

The New Jim Crow

"Drawing from and expanding on the themes of Michelle Alexander's acclaimed best-seller, *The New Jim Crow*, this in-depth guide provides a launching pad for groups wishing to engage in deep, meaningful dialogue about race, racism, and structural inequality in the age of mass incarceration. The Study Guide and Call to Action spans the entirety of *The New Jim Crow*, engaging the critical questions of how we managed to create, nearly overnight, a penal system unprecedented in world history, and how that system actually functions - as opposed to the way it is advertised. This important new resource also challenges us to search for and admit the truth about ourselves, our own biases, stereotypes, and misconceptions, and the many ways in which we might actually be part of the problem."--The publisher's website.

Michelle Alexander's *The New Jim Crow: Mass Incarceration in the Age of Colorblindness* is an unflinching dissection of the racial biases built into the American prison system. Named after the laws that enforced racial segregation in the southern United States until the mid-1960s, *The New Jim Crow* argues that while America is now legally a colorblind society - treating all races equally under the law - many factors combine to build profound racial weighting into the legal system. The US now

has the world's highest rate of incarceration, and a disproportionate percentage of the prison population is comprised of African-American men. Alexander's argument is that different legal factors have combined to mean both that African-Americans are more likely to be targeted by police, and to receive long jail sentences for their crimes. While many of Alexander's arguments and statistics are to be found in other books and authors' work, *The New Jim Crow* is a masterful example of the reasoning skills that communicate arguments persuasively. Alexander's skills are those fundamental to critical thinking reasoning: organizing evidence, examining other sides of the question, and synthesizing points to create an overall argument that is as watertight as it is persuasive.

"Higginbotham provides a thoughtful and perceptive discussion on the role of race in America today. His keen legal analysis and compelling narrative has resulted in a fascinating examination of how far we have come as a nation, but more importantly, of how far we have to go." —Barbara A. Mikulski, U.S. Senator for Maryland

When America inaugurated its first African American president, in 2009, many wondered if the country had finally become a "post-racial" society. Was this the dawning of a new era, in which America, a nation nearly severed in half by slavery, and whose racial fault lines are arguably among its most enduring traits, would at last move

beyond race with the election of Barack Hussein Obama? In *Ghosts of Jim Crow*, F. Michael Higginbotham convincingly argues that America remains far away from that imagined utopia. Indeed, the shadows of Jim Crow era laws and attitudes continue to perpetuate insidious, systemic prejudice and racism in the 21st century. Higginbotham's extensive research demonstrates how laws and actions have been used to maintain a racial paradigm of hierarchy and separation—both historically, in the era of lynch mobs and segregation, and today—legally, economically, educationally and socially. Using history as a roadmap, Higginbotham arrives at a provocative solution for ridding the nation of Jim Crow's ghost, suggesting that legal and political reform can successfully create a post-racial America, but only if it inspires whites and blacks to significantly alter behaviors and attitudes of race-based superiority and victimization. He argues that America will never achieve its full potential unless it truly enters a post-racial era, and believes that time is of the essence as competition increases globally. F. Michael Higginbotham is the Wilson H. Elkins Professor of Law at the University of Baltimore School of Law. He is the author of *Race Law: Cases, Commentary, and Questions*.

This is a Summary of Michelle Alexander's *The New Jim Crow: Mass Incarceration in the Age of*

Colorblindness The New Jim Crow is a book praised by Harvard Law professor Lani Guinier as "brave and bold," this book directly challenges the notion that the election of Barack Obama signals a new era of colorblindness. With dazzling candor, legal scholar Michelle Alexander argues that "we have not ended racial caste in America; we have merely redesigned it." By targeting black men through the War on Drugs and decimating communities of color, the U.S. criminal justice system functions as a contemporary system of racial control-relegating millions to a permanent second-class status-even as it formally adheres to the principle of colorblindness. In the words of Benjamin Todd Jealous, president and CEO of the NAACP, this book is a "call to action." Called "stunning" by Pulitzer Prize-winning historian David Levering Lewis, "invaluable" by the Daily Kos, "explosive" by Kirkus, and "profoundly necessary" by the Miami Herald, this updated and revised paperback edition of The New Jim Crow, now with a foreword by Cornel West, is a must-read for all people of conscience. Available in a variety of formats, this summary is aimed for those who want to capture the gist of the book but don't have the current time to devour all 336 pages. You get the main summary along with all of the benefits and lessons the actual book has to offer. This is a summary that is not intended to be used without reference to the original book.

the increased percentage of incarceration among the African-American population in the United States and the segregation that is imposed on them and that controls them. The new Jim Crow is actually a continuation of the Jim Crow legal system which was present in the United States of America prior to the Civil War. Back then, the African American people were deemed second-class citizens, which meant that they had no rights. This meant that African-American people had no right to vote, no right to participate in the judicial or legal system, and had no representatives of their own in the entire legal system. The mistreatment of the African American people did not end when these things ended; in fact, the problems regarding segregation of African-American people are still present today. Michelle Alexander's book is here to show us the truth about segregation, which is often hidden through political promises or even negligence. The New Jim Crow is an interesting, eye-opening book, which everyone should read in order to understand the issues of continued racial segregation in the United States. Here Is A Preview Of What You Will Get: A summarized version of the book. You will find the book analyzed to further strengthen your knowledge. Fun multiple choice quizzes, along with answers to help you learn about the book. Get a copy, and learn everything about The New Jim Crow.

So much to read, so little time? This brief overview of The New Jim Crow tells you what you need to know—before or after you read Michelle Alexander's book. Crafted and edited with care, Worth Books set the standard for quality and give you the tools you need to be a well-informed reader. This short summary and analysis of The New Jim Crow by Michelle Alexander includes: Historical context Chapter-by-chapter summaries Detailed timeline of key events Profiles of the main characters Important quotes Fascinating trivia Glossary of terms Supporting material to enhance your

understanding of the original work About The New Jim Crow by Michelle Alexander: Legal scholar and civil rights lawyer Michelle Alexander’s invaluable and timely work, The New Jim Crow, examines what she calls the new racial caste system in United States: mass incarceration. Following the practices of slavery and institutional discrimination, Alexander argues, mass incarceration is part of America’s legacy to dehumanize and disenfranchise African Americans and Latinos. According to Alexander, “we have not ended racial caste in America; we have merely redesigned it.” Thanks in a large part to the War on Drugs, more than two million people are in America’s prisons today—an overwhelming majority of them are people of color who’ve been jailed for minor drug charges. When these adults leave prison, they are often denied employment, housing, the right to vote, and a quality education. As a result, they are rarely able to integrate successfully into society. The New Jim Crow is a well-argued call to dismantle a system of policies that continues to deny civil rights, decades after the passing of the Civil Rights and Voting Rights Acts. The summary and analysis in this ebook are intended to complement your reading experience and bring you closer to a great work of nonfiction.

legal scholar Michelle Alexander. The book argues that the War on Drugs and mass incarceration operate as tools of racialized social control and oppression, not unlike the system in place during the Jim Crow era in the American South. The winner of the NAACP Image Award for Nonfiction, *The New Jim Crow* continues to appear on countless racial justice reading lists and was named one of the most influential books of the past 20 years by the Chronicle of Higher Education. This study guide refers to the 10th anniversary edition published in 2020 by the New Press. Between the 1870s and 1960s, legal segregation, racially targeted voting laws, and a host of other political, legal, and cultural forces effectively transformed Black men and women living in the American South into second-class citizens-or, as Alexander puts it, members of a "racial undercaste" (129). This period of American history is known as the Jim Crow era. While civil rights legislation in the 1960s eliminated this specific form of oppression and disenfranchisement, a new form of racialized social control emerged in the 1980s: mass incarceration. With the launch of the War on Drugs and a series of draconian crime bills, the number of incarcerated Americans skyrocketed in less than three decades from 300,000 to over 2 million, most of them for drug convictions and most of them Black men. This transpired even though white and Black Americans sell and use drugs at roughly the same rates. Far from being an effective system of crime deterrence, Alexander argues that mass incarceration increases violent crime. Given that the United States declared the War on Drugs before Americans even perceived drug use to be a serious problem, this leads Alexander to conclude that mass incarceration was designed as a system of racial control rather than an effort to combat violent crime...

"Seeks to focus people in the direction of dismantling our nation's huge and egregious prison industrial systems, the old but new Jim Crow. In it, Daniel Hunter describes key organizing principles and offers an array of examples that describe concrete ways that individuals, organizations, and coalitions are achieving significant successes, which cultivate the soil for more and more significant campaigns in this crucial struggle"--

A Complete Summary of The New Jim Crow: Mass Incarceration in the Age of Colorblindness The New Jim Crow is a book written by Michelle Alexander. The book is about the increased percentage of incarceration among the African-American

population in the United States and the segregation that is imposed on them and that controls them. The new Jim Crow is actually a continuation of the Jim Crow legal system which was present in the United States of America prior to the Civil War. Back then, the African American people were deemed second-class citizens, which meant that they had no rights. This meant that African-American people had no right to vote, no right to participate in the judicial or legal system, and had no representatives of their own in the entire legal system. The mistreatment of the African American people did not end when these things ended; in fact, the problems regarding segregation of African-American people are still present today. Michelle Alexander's book is here to show us the truth about segregation, which is often hidden through political promises or even negligence. The New Jim Crow is an interesting, eye-opening book, which everyone should read in order to understand the issues of continued racial segregation in the United States. Our summary is divided into several sections: first we will summarize the book, and try to learn as much as we can about what the author is trying to say. After this, we will have an analysis of the book and then a quiz with answers to test you knowledge. Finally, we will give you a short conclusion just to review everything we have learned. So, let's get started. Here Is A Preview Of What You Will Get: - In The New Jim Crow, you

condition, whilst in a state of confinement, that ranges from the exasperation that comes with a seemingly endless internal conflict that can only end with a full dismantling of one's comprehension of reality, which must happen in order to reinstate the being into the human cognition; but also, the human need for love, the ability to understand and express those phenomena, and in turn receive it. In this third installment, Sefu gives a personal account of life experience by one who has become aware of the processes we seldom hear about, often experience first-hand, and rarely fully comprehend. He does so by paying homage to author Michelle Alexander's groundbreaking and culture-shifting book, "The New Jim Crow: Mass Incarceration in the Age of Colorblindness." "Prisoner of the New Jim Crow" touches every vestige of systemic discrimination and criminalization of race, gender, and economic station but from a first-hand perspective that is raw, interpersonal, and provocative as Sefu processes his own responses to the world he was born into while simultaneously active in his pursuit of solutions that challenge all of us to dismantle a centuries-old system of dehumanization. This treatment has been a long-time coming voice of the voiceless who've echoed these sentiments for generations, and now that you've finally been exposed to our shame, what will you do?

The New Jim Crow: Mass Incarceration in the Age of

Colorblindness is a nonfiction book published in 2010 by American author and legal scholar Michelle Alexander. The book argues that the War on Drugs and mass incarceration operate as tools of racialized social control and oppression, not unlike the system in place during the Jim Crow era in the American South. The winner of the NAACP Image Award for Nonfiction, *The New Jim Crow* continues to appear on countless racial justice reading lists and was named one of the most influential books of the past 20 years by the Chronicle of Higher Education. This study guide refers to the 10th anniversary edition published in 2020 by the New Press.

* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. *By reading this summary, you will discover the discrimination that still prevails in the American judicial system today. *You will also discover that : the American justice system is based on mass incarceration; the first priority, the war on drugs, fills prisons without any concrete justification or positive impact; people of color make up a disproportionate share of the prison population; the discrimination affecting ex-prisoners is brutal and long-lasting; structural racism in the criminal process makes it a true system of racial control. *Years after desegregation and the civil rights movement in the United States, it is often thought that racism as a system is a sad memory. American society believes

that it can live without racial prejudice and ensure equality of opportunity. For the vast majority of the African-American population, however, this hope is far from reality. For many young black men, prison is the most likely prospect for the future. Entire communities live under the threat of social stigma and the loss of all their rights. *Buy now the summary of this book for the modest price of a cup of coffee!

Summary of The New Jim Crow by Michelle Alexander | Includes Analysis Preview: The New Jim Crow argues that the ongoing "War on Drugs" and the resulting mass incarceration of African Americans is the moral equivalent of Jim Crow. Beginning in the seventeenth century, institutions emerged in colonial America that contributed to the creation of a racial caste system. America's current racial caste system builds upon the legacy of both chattel slavery that existed in the United States prior to the Civil War and on the system of Jim Crow laws that designated African Americans to second-class citizenship in many parts of the American South prior to the civil rights movement. This racial caste system is perpetuated across the country by members of both political parties. It has resulted in a large number of African American men who cannot vote, serve on juries, or find employment and housing. Discrimination against convicts is legally accepted and widespread... Michelle Alexander names three audiences whom she intends to reach and inform with her book. The first is composed of people who care profoundly about racial justice but who do not yet realize the enormous crisis of mass incarceration of people of color. The second is composed of the people who recognize a trend in the criminal justice system that resembles the racism of decades ago but who do not have the facts to back their beliefs. Last of all, she hopes to reach the many people incarcerated in the American prison system. She then uses an antidote to explain her main point, that the U.S. incarceration system continues the racial discrimination evident in our country's history. Jarvis Cotton's great-great grandfather was unable to vote because he was a slave. Cotton's great grandfather was killed by the

Ku Klux Klan for attempting to vote. His grandfather did not vote because of the KKK's threats. Cotton's father could not vote because of poll taxes and literacy tests. And, finally, Cotton cannot vote because he was once convicted as a felon. Alexander explains that voting is the most basic democratic freedom and right, yet black people throughout U.S. history have been unable to hold or else exercise that right. Furthermore, racial discrimination continues today in a legalized form because once-convicted felons are legally required to explain their background and may be legally refused service or opportunities because of it. While the reasons and rationalizations that have been used to support racial exclusion and discrimination have changed over the years, the outcome is mostly the same. In other words, in spite of the seeming advances of today, discrimination continues under the pretext of a different language; while our society likes to exemplify a "colorblind" mentality, racist ideology is implicitly carried out through the criminal justice system. Once a person is labeled a felon, employment and housing discrimination are legal, even expected; furthermore, the right to vote, educational opportunities, jury service, and food stamps as well as other forms of public benefit are revoked. The pre-Civil War and pre-Civil Rights Movement discrimination has not ended but been redesigned. Here Is A Preview Of What You'll Learn

Once in a great while a book comes along that changes the way we see the world and helps to fuel a nationwide social movement. The New Jim Crow is such a book. Praised by Harvard Law professor Lani Guinier as "brave and bold," this book directly

challenges the notion that the election of Barack Obama signals a new era of colorblindness. With dazzling candor, legal scholar Michelle Alexander argues that "we have not ended racial caste in America; we have merely redesigned it." By targeting black men through the War on Drugs and decimating communities of color, the U.S. criminal justice system functions as a contemporary system of racial control—relegating millions to a permanent second-class status—even as it formally adheres to the principle of colorblindness. In the words of Benjamin Todd Jealous, president and CEO of the NAACP, this book is a "call to action." Called "stunning" by Pulitzer Prize-winning historian David Levering Lewis, "invaluable" by the Daily Kos, "explosive" by Kirkus, and "profoundly necessary" by the Miami Herald, this updated and revised paperback edition of *The New Jim Crow*, now with a foreword by Cornel West, is a must-read for all people of conscience.

This Summary Pack is a Feature Series of Real History and includes summaries of the following New York Times non-fiction bestsellers: Alexander Hamilton, *The New Jim Crow*, *Dead Wake*, *The Big Short*, *Sapiens* RON CHERNOW'S ALEXANDER HAMILTON is a voluminous book which chronicles the life and legacy of one of America's Founding Fathers. MICHELLE ALEXANDER'S THE NEW JIM CROW: Mass Incarceration in the Age of

Colorblindness aims to reach three main audiences with this book. The first consists of those who really care about racial injustice, although not yet realizing the magnitude of the mass incarceration crisis among minority races. The second one is comprised of people who notice a resemblance between the modern criminal justice system and the racism from decades ago, yet are not familiar with the information to back it up. And ultimately, the author hopes to communicate with the hundreds of thousands of people currently inside American prisons. She explains that her focus point is how discriminatory the U.S. penal system always was.. ERIK

A tenth-anniversary edition of the iconic bestseller--"one of the most influential books of the past 20 years," according to the Chronicle of Higher Education--with a new preface by the author Seldom does a book have the impact of Michelle Alexander's *The New Jim Crow*. Since it was first published in 2010, it has been cited in judicial decisions and has been adopted in campus-wide and community-wide reads; it helped inspire the creation of the Marshall Project and the new \$100 million Art for Justice Fund; it has been the winner of numerous prizes, including the prestigious NAACP Image Award; and it has spent nearly 250 weeks on the New York Times bestseller list. Most important of all, it has spawned a whole generation of criminal justice reform activists and organizations motivated by Michelle Alexander's unforgettable argument that "we have not ended racial caste in America; we have merely redesigned it." As the Birmingham News

proclaimed, it is "undoubtedly the most important book published in this century about the U.S." Now, ten years after it was first published, The New Press is proud to issue a tenth-anniversary edition with a new preface by Michelle Alexander that discusses the impact the book has had and the state of the criminal justice reform movement today.

Don't miss this summary of Michelle Alexander's controversial and eye-opening book: "The New Jim Crow: Mass Incarceration in the Age of Colorblindness." This FastReads' Summary provides chapter synopses, key takeaways, and analysis to help you fully digest this stunning and explosive criticism of the modern racial caste system in America. What Will You Learn from Reading This Book? The history of racism, slavery, Jim Crow, and modern discrimination in America Evidence behind the systematic incarceration of black people in America How the stigma of black criminals isn't just for criminals The viscous cycle of crime and recidivism in black communities The racially-driven double standards that penetrate the American justice system How these current injustices were intentionally engineered to replace the old Jim Crow and maintain racial inequality Book Summary Overview Obama's election as the president might have seemed like the dawn of a new era of colorblindness in America, but Alexander argues that we are far from eradicating racism-we have just

redesigned it. Alexander also presents sufficient evidence to help the reader come to terms with the horrifying realities of modern racism. Ultimately, she concludes that although the prison system is supposed to reform people, it acts primarily as method of control and servitude in America-very much like slavery. Alexander's disarming voice and candor make this an incredible book, despite the grimness of its overarching themes. Click Buy Now with 1-Click to Own Your Copy Today! Die Jim Crow, The EP Book is a companion to the six-track Die Jim Crow EP, an album recorded at Warren Correctional Institution, a close-security prison in Ohio, and with formerly incarcerated artists in New York and Philadelphia. The album was inspired by Michelle Alexander's book, "The New Jim Crow" (2010), which equates the U.S. prison system to a modern day racial caste system similar to the old form of Jim Crow segregation in America. The EP and EP Book are part of the larger Die Jim Crow project, a full length concept album (Die Jim Crow LP) about racism in the U.S. prison system written and performed by formerly and currently incarcerated black musicians from across the country. The EP Book provides a visceral experience of what Die Jim Crow is about by featuring lyrics, artwork, photos, hand-inked notes, recipes and

relevant writing that documents and celebrates the making of the record. Designed with graphic novel appeal, "Die Jim Crow EP Book" takes you on a journey through the production of this groundbreaking album. Edited by Die Jim Crow producer Fury Young, and featuring artwork by Mark B. Springer and other incarcerated artists, "Die Jim Crow EP Book" is a one-of-a-kind collector's item for book and music enthusiasts alike. Includes free Die Jim Crow EP Download code inside of book. All proceeds of this book go towards the funding of the Die Jim Crow LP, to be released in 2018.
