

## Receive And Activate Spiritual Gifts

Every move of the Spirit of God throughout history has led up to this moment in time. From the days of John the Baptist God has been restoring His Kingdom on the earth. When Jesus came on the scene He declared saying, the time is fulfilled, repent (change your mind) and believe the Gospel of the Kingdom. The message of the Kingdom is a message of dominion, authority and purpose. According to Apostle Peter every born again believer is part of the priesthood of kings. Most believers are well acquainted with their priesthood but do we understand our kingship and how to walk in it? As a priesthood we can worship the Father in Spirit and Truth, sing, pray and prophesy. But what about our kingship? Throughout this book the Holy Spirit reveals this pivotal mystery of every believer's kingship. Jesus is the Kings of kings, discover who these kings are and take your position in Jesus? Kingdom revolution.

Author of the "Prophets" series, Dr. Bill Hamon brings the same anointed instruction in this new series on apostles! Learn about the apostolic age and how apostles and prophets work together. Find out God's end-time plans for the Church!

Everyone has at least one spiritual gift, according to the Bible. But many don't know what that gift is or how to use it. This book provides clear steps and guidelines to find and activate spiritual gifts. The eight lessons offer biblical insight on what the gifts are and practical suggestions on how to use them. This book will especially help those leading a small group to know how to discern the different gifts among group members-and then to help each person activate that gift. The only way to discover spiritual gifts is in the context of relationships. Spiritual gift tests, while helping believers to think through the possibilities, are insufficient in themselves. The atmosphere of trust in a small group is the key cornerstone that allows the free flow of the spiritual gifts. When trust is established, people are more willing to risk and try out new, potential gifts. A small group can provide honest feedback about the person's success, as well as areas of improvement. This book prepares each small group member to understand what his or her spiritual gift is and then instructs the person how to use that gift. Discover is a great resource to use individually, in a small group, or in a classroom teaching setting.

West of Jesus is a condensed journey through Church history that establishes the Orthodox Church as the Body of Christ, as the Church founded by the Lord Jesus in the first century. Protestantism's schism ended in the abandonment of Holy Tradition. This resulted in the relegation of sacraments to mere symbols, a misunderstanding of the process of salvation, and other misunderstandings of Scripture.

Discover what the Bible says about the gifts of the Holy Spirit. God provides everyone with spirit-given abilities for their walk of faith. Learn about those gifts and put that knowledge to action in the Spiritual Gifts Challenge.

Dominican priest Leo Thomas applies the wisdom of pastoral care to the ministry of religious healing. He does so with practical, concrete, step-by-step explanations of how to offer healing to those who are hurting. The book's goal is to show Christians-lay and ordained, Catholic and Protestant-how to minister together in a powerful way so that hurting people can experience the healing love of God who meets them in their need. The end of each chapter contains reflection questions to help readers bring healing into their own lives while deepening their spirituality. Also included are chapter summaries and a list of recommended resources that expand upon the subjects covered.

The Lord's desire is for all believers to be endued with and demonstrate the power of the Holy Spirit to bear witness to who He is. We are to be His witnesses everywhere, and always. The gifts of the Spirit are like our "toolbox," containing tools given to us to manifest the power of the Holy Spirit, so that the Lord Jesus will be glorified, and people will be touched, ministered to, and transformed, everywhere we go. The Holy Spirit distributes and manifests these gifts as He wills. But as co-workers with Him, we must earnestly desire these gifts and we must learn how to yield, cooperate, and properly release these gifts so that people will be ministered to as He desires, and Jesus will be glorified. Often, because we do not know how to cooperate with the Holy Spirit, we either quench, grieve or even resist His expressions through us. This book is intended to be a simple and easy to use training manual to help believers understand and learn how to flow with the Holy Spirit to release the gifts of the Spirit. The goal is to see believers moving and releasing the gifts of the Spirit regularly, anywhere, and at any time as the Spirit of the Lord moves through them. In this publication, Apostle Frequency Revelator contends that the gifts of the Holy Spirit are the most valuable assets bequeathed upon believers in the Body of Christ has since the beginning of time. Without the backing of these gifts, the church would not be functioning at the level of fullness of God. As a believer, it is important that you understand and know the operation of all the gifts of the Holy Spirit, namely; prophecy, faith, miracles, healing, discernment, word of knowledge, word of wisdom, diversities of tongues as well as their interpretation. Like all other things in the Christian life, the gifts of the Holy Spirit also must be taught to be practiced. Paul precautiously admonished the Church of Corinth not to be ignorant of spiritual gifts. Basing his revelation of the foundational doctrine of the apostle Paul, Apostle Frequency Revelator further explores the divine truth that the gifts of the Holy Spirit are not called up at the fancy of the vessel God chooses to use. Instead, they are a divine legitimate birth right irrevocably bequeathed upon every believer in Christ. In this book, Apostle Frequency Revelator dissects on both the revelational and practical aspects of operating the gifts of the Holy Spirit, categorically synthesising them into revelational gifts, vocal gifts and power gifts. Definitions and explanations are given on each gift as well as elaborate explanations of the "how" of each operation. Christians need to understand what type of gifts they are receiving before they can operate in them. Apostle

Frequency Revelator further points out the reality that the gifts of the Holy Spirit are not manifesting to their highest level of potential in some places because of a lack of proper Biblical teaching. This revelational teaching will therefore bring faith and understanding for the operation of the gifts. The reading of this book will therefore cause you to understand the call of God in your life so that you can flow in the dispensation of God's grace upon your life. It will also assist you in terms of knowing the limits and boundaries of the operation of His gifts in your life. Ultimately, it will catapult your faith to the highest realms of the supernatural whereby you shall operate in all the gifts of the Spirit for the empowerment, edification and advancement of the Church.

A study on the supernatural is very broad; therefore, it is my goal to help individuals understand the supernatural from a scriptural perspective by defining the prophetic. In doing so, the reader will embrace the vast biblical extent of man's interactions with God, explore various dimensions of the Spirit realm, and learn what it means to live under an open heaven. In fact, this book will cover over 21 ways in which God may choose to interact or communicate with us as believers and much more. This is a book of both information and impartation. The pages of this book will literally come alive, as there have already been testimonies of various God encounters from those who have previously reviewed the writings contained. You will not only read this book, but you will experience what you read, and the things you learn will stir up the gifts that are on the inside of you. Get ready to take the limits off of your life. Get ready to be accelerated in the prophetic, because God is about to blow your natural mind with a supernatural revelation. I reiterate that this is not merely a book. This is an impartation.

The Lord through the Holy Spirit is raising up an invincible, unstoppable, unconquerable, and overcoming Army to bring in an end-time harvest. The Lord is calling. Are you part of God's army? In his new book, *Activating the Present-Day Ministry of the Holy Spirit*, author Dr. Lon Stettler is calling those the Holy Spirit is recruiting into action to minister in these last days. This second book in his two-part Activation series outlines the three perspectives of the Holy Spirit's present-day ministry. The first perspective focuses on understanding scripturally how a person enters into the ministry of the Holy Spirit through the baptism in the Holy Spirit, speaking in tongues, and manifesting spiritual gifts. This leads into the second perspective, which is understanding the restoration ministry of the Holy Spirit to bring the church into maturity and number. The final perspective is the actual activation process to mobilize each ministry of the Holy Spirit - the baptism in the Holy Spirit with speaking in tongues, accelerating the development of the fruit of the Spirit, and activating gifts of the Spirit in your ministry. Dr. Stettler felt God leading him to write a two-part series at the start of 2020, with the first book discussing a righteousness consciousness through the identifying of Christ in us. This book then focuses on the ministry of the Holy Spirit and how to activate it in our lives and ministries. His hope is that those reading become aware of what God has gifted them with after they accepted Jesus in their hearts, the awakening of the Holy Spirit in their lives. With this new understanding, readers will begin to activate their divine gifts and ministries to be a minister in the marketplace, the public square, and the local church.

The Spiritual Gifts (Part 2): The Gifts of the Holy Spirit is the second part of a two part series on the spiritual gifts. This revised edition is in study outline format to make reading and studying much easier. Part 2 covers the gifts of the Holy Spirit found in 1Corinthians 12:4-11, also called the manifestations of the Spirit. The gifts of the Holy Spirit- word of wisdom, word of knowledge, faith, workings of miracles, gifts of healings, prophecy, discerning of spirits, tongues, interpretation of tongues- are the manifestations of the presence and power of the Holy Spirit. These gifts are bestowed by God's grace and through the Holy Spirit, but also according to the will of God. Everyone who is born of the Spirit can manifest any of these gifts to some degree, but one must earnestly desire them and be surrendered to God in order to be used in them on a regular basis. The purpose of this book is to help you better understand these gifts, receive and activate these manifestations of the Spirit, and become more anointed in these gifts and fulfill your calling in God.

If you're like most people you have questions about God that are difficult to find answers for. But, there are answers to some of these and other intriguing, and sometimes troubling, questions about life inside this book in easy-to-understand language. This book is designed to lessen some of the mystery of God. God wants us to know more about Him and His plans for us. God wants us to know about His Son, Christ Jesus, and exactly what He did for us then and what He does for us now. God wants us to know about His power, the Holy Spirit, and what He does. God wants us to understand how we are viewed by Him and how we fit into His overall plans. He wants us to see ourselves, the condition that we have, and the position that we are in. God wants us to understand that there must be a faithful and productive relationship

between Him and us if we are to please Him. And we must have a solid understanding of how that relationship itself works. It is extremely important that we know what sin is and how it affects our relationship with Him. He wants and expects us to know all these things. God has never wanted to remain a total mystery to us because we cannot serve Him if He is a total mystery. Therefore, this book explains to the undecided, enlightens the newly converted, and reinforces for those already "born again" the necessity of understanding the relationship between God and themselves. Also, you will come to know that there are choices that must be made that only you can make. But they will not be as difficult to make once you have a better understanding of the relationship between God and man.

This book, a testimony of the author's life experiences permitted by God, is simply God's predestined release of just one of many tools specifically designed to awaken His Church from its state of apostasy. As the author unveils Satan's strategic plan to abort her God ordained destiny to preach, the fundamentals of apostasy which not only worked against her but continue to work against the true Church of today are also revealed. Evangelist Waiters meticulously contrasts the activation of spiritual gifts, such as dreams of Hell in her childhood, versus satanical attacks like molestation, racial struggles, voodoo, betrayals, addictions, promiscuity, and abortion designed to destroy her even before she received Christ and recognized the call on her life. God delivered her from the jaws of death several times. After receiving Christ and being gloriously baptized in the Holy Ghost, she records experiences in church which promoted Satan's plan of destruction more so than God's plan of redemption. She shares events which ultimately led her back into cycles of destruction including internet dating. Nevertheless, her testimony serves as God's heart cry and warning to clergy worldwide against the mishandling of His children seeking Him as their refuge. Eventually, God's grace brings her to the realization that she is not the vessel of dishonor she resigned herself to be, but that she was systematically being trained and qualified to sound an alarm to the Body of Christ. Consequently, this book exposes the workings of the spirit of Jezebel which operates hand-in-hand with apostasy. Satanic snares and contracts are exposed, along with explanations as to why Believers remain bound and ineffective, through the discussion of false prophets, greed, tradition and idolatry. The author concludes by extending hope to readers through the discussion of salvation and why we need Jesus Christ to save us.

In an age of self-discovery, self-examination and self-awareness, God is found evident in us. Be it super-ego mind-sets, in consciousness or unconsciousness, as Christians, God still lives in us "in the creation of pure intent formed within us. Even in the negation of superficial content, the Now is acknowledged by us. We recognize that simple acceptance of the Now is just not enough. Christians have experienced and understood these secrets. We have been taught how to unfold the mysteries through the supernatural teachings of Jesus Christ our Lord and Savior. Remember the Heights embodies the fundamental steps in reaching these truths. This book is written for one of the largest and fast-growing Christian movements in market history. Remember the Heights reveals the manner or method of achieving heaven on earth as introduced by Jesus Christ. What is more, only through our Creator are we characterized as complete beings. One thing

is absolute: it all begins without end in the eternal. The blissful unseen has always been our now in Jesus Christ as Christians!"

How does distance healing work? If you have a concept of how a smart phone works you can understand how distance healing works. There is no cord connecting you to the other person, but the evidence is there because you are having a conversation on your phone. We are connected through the sea of quantum fields around us to others by our Light, just like the smart phone. My name is a Light signature and the more I connect the name Alexandra to other Light signatures their Light will sync to mine. You can access Light signatures of others by speaking the encodement of their name (signature). We establish many links in the Field with other's Light signatures when we connect verbally as well as by our thoughts. Those we live with have the strongest Light connection. We have trouble getting over a lost love because of all the strands of Light between us. These strands of Light must be released before we can successfully move into the Light field of another partner. When technology and spirituality get married they give birth to Miracles. Miracles happen in the Field as we distance heal another's Light by allowing the other Light connection to correct. We as the healer are there for the healing to take place; we are the observer in the quantum field. God is the healer! Our belief that healing is possible allows the miracle to happen.

Do you walk out of Church on Sunday wondering, "Is that all there is?" Do you find after a spiritual meal a residual craving, as if there was a missing course ... and what about dessert? We are the Bride of Christ, His Church, not the edifice on the corner of Doctrine Boulevard and Religion Avenue; each one of us, members one of another, bound together with our believing neighbors both near and far, known to us and unknown by us; united into one body by the blood of our Lord Jesus Christ. We are at crossroads today; pressure is on; Father God is instructing: The Bride will be driven out of the 'church' into her integrity, into her

chastity, into her purity, into her community. The call today is a call to unity: humility and self-sacrifice, service to others in Christ, bearing one another's burdens, submitting ...strengths serving weakness, surplus supplying lack, all serving the Lord through serving one another in love. Come with me again to the beginning, learning foundational steps for walking together peaceably with our Lord upon and above the waters of this life as we head towards home with God.

Hamon's novel is written with a sense of urgency and a surge of passion about God's great plans for his end-time people. With prophetic clarity, he fits together the biblical directives and spiritual power that will propel saints into the world.

As a believer, it is important that you understand and know the operation of all the gifts of the Holy Spirit, namely; prophecy, faith, miracles, healing, discernment, word of knowledge, word of wisdom, diversities of tongues as well as their interpretation. Like all other things in the Christian life, the gifts of the Holy Spirit also must be taught to be practiced. Basing his revelation of the foundational doctrine of the Apostle Paul, Apostle Frequency Revelator further explores the divine truth that the gifts of the Holy Spirit are not called up at the fancy of the vessel God chooses to use. Instead, they are a divine legitimate birth right irrevocably bequeathed upon every believer in Christ. In this book, Apostle Frequency Revelator dissects on both the revelational and practical aspects of operating the gifts of the Holy Spirit, categorically synthesising them into revelational gifts, vocal gifts and power gifts. Definitions and explanations are given on each gift as well as elaborate explanations of the "how" of each operation. The reading of this book will therefore cause you to understand the call of God in your life so that you can flow in the dispensation of God's grace upon your life. It will also assist you in terms of knowing the limits and boundaries of the operation of His gifts in your life. Ultimately, it will catapult your faith to the highest realms of the supernatural whereby you shall operate in all the gifts of the sprit for the empowerment, edification and advancement of the Church.
