"It is a real treat to find a series of police procedurals with a steamy, gritty, real-life type drama such as these. I am really looking forward to the rest of the series coming out." Reviewer - Charles Smith "This book should come with a warning label that says, *Do not read if you have a heart condition*." Reviewer - Rhonda H . **Note: This book contains a major cliffhanger, and just like your favorite television show, we want you to come back for more. This series is one continual investigation with several very intense crimes that can not be done justice to in between the covers of one book. In Love Inked... Detective Kali Mann returns from leave to find a new partner assignment. Not only is she bitter about recent events, but she's irritated to be saddled with the model-beautiful rookie detective Evelyn Harper. What's worse, Evie doesn't just want to be partners—she's striving to make them friends. Another brutal Serial Killer is in town, and Evie finds that she has a lot to learn, especially when it comes to her new partner. Evie is not deterred, in fact, she's determined to fit in and earn Kali's respect, and maybe calm the waters between Kali and Detective Sergeant Greg Shavers in the process. As Kali and Evie find their footing and search for clues to the recent murder, an explosion rocks their police family, and Kali and Evie team up with others to find the culprits responsible. An action-packed full-length novel that takes you through the streets of Philly as you ride-along with Detectives Kali Mann and Evie Harper while they deal with crime, tragedy, and new romances. The Twisted Love Series: The Series consists of nine stories overall. Two novellas start the series: Love Lorn (Manemann) and Love Torn (Eaton), and four full-length novels co-written between the two authors. The four full-length novels are action-packed as Evie and Kali find a way to work together and solve a series of brutal murders, while investigation other cases along the way. While the books are stand-alone, reading them in order will give you the best understanding of what is happening as the serial murder case will last through all four full-length novels. The series will end with three more books that will be announced later. Love Lorn, Book 1, Manemann Love Torn, Book 2, Eaton Love Inked, Book 3, Eaton & Manemann Love Drowned, Book 4, Eaton & Manemann Love Carved, Book 5, Eaton & Manemann (2020) Love Trapped, Book 6, Eaton & Manemann (2020) Love Crossed, Book 7, Manemann & Eaton (coming soon) Love Twisted, Book 8, Eaton & Manemann (coming soon) Love Lies, Book 9, Eaton & Manemann (coming soon)

Parker: I knew when I received this assignment that I wasn't serious about it. A wounded vet? Get real. There was no way in hell I could find anything to say to him, other than, "Thank you for your service." Everyone in class thought that assignment of adopting a veteran was a cool idea, so I said, "Whatever," and threw myself into writing the best letter I could. I included everything I thought a soldier would want to hear who was away from home. I could have just written a simple letter, but being an overachiever, yeah right, that was why my parents demanded, "Either you go to college, or you're getting out of here." That was the main reason I found myself enrolled in college, not expecting to ever think about anything but partying, and whatever a gay man did who wanted no complications in his personal life. Now I was expected to write letters. WTF. Talk about complicated. Text maybe, but writing letters? Get real. That was above my pay grade. However, I needed to graduate, so I put my heart and soul into those letters, and the results were unexpected. Now that vet wanted to meet a beautiful, thoughtful, and sensual woman. I hated to shatter his heart, because I was anything but that. How do I tell him I'm not a woman? I'm a man and I'm gay.Well, I told Tony, and now for the complicated part. Book 2 contains straight to gay, hurt/ comfort, fake boyfriend, mild age play, and HFN.

writers have chosen to start the dialogue. In stories of crime, mystery and suspense these authors have left the guns out to show for a short while that we can do without them and the plot doesn't fall apart. Maybe, in a small way, we can show that the American way of life doesn't cease to be, either. Not anti-gun, Unloaded Vol. 2 is pro-reason. These authors comprise gun owners and non-owners, voters on both sides of the political aisle. The cause that unites us all is the desire to see the senseless killing stop and to be able to have the discussion without the divisive language, vitriol and name calling that too often accompanies this debate. The top priority in these stories is to entertain with thrilling action and suspense that readers know and love about a crime story. To do so without guns leads to some creative leaps from writers who spin tales of simians on the loose, androids with buried secrets, punk rock shows and tattoo shops. Bestselling authors like Chris Holm, Lori Rader-Day, Bill Crider, Laura McHugh, James Ziskin and John Rector along with many more join together to call for an end to the needless violence and a start to a reasoned debate. With a forward by legendary Sara Paretsky, Unloaded Vol. 2 is a book we wish wasn't needed. But staying silent is no longer an option. Proceeds go to the non-profit States United To Prevent Gun Violence. Praise for UNLOADED VOLUME 2: "[A collection of] entertaining and often thought-provoking stories." —Publishers Weekly
