to be tough, to never back down from a fight. When her sister is taken, Brooke mobilizes, uses everything at her disposal to chase down the slaverunners and get her sister back. Along the way she runs into Ben, 17, another survivor like her, whose brother was taken. Together, they team up on their rescue mission. What follows is a post-apocalyptic, action-packed thriller, as the two of them pursue the slaverunners on the most dangerous ride of their lives, following them deep into the heart of New York. Along the way, if they are to survive, they will have to make some of the hardest choices and sacrifices of their lives, encountering obstacles neither of them had expected—including their unexpected feelings for each other. Will they rescue their siblings? Will they make it back? And will they, themselves, have to fight in the arena? ARENA ONE is Book #1 in the Survival Trilogy, and is 85,000 words.

Having just escaped from the treacherous island that was once Manhattan, Brooke, Ben, Logan, Bree, and Rose make their way

up the Hudson River in their stolen boat, low on fuel, low on food, and desperately needing shelter from the cold. As they make their way upriver in this post-apocalyptic, action-packed thriller, on their way to try to find the mythical city in Canada, they will need to use all their ingenuity and survival skills to stay alive.

The vast red desert of Arena sprawls south and westward from the nurturing plains of Penance. Spurred onward by the ancient promise of gold buried beneath the sands, massive armies of brutal warriors rumble across the scarred and wasted terrain. For the fortunate few, the ultimate dream of Arena still comes true - immeasurable riches, supreme command, and decades of extravagant and luxurious living atop the Queen's pedestal of pleasure. For most however, whatever dreams they may harbor are soundly crushed under years of backbreaking labor, constant battle, exhausting marches, gruesome butchery, and an infinity of accursed crimson sand. For the prospective Warlord, a sea of troubled choices and impossible trials awaits. Can you lead your army to victory against the savage legions of Minos Spar, the terrible war golems of Asheanna, or the unnatural technology of Ossian? Will your hidden mine escape the attention of the flying navies of the Grand Asherake? Strategy, fortune, alliances, and leadership are your only weapons in this endless and unforgiving struggle for wealth, power, and glory. Oathbound: Arena provides a new entry point into the world of the Forge. This is the Domain of Barbello, the Mask of Fury, the invincible mistress of rage, pain, warfare, and death. Who amongst you can withstand her test?
