Mr. and Mrs. Zhang live with their grown son. One day an old friend comes to visit and tells of a monkey's paw that has magical powers to grant three wishes to the holder. Against his better judgment, he reluctantly gives the monkey paw to the Zhang family, with a warning that the wishes come with a great price for trying to change fate.

residents of all ages and illustrated with captivating photographs by Ann Ehringhaus and Herman Lankford, the book offers valuable insight on what makes Ocracoke special. In short, by tracing the history of island speech, the authors succeed in opening a window on the history of the islanders themselves.

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Vols. for 1964- have guides and journal lists. Argues that the courts should have only a limited role in federal policymaking, and discusses examples of the courts becoming too involved in setting standards Drawing extensively on papers in the Kennedy and Johnson libraries, this study details the subtle bargaining and communication process between the White House and Congress. Bowles analyzes the political and administrative importance of the Office of Congressional Relations (OCR), which regularly helped Johnson persuade Congress to vote for his bills, and describes how a weakened OCR damaged Johnson in the last years of his presidency. Two additional chapters discuss the politics of congressional relations under the Carter and Reagan administrations.
