Remember - it's those which are devoted to action which make a real difference in their personal lives. The major variation among the wealthy and the poor is that wealthy individuals act (since these guys are really committed to their wealth), while the poor are people who have the tendency to think about change, but rarely take the actions needed to make it.

Therefore, when you commit to one stream of passive income, consistently work on it for at least one year before deciding if it is successful or not. As you are creating and listing more and more products for sale, you will have to keep track of them. Starting from page 51, there are product tracking spreads for you to record everything you are creating and selling. mNow what are you waiting for?
