In this imaginatively illustrated book from the *Work It, Girl* series, discover how Mae Jemison became the first African American woman in space in this true story of her life. Then, learn 10 key lessons from her work you can apply to your own life. When Mae Jemison was a little girl, she loved science, dancing, and dinosaurs. She watched the Apollo moon landings and wondered why none of the astronauts were women—and she just didn't buy the answers she was given... *Work It, Girl* is an empowering series of biographies featuring modern women in the world of work, from designers and musicians to CEOs and scientists. Each of these vibrantly illustrated books tells the story of a remarkable woman in 10 chapters that highlight transformative moments in her life, following the ups and downs that she faced on her road to success. At the end, 10 key lessons show what you can learn from these moments, and self-reflection questions help you apply these lessons to your own life. Brightly colored photo illustrations of 3-D cut paper artwork featuring inspiring quotes from these amazing women bring their stories to vivid life. Learn how to work it as you lay the foundations for your own successful career.

Ssshh! This is my Secret Scrapbook Diary. You can read it because you're my friend, but don't tell anyone else. This is my story of how I managed to get to the prince's ball, how my Fairy Godmother found me a coach and horses out of nowhere, how I nearly ruined everything, and how I found a very special friend! I've pasted lots of things in here -- like my actual dance card from the ball, a newspaper report of what happened, and a postcard I sent from the prince's castle. When you've read it, why not make a Secret Scrapbook Diary of your own?
