The Get Wisdom Bible Studies help women connect with Scripture in an accessible and energizing way. Teresa Swanstrom Anderson guides with a winsome style that is rich in depth, but still approachable for newer readers of the Bible. The Light in the In-Between Whatever hard thing we're facing, we have a choice to walk with God . . . or not. We can say yes through the darkness or we can let the darkness envelop us. People love the Psalms for their passages of praise, but the Psalms are also known for lament. There we learn to find rest in the hard times. But we don't want to just stay in our difficulties and pain--we want to keep moving. This study is about that in-between space--walking from the lament and into the praise. The walk through the difficulty, and the living in expectation that He will move, believing we will see light because He is the Light. Yes, this is a study about the Psalms. But it's more than that. It's seeing the fuller picture. It's finding the light in it all.

What Happened on the Cross offers a new and biblical understanding of how salvation was accomplished upon the cross, showing that the Penal Substitution view, common since the 1500s, does not have a biblical basis, and also showing that the Christus Victor understanding is inadequate. The book is founded upon the understanding that Jesus Christ is the Second Adam, and that is the foundation of how we are to understand how salvation was accomplished. Both the shedding of blood and death were essential in the accomplishment of salvation, and What Happened on the Cross shows why these were essential. Using over 740 Scripture verses to make its argument, the book gives a comprehensive picture from Genesis to Revelation of the many aspects involved in the accomplishment of salvation--above all showing clearly that the cross had nothing to do with "punishment for sins"--our sins were never punished upon the cross, rather, our sins were forgiven. Understanding how salvation was accomplished upon the cross, and that it was about forgiveness, not punishment, both exalts God and his greatness, demonstrates his perfect love and justice, as well as liberates our hearts towards him.

The Dark Ages Clan Novel Saga is a 13-volume series of novels set in the world of Dark Ages: Vampire, released by White Wolf from 2002 to the end of 2004. The series begins with Dark Ages Clan Novel 1: Nosferatu and ends with Dark Ages Clan Novel 13: Tzimisce. Inspired by the original modern-day Clan Novel Saga for Vampire: The Masquerade, this series begins with the end of the original Vampire: The Dark Ages era and continued into the time-frame of Dark Ages: Vampire. The 13 novels are written from the POV of one clan each during the turbulence that swept through the mortal and Cainite societies of Europe following the fall of Constantinople in the Fourth Crusade. These novels, unlike the original Clan Novel Series, are chronological, happening one after the other rather than overlapping. How big is your God? Have you ever come face to face with a Holy God? Have you ever considered what would happen to you if you did? Do you consider yourself to be "messed up, missing the mark, lacking, or a failure?" Do you deal with

memories that haunt you due to regret, unforgiveness, or PTSD? Or do you think that you are "all that" or "God's gift to this world?" Well, this book will address these topics and more! Karen was an 18-year-old rape victim with a "don't mess with me" attitude. She had a reputation - one where people would say, "Hey, you don't want to mess with that girl, she will drink you under the table, she will cuss you like a sailor, she will fight you until she draws blood, and she will cut you up with her words and spit you out!" This is the "tough-girl baggage" that Karen brought with her when she began her corporate career as the traffic manager of a subsidiary of the largest maritime shipping company in the United States. Despite growing up in that waterfront industry and having the tenacity, disciplines and skills to handle the public relations and manage thousands of tons of cargo moving internationally and locally, she struggled with having that same drive to manage her own personal life. Through this time Karen occasionally thought of crying out to God for help, but she presumed Him to be dis-interested in her plight and most likely a wimp compared to the enormity of her crisis. Then one night, she read a book that was mysteriously delivered to her house. This book, "Power for Living," contained testimonies of corporate high rollers, sports icons and managers like her but who had surrendered their lives over to the Lord and had been blessed in doing so. After considering what she had read, she began to pray the prayer of commitment to Jesus that was recorded in the back of the book, but she added one additional request of God. She defiantly demanded that He prove to her that He was tougher than she was because she refused to serve a wimpy God. Well, God accepted her challenge that night and what He revealed to her is what she is passionate to share with all. Karen's ministry began as she used the gifts and knowledge she received from God to speak His prophetic truths into people's lives. Most come away experiencing joy and peace, being delivered from what had kept them in fear, unforgiveness, or bound to their past. When teaching, Karen has an uncanny way of pressing against those dark places in your character, worldview, or behaviors that many have adopted as their "comfort zone," or "I just can't change" places. By skillfully using stories, scriptures and questions, these truths will challenge you to see "yourself" as God sees you and guide you to receive His deliverance from what torments you. Are you ready to live life differently, to see God differently, and to take off your mask and keep it off? Then get ready to experience freedom and intimacy with a Holy God as you learn how to "face the darkness within you."
