

Outcomes Upper Intermediate Class Audio Cd

Real situations, real language, real outcomes. The second edition of "Outcomes" is the only course that is consistently focused on helping students achieve the real world communicative outcomes they want and need. This lexically rich course emphasises students' need to have the conversations in English that they would in their own language. This new edition contains more contemporary and global content, reflecting English as it is used in the world and is visible via rewritten texts and new National Geographic photos and videos. There is a strong emphasis on real and natural English usage so students can develop the English language skills necessary for the real world. Innovations is a new five-level general English course for classes looking for new material with a fresh approach. Based on a language-rich, lexical/grammatical syllabus, it starts from the kinds of natural conversations that learners want to have.

Outcomes presents English as it is used in the world through contemporary, global content and stunning National Geographic photos and videos. Its trademark lexically-rich approach shows students how vocabulary works, and the evenly-paced grammar syllabus provides examples and tasks based on what people actually say and write. With a huge variety of talking points and practice, Outcomes teaches students the English they need to communicate outside the classroom. Six inspiring National Geographic videos provide real, global input Twelve Conversation Practice sections

A searing indictment of global finance, exploring how the banking sector grew from a supporter of business to the biggest business in the world, and showing how societies might fight against financial hegemony. Financial journalist Nicholas Shaxson first made his reputation studying the “resource curse,” seeing first-hand the disastrous economic and societal effects of the discovery of oil in Angola. He then gained prominence as an expert on tax havens, revealing the dark corners of that world long before the scandals of the Panama and Paradise Papers. Now, in *The Finance Curse*, revised with chapters exclusive to this American edition, he takes us on a terrifying journey through the world economy, exposing tax havens, monopolists, megabanks, private equity firms, Eurobond traders, lobbyists, and a menagerie of scoundrels quietly financializing our entire society, hurting both business and individuals. Shaxson shows we got here, telling the story of how finance re-engineered the global economic order in the last half-century, with the aim not of creating wealth but extracting it from the underlying economy. Under the twin gospels of “national competitiveness” and “shareholder value,” megabanks and financialized corporations have provoked a race to the bottom between states to provide the most subsidized environment for big business, have encouraged a brain drain into finance, and have fostered instability, inequality, and turned a blind eye to the spoils of organized crime. From Ireland to Iowa, Shaxson shows the insidious effects of financialization on our politics and on communities who were promised paradise but got poverty wages instead. We need a strong financial system—but when it grows too big it becomes a monster. *The Finance Curse* is the explosive story of how finance got a stranglehold on society, and reveals how we might release ourselves from its grasp.

A new general English course which focuses very strongly on student motivation and

communicative speaking outcomes. Package includes DVDs and interactive whiteboard resources.

Outcomes is a completely new general English course in which: Natural, real-world grammar and vocabulary help students to succeed in social, professional, and academic settings CEF goals are the focus of communication activities where students learn and practice the language they need to have conversations in English Clear outcomes in every lesson of every unit provide students with a sense of achievement as they progress through the course 'Speakout' is a 6-level general English course for adults developed in association with the BBC; bridging the gap between the classroom and the real world helping students express themselves in English.

Using an inquiry-based approach to learning, Oxford Discover develops the communication skills and thinking skills students need for success in the 21st century. Who are your family and friends? Where can we see colors? How can we make music? Oxford Discover uses Big Questions such as these to tap into students' natural curiosity. It enables them to ask their own questions, find their own answers, and explore the world around them. This approach to language learning and literacy, supported by a controlled grammar and skills syllabus, helps students achieve near-native fluency in English. Oxford Discover gives teachers the tools to develop children's 21st century skills, creating young thinkers with great futures. Use with Show and Tell as part of 9-level course.

The Students' Book has a motivating DVD spread at the end of every unit. Based on authentic clips from the BBC's rich archive, these lessons are designed to consolidate language and act as a springboard for further speaking and writing tasks. Upper Intermediate: B2 to B2+, Global

Scale of English 59-75

Cambridge English Empower is a general adult course that combines course content from Cambridge University Press with validated assessment from the experts at Cambridge English Language Assessment. The Upper Intermediate Student's Book gives learners an immediate sense of purpose and clear learning objectives. It provides core grammar and vocabulary input alongside a mix of skills. Speaking lessons offer a unique combination of functional language, pronunciation and conversation skills, alongside video filmed in the real world. Each unit ends with a consolidation of core language from the unit and focuses on writing within the context of a highly communicative mixed-skills lesson. This version of the Student's Book does not provide access to the video, assessment package and online workbook. A version with full online access is available separately.

A new course with a strong focus on student motivation and communicative outcomes. The package includes DVDs and interactive whiteboard resources.

The Teacher's Book is accompanied by a DVD-ROM with tests in both PDF and editable Word format, along with a series of teacher training videos. There is also additional photocopiable material in the Teacher's Book, with a focus on material for the Speaking test.

Outcomes is a completely new general English course in which: Natural, real-world grammar and vocabulary help students to succeed in social, professional, and academic settings CEF goals are the focus of communication activities

where students learn and practise the language they need to have conversations in English. Clear outcomes in every lesson of every unit provide students with a sense of achievement as they progress through the course.

Featuring remarkable people communicating passionately and persuasively, TED Talks provide the ELT classroom with inspiring ideas and an unparalleled source of authentic language input.

Do you hate teaching some aspects of grammar? Do you ever feel frustrated that your students just don't get it? Well, in *Grammar Nonsense*, Andrew Walkley and Hugh Dellar argue that you shouldn't really blame yourself. The fault lies largely with the way grammar rules and methods have been passed down through training and published material and become established as the way of doing things: a straightjacket that we need to escape from. Through an entertaining series of rants and meditations on all things grammatical, from the use of the word grammar to the horror of teaching verb patterns, they aim to pull apart rules which we give without thinking and to question approaches to practice that are seen as a must. Along the way, you'll not only learn how published materials get written and about ideas such as the transformation fallacy and grammar olives, but you'll also get plenty of practical suggestions as to what to do about all this nonsense.

Outcomes National Geographic Learning

Outcomes is a completely new general English course in which: . Natural, real-world grammar and vocabulary help students to succeed in social, professional, and academic settings . CEF goals are the focus of communication activities where students learn and practise the language they need to have conversations in English . Clear outcomes in every lesson of every unit provide students with a sense of achievement as they progress through the course

INNOVATIONS is a new five-level general English course for classes looking for new material with a fresh approach. Based on a language-rich, lexical/grammatical syllabus, it starts from the kinds of natural conversations that learners want to have. Online Teacher Training available!

Extensive reading improves fluency and there is a real need in the ELT classroom for contemporary graded material that will stimulate students. John Lennon: Nowhere Boy is based on the 2009 hit British film about the iconic musician growing up as a rebellious but gifted teenager in 1950s' Liverpool. The enduring global success of the Beatles and the continued interest in Lennon's life and music make this an appealing reader for older teenagers.

Business Benchmark helps students get ahead with their Business English vocabulary and skills and gives them grammar practice in business contexts. The

Audio Cassettes contain all the recorded material for the listening activities in both editions of Business Benchmark 2, including BEC practice test listening. A new, refreshed edition of the five-level English course for teenagers, with a clear structure, supported approach to speaking, practice, and exam preparation still at its heart. Solutions has been thoroughly modernized with 80% new content to draw in students, embed the grammar and vocabulary presented, and engage them in the tasks. Its guided approach builds up every student's confidence, through step-by-step objectives, lots of practice, meaningful personalization activities, and exam preparation tasks. The course now embraces a wide range of teaching methods, furnishing the teacher with a flexible pick-and-choose package for use in the classroom, at home, and on the move. The digital elements of the course enliven the material and allow teachers to vary the pace and focus of their lessons. Solutions turns all students into active learners, by offering a rich variety of learning opportunities for a whole range of abilities through extension and revision activities in all components - giving everyone a sense of achievement whatever their level. The Solutions Second Edition DVD-ROM material and worksheets bring the language to life by taking it out of the classroom and into authentic settings.
